

Hello Senior Leader RNs,

On Tuesday February 15th the Company notified the union that the company intends to reorganize the senior lead RNs in primary care. The intended implementation date is June 26th.

We do not have any more information than the fact that the company intends to do a reorganization. For example, ***WE DO NOT KNOW answers to ANY of the following questions:***

- Will the company eliminate the Senior Lead role?
- Will the company change the duties of the Senior Lead Role?
- Will the company keep some SLRNs?
- What job opportunities will there be should the company eliminate some or all of the SLRNs?

Our next steps will be to meet with the company to ascertain the details of the company's intentions. Once we have information to share we will email you.

Regards,

Nate Bernstein
