

# **UFCW LOCAL 7 SAFEWAY/ALBERTSON'S BARGAINING UPDATE**

**JANUARY 6, 2021**

Today President Cordova and the Local 7 Bargaining Committee met with representatives from Safeway/Albertson's to continue negotiating a new labor agreement.

Discussions have been slow and the Company has failed to agree to the Union's proposals on safety, full-time status, ending two-tier and many others.

The Company and the Union have made some progress on a few non-economic items. In order to allow for more time to negotiate over the Union's key non-economic proposals, the member led Bargaining Committee and Local 7 have entered into an extension agreement with Safeway/Albertson's. This short term extension will allow the Union time to secure an industry leading contract for Safeway/Albertson's workers.

**Negotiations will resume tomorrow, January 7, 2022, at 10 am**

**7000 Church Ranch Blvd.**
