Denver, Colorado

and

**UNITED FOOD AND COMMERCIAL WORKERS, LOCAL 7
(Denver, Colorado)**

**Chartered by the
UNITED FOOD AND COMMERCIAL WORKERS
INTERNATIONAL UNION, AFL-CIO**

TERM:

January 9, 2022 through and including January 4, 2025

THIS AGREEMENT is made and entered into by and between SAFEWAY INC. Denver Division, hereinafter referred to as the "EMPLOYER" and UNITED FOOD AND COMMERCIAL WORKERS, LOCAL 7, Denver, Colorado, chartered by the United Food and Commercial Workers International Union, AFL-CIO, hereinafter referred to as the "UNION."

ARTICLE 1 RECOGNITION AND EXCLUSIONS

Section 1. The Employer recognizes the Union as the sole collective bargaining representative for all meat cutters, apprentices, wrappers, butcher block sales persons and delicatessen employees, clean-up personnel, including part-time workers who work regularly one (1) day or more a week, employed by the Employer in the meat market or markets owned or operated by the Employer in the metropolitan area of Denver, Colorado (as such area as is shown on the map attached hereto and by this reference made a part hereof) but excluding all store managers, courtesy clerks, office and clerical employees, janitors, parking lot attendants, food clerks, warehouse employees, watchmen, guards and professional employees and supervisors as defined in the National Labor Relations Act, as amended, and all other employees.

Any new stores opened within the contractual boundaries of this contract shall be accreted to this Agreement.

ARTICLE 2 SERVICE IN MEAT-DELICATESSEN DEPARTMENTS, PLANTS

Section 2. All work performed in the meat, delicatessen and seafood department(s) will be done by members of the bargaining unit, except Store Managers, two Assistant Store Managers per store, and District Operations Managers may perform all duties in the meat department without restriction. For the purpose of this Agreement, the meat department is defined as the area occupied by the meat storage rooms, the meat preparation

rooms and the service and/or self-service display cases where fresh, smoked, cooked and frozen meats, poultry, fish and seafood are offered for retail sale. With the exception of poultry products, the pricing of all meat products shall be done on the premises except as provided herein. Notwithstanding, the Employer may have specialized sanitation work, such as cleaning of ceiling tiles, grease traps, drains, walls, etc., performed by personnel outside of the bargaining unit.

Section 2A. Bargaining unit employees shall perform the work of cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate human consumption.

All fresh, cured, smoked or frozen meat, refrigerated luncheon meats, fish, poultry and rabbits shall be handled by employees within the bargaining unit. Nothing in this Agreement shall be construed to prevent non-bargaining unit employees from selecting customer purchases from the sales floor throughout the entire store, including the storage and retrieval thereof.

No one other than employees covered by this Agreement shall be permitted to perform the cutting or preparation of meat in the meat departments, meat markets, seafood or delicatessen departments on the Employer's premises, except as set forth below:

- (1) This does not include the transaction of the checkstand.
- (2) No representative of management above the level of head meat cutter shall perform the work customarily assigned to employees in the bargaining unit except: (a) when a bargaining unit employee who has been scheduled to work fails to report to work as scheduled; or (b) in connection with the instruction or training of an employee or employees; or (c) in connection with the first thirty days of the opening of a new or remodeled market; or (d) in connection with simple straightening of display cases; or (e) in connection with the removal of outdated, distressed or damaged merchandise from display cases; or (f) in connection with floor maintenance work performed by a member of the retail clerks bargaining unit in connection with work related to the meat, delicatessen and seafood departments; or (g) in response to a specific customer request.

Section 2B. Vendor Work. Direct store **delivery** vendors who deliver the product categories of beverages (including juice sold in produce/deli departments), cookies and crackers, bakery, pizza, specialty/gourmet/natural foods, **cosmetics, pet accessories**, ice cream and chips, shall be allowed to perform all work in connection with the sale of their products directly delivered to the store. For purposes of this provision, the product categories as used herein shall be interpreted to include all products delivered by such vendor.

