Update April 6, 2020

UFCW Local 7 Sisters and Brothers working at JBS:

Yesterday afternoon, Food Processing Director Adriana Escobar and I had a call with the Head of JBS Labor Relations and Rigo Mendiola, JBS Human Resources Director. We discussed the following:

1. More PPE – Face shields, plexiglass barriers, masks etc.
2. Temperatures should be taken in a more private manner and prior to a worker entering the plant.
3. Hazard pay as well as the \$600 bonus.
4. The Company following all CDC guidance as well as Colorado Health and Safety Rules.
5. Emergency leave with pay to be offered to anyone 60 years and older, anyone with sick family members, or any one at high risk.
6. The call in numbers for each shift as well as reasons for the call offs.
7. The total amount of confirmed positive COVID-19 cases at the plant, including those that are quarantined.
8. Requested for help to push the Governor to make an exception to the Shelter In Order law by allowing UFCW Local 7 Union Representatives in the plant to service and enforce the contracts.

Please continue to contact our office and/or the Union Representatives with all issues.

In Solidarity,

Kim C. Cordova
