Dear UFCW Local 7 Family,

Our hearts are broken today as we continue to learn of the events and senseless acts of violence that transpired at King Soopers in South Boulder. UFCW Local 7 represents thirty-two members at the store, and we are doing everything we can to provide support and love to all of our members during this difficult time.

We thank all of you for the outpouring of support that you have shown our members of our union family and the many lives these events have affected – it affects all of us deeply!

I have spent my entire working life (35 years) in the grocery industry as a frontline member, as a union representative, and for the last 11 years as your union president.

Our work as a union continues. At this time, we ask you all to support each other and we will support you as well.

We are working with community members and stakeholders to provide support including trauma/grief counseling to our union members. You can find those **resources** here:

In addition, we are setting up a **special fund** for our members and for the affected families. If you would like to contribute go here:

Thank you for your tireless commitment to the communities we live and work in.

In Unity,

Kim C. Cordova