Additionally, all vendors shall be allowed to stock and otherwise maintain any J-Hook or Clip strip program. Additionally, all vendors may perform: any work in connection with promotional and seasonal displays; facing in connection with the service of product; rotation of product; cleaning of product, shelves and racks; affixing coupons and other promotional materials to products; vendors shall be permitted to perform three (3) major resets per store, per section, per calendar year. Additionally, vendors may perform work, as necessary to accommodate the introduction of new items, or removal of discontinued items, from the set; checking of code dates and removal of out-dated product; and any work in connection with the opening of a new store and the two (2) week period thereafter, or during the two (2) weeks before and after a store remodel. **All the product delivered to the store from a warehouse owned or operated by, or for the benefit of, the Employer shall be stocked by bargaining unit members with the above exceptions.**

Section 2C. A Journeyman Meat Cutter shall be on duty in each store a minimum of eight (8) hours per calendar day. Hours scheduled in the classifications of Head Meat Cutter and First Cutter may be used to satisfy

this obligation. The Employer agrees not to layoff a Journeyman Meat Cutter hired and assigned to a retail store position on or before March 26, 2005 as the direct result of this section. [Note: Applies to Denver, Boulder, Brighton, Broomfield, Castle Pines, Conifer, Evergreen, Frisco, Idaho Springs, Leadville, Parker, Pueblo, and Vail, Colorado. Does not apply to Alamosa, Canon City, Colorado Springs, Craig, Estes Park, Fountain, Ft. Collins, Ft. Morgan, Glenwood Springs, Grand Junction, Greeley, Gunnison, Lamar, La Junta, Longmont, Loveland, Monte Vista, Salida, Steamboat Springs, Trinidad, Walsenburg.]

Section 2D. Retail Clerks may assist in meat department clean up work, provided such assignments do not conflict with applicable child labor and/or health and safety regulations.

Section 3. It is understood that the cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate human consumption will continue to be performed in the market located on the Employer's premises, unless the Employer transfers said work, in which case the following paragraph will be applicable: If the Employer transfers the cutting and fabricating of retail cuts of fresh meats performed in its retail store or stores covered by this Agreement to a location or locations outside of said retail store or stores, the Employer will continue to recognize the Union as the bargaining agent for the meat cutters, apprentices and wrappers employed by the Employer in the cutting and fabricating of retail cuts of fresh meat, and the seniority rights provided in this Agreement shall continue to apply throughout the bargaining unit, including said new location or locations of the Employer.

Section 3A. Notwithstanding anything contained herein to the contrary, the Employer shall not be restricted in, or prohibited from, obtaining and offering for sale fresh, smoked, cured, cooked and frozen meats, poultry, fish or seafood which have been cut, prepared, processed, packaged, weighed and/or priced off the Employer's premises and it is expressly understood and agreed that such shall not constitute a violation of this Agreement. Notwithstanding the preceding sentence, the Employer agrees that no head meat cutter, first cutter, journeyman meat cutter or apprentice meat cutter assigned to one of the aforementioned classifications by the Employer on or before May 11, 1996 shall be laid off or reduced in scheduled hours. The Employer shall have the right to transfer and/or schedule meat cutters in more than one (1) store within the bargaining and/or adjacent bargaining unit(s) as may be necessary to fulfill this obligation, except that the Employer shall not schedule such employees for split shifts.

The Employer shall continue to have the right to lay off employees in accordance with the provisions of this Agreement, provided that the layoff of any meat wrapper, butcher block, seafood clerk or delicatessen clerk assigned to such classification on or before May 11, 1996, is for reasons other than the Employer's utilization of the products set forth in Section 3A above. It is understood and agreed that in meeting the job guarantees contained herein the Employer shall have the right to assign any higher classified employee to perform work in a lower classification.

