Good morning,

I am so glad you thought to reach out to us!

The State has brought together a group of early childhood providers, advocacy groups, school districts and foundations to partner with the Colorado Department of Human Services and the Office of Early Childhood to establish a system of emergency child care for our most essential workers.

Please encourage your parents to fill out this survey:

<https://covidchildcarecolorado.com/parent-survey-home/> and they will be matched with child care options in their area.

Feel free to reach out with any additional questions you have.

Sincerely,

**LAUREN**
