

The company continues to show it's true colors . They posted for "temporary workers" at \$15 an hour while not offering a raise to the hard working permanent workers who are not at the top journeyman rate and offering a slap in the face quarter to the rest. A temp worker cannot fill your shoes. You make the difference!

KING Soopers City Market

SEEKING TEMPORARY WORKERS

King Soopers is accepting applications for temporary workers as a precautionary measure due to a potential labor dispute with the U.F.C.W. - Local 7 which may occur after January 12, 2019.

Please ask to speak to our Hiring manager. You can also apply at jobs.kingsoopers.com and locate a "Temporary Clerk" job posting closest to your home.

Pay Rate: \$15.00/hour

We will have opportunities for temporary workers in various positions!

Some locations may have Meat and or Deli Postions

Please bring unexpired documents that show proof of eligibility to work in the United States.

An Equal Opportunity Employer.
