

COVID-19 Vaccine Providers

Banner Health Center

[Take this survey](#) to determine if you are eligible to receive the vaccine. Please schedule your appointment online as Banner Health is receiving a high number of requests for appointments.

Kaiser Permanente

Visit [Kaiser Permanente's vaccine webpage](#) to complete the "COVID-19 Vaccine Sign Up." Upon providing your information to them, you will be placed on a first-come, first-served waitlist for the vaccine based on your eligibility.

If you are not a member of Kaiser you can sign up to be on a list at [Kaiser Permanente Colorado Non-Member COVID-19 Vaccine Sign-up](#)

Safeway Pharmacy

Safeway Pharmacy is following state and federal eligibility guidelines. [If you qualify for a vaccine you can schedule an appointment with Safeway online.](#)

Salud

You do not need to be a Salud patient. In order to register, you must meet the State's eligibility criteria. [Register online](#) and Salud will contact you to schedule an appointment. You must have a scheduled appointment; walk-ups are not available. At the time of your appointment, Salud will request verification of age or occupation.

Sunrise Community Health

Sunrise is offering vaccines to Sunrise clients only who are age 70 and up via vaccine clinics. For more information about dates and locations, [go to the Sunrise website](#). Appointments are required. To make an appointment at an upcoming clinic, call (970) 346-2587 (for English or other languages) or (970) 346-2589 (for Spanish).

UCHealth

UCHealth is using [My Health Connection](#) to communicate with patients. [If you do not have an active My Health Connection account or are new to UCHealth, sign up to be placed on a list](#) to receive the COVID-19 vaccine when it is available for your phase, according to the state's plan.

If you are not a patient of UCHealth and cannot create a My Health Connection account, call the **UCHealth COVID-19 Vaccine Hotline at (720)462-2255** to be added to the list. Once you are on the list, you will get a phone call when you can schedule your vaccine.

Good Pharmacy

2000 16th Street (in the vacant parking lot on the west side of the Greeley Medical Clinic). [You must schedule an appointment online.](#) Do not call the pharmacy to schedule an appointment. The testing schedule varies depending on vaccine supply; it is typically 1 to 2 days per week on average.

SCL Health

Information is being emailed to eligible patients guiding them to use the MyChart online patient portal to make a vaccination appointment. An appointment is required to receive the COVID-19 vaccine. Go to [SCL Health's website](#) or call (303) 812-2051 for more details.

If you are not an SCL Health patient, you may enter your information in the [Vaccination Notification Sign Up form](#) to be notified when an appointment is available for you.

King Soopers Pharmacy

Visit the [King Soopers Get Vaccinated](#) page to find out which locations currently have vaccines and are scheduling appointments. Patients must have an appointment to receive the COVID-19 vaccine.

More providers can be found on the [Colorado Department of Public Health and Environment \(CDPHE\) website](#) where they have a running list of vaccine recipients across the state.
