## ARTICLE 41 - SICK LEAVE

**Section 118.** All employees covered by this Agreement (except for Clean-up Personnel) who, in their first anniversary year, work one thousand two hundred and forty-eight (1,248) hours or more and who have been continuously employed by their Employer for a period of one (1) year, shall be credited with forty-eight (48) hours of sick leave with pay.

Full-time Clean-up Personnel shall be eligible for sick leave benefits.

Unused sick leave shall be cumulative, and after the first (1<sup>st</sup>) year of continuous employment, said employees shall accumulate unused sick leave at the rate of four (4) hours per month for each month of continuous employment in which they work at least ninety-six (96) hours in a four (4) week month, and one hundred twenty (120) hours in a five (5) week month, but not to exceed a maximum accumulation of six hundred (600) hours.

A doctor's certificate or other authoritative verification of illness may be required by the Employer. Said sick leave is to commence on the second (2<sup>nd</sup>) full workdays' absence for sickness or non-occupational injury, and on the first (1<sup>st</sup>) full workday's absence if the employee is hospitalized, undergoes outpatient surgery or has accumulated in excess of **one hundred and ninety-two (192)** hours. The waiting period provided herein shall apply for each illness or non-occupational injury. **Any employees ineligible for first day sick pay under this provision shall be permitted to use up to five (5) days per year of vacation accrued pursuant to Section 47 or unused personal holidays as payment for such employee's first day sick time at the employee's election. Notwithstanding other requirements to use personal holidays or unused and accrued vacation, there shall be no management discretion to deny pay for such absence, except that a doctor's certificate or other authoritative verification of illness may be required by the Employer. In order to use personal holidays and/or vacation pay for a sick absence, the employee must provide at least two (2) hours' notice prior to the start of such employee's scheduled shift.**

Sick leave shall be paid after the appropriate waiting period and will be based on the number of scheduled hours missed due to the sickness or non-occupational injury. For consecutive absences which exceed one (1) week, the maximum hours paid will be the same as the hours scheduled in the week in which the illness or non-occupational injury occurred. Sick leave pay must be requested by the employee and will be paid, if eligible as provided above, at the employee's regular classification rate, calculated at straight-time, not to exceed eight (8) hours per day until accumulated sick leave is used up or employee returns to work.

Sick leave benefits are not convertible to cash.
