Pharmacist Survey: Healthcare Reserve Task Force Survey

- **Please fill out this survey: [Pharmacist Survey \(allcounted.com\)](https://allcounted.com)**

My name is Tiffany Knudsen. I am a committee member working with the CDPHE on the possible development of a health care reserve task force. I was hoping to get information from Local 7 pharmacist membership on some reflections of the pandemic response, training availability and predictions of future needs. This was created out of HB 21-1005, https://leg.colorado.gov/sites/default/files/2021a_1005_signed.pdf

Colorado House Bill 21-1005, was enacted and signed into law in 2021. It directs for a multiple disciplinary committee to explore the creation of an Emergency Health Care Reserve Task Force. The focus is to assess and make recommendations for the creation of an Emergency Healthcare Services Reserve Corps program. Healthcare professionals in Colorado would be cross-trained to be able to help Colorado prepare for the next Public Health emergency, disaster or pandemic. With the possibility of those participating receiving a 'benefit' for their service, possibly including some student loan forgiveness, continuing ed credit, etc. The report from the task force committee and possible recommendations are due to the Colorado Legislature December 2023.
