LETTER REGARDING DATA BREACH

You may have received a letter recently informing you about a data security breach that occurred with a firm called **Horizon Actuarial Services, LLC (“Horizon”)**.

We wanted to reach out and confirm that this letter is legitimate and that you should review the letter and consider the free identity security services offered to you. As the letter describes, Horizon—a consulting firm that does work for the Rocky Mountain UFCW Unions & Employers Health Benefit Plan, and the Rocky Mountain UFCW Unions & Employers Retail and Meat Pension Plan—suffered a security breach of its data, and among the data on its systems were data from these Plans.

Please read the letter carefully to learn further about the incident and about your rights to sign up for free credit monitoring, fraud protection, and identity protection services as an affected participant in the Plans.

If you have questions about the Horizon breach and your related rights, please feel free to call the informational phone lines that are provided in the letter.