In the event of a store closure, or plant closure, resulting in the layoff of any head meat cutter, first cutter, journeyman meat cutter, apprentice meat cutter or meat wrapper, such affected employee(s) shall be permitted to exercise his seniority to displace the least senior meat cutter or meat wrapper in the involved bargaining unit as provided for herein, or, at the affected employee's discretion, the least senior meat cutter or meat wrapper in the State of Colorado. Such least senior meat cutter or meat wrapper affected by the exercise of the most senior meat cutter's or meat wrapper's seniority shall be laid-off. It is understood that in applying this provision meat cutters may displace only meat cutters and meat wrappers may displace only meat wrappers.

Section 4. No employee shall be required to maintain restrooms.

ARTICLE 3
UNION SECURITY AND CONDITIONS

Section 5. Provided the parties to this Agreement have complied with all State and Federal statutes concerning Union security matters, the provisions of this Article shall be applicable.

Section 6. Union Shop. All present employees of the Employer who fall within the bargaining unit, as set forth in Section 1 hereof, shall as a condition of continued employment, be or become members of Local No. 7, UFCW, AFL-CIO, between the thirty-first (31st) and thirty-fifth (35th) day following the date of the signing of this Agreement, and shall remain members of the Union in good standing during the life of this Agreement.

Section 7. All employees hired after the date of the signing of this Agreement, who fall within the bargaining unit as set forth in Section 1, shall as a condition of continued employment, become members of the Union between the thirty-first (31st) and thirty-fifth (35th) day following the date of their last employment and shall remain members of the Union in good standing during the life of this Agreement.

Section 8. "Good standing" is interpreted to mean the payment or tendering of initiation fees and periodic Union dues to an authorized agent of the Union.

Section 9. Whenever the Union requires the Employer to discharge any employee for failure to join or to maintain his membership in the Union in good standing in accord with the terms of this Article, the Union agrees to furnish the Employer an itemized copy of the delinquent's account with the Union, together with a written request for discharge. The Employer will discharge any employee who falls within the bargaining unit as described in Section 1 hereof within ten (10) days after the receipt of said written request for discharge, unless within said ten (10) day period the delinquent employee pays or tenders his delinquent initiation fee and/or delinquent Union dues to an authorized agent of the Union.

ARTICLE 4
CHECK-OFF

Section 10. The Employer agrees to deduct the weekly dues, legal rejoining fees and uniform assessments, (including initiation fees for new employees) from the net amount due each employee in the bargaining unit as described in Section 1 hereof who has furnished the Employer (either directly or through the Union) with an individual written authorization for making such deductions on a form mutually agreed upon between the Employer and the Union. It is understood that the check-off authorization is to be entirely voluntary upon the part of each such individual employee and that any such employee may revoke his individual check-off authorization upon giving thirty (30) days written notice to the Employer and the Union. The Employer agrees to remit all such deductions to the Chief Executive Officer of the Local Union no later than the twentieth (20th) day of each month. The Union shall indemnify and hold the Employer harmless against any and all suits, claims, demands and liabilities which arise out of, or by reason of, any action which shall be taken by the Employer for the purpose of complying with provisions of this Article.

Section 11. The Employer agrees to deduct amounts designated by employees for the Active Ballot Club when the Employer has been furnished an individual written authorization for making such deductions on a form mutually agreed upon between the Employer and the Union. It is agreed that the ABC authorization is to be entirely voluntary upon the part of each individual employee and that any such employee may revoke his ABC checkoff authorization upon giving thirty (30) days written notice to the Employer and the Union.

ARTICLE 5
NEW EMPLOYEES, TRANSFERRED EMPLOYEES, PROMOTED OR DEMOTED

Section 12. At the time of hiring, or otherwise joining the bargaining unit, the Employer will advise each such employee of the fact that he must become a member of the union within thirty-one (31) days and must remain a member of the Union as a condition of employment during the life of this Agreement. The Employer will likewise furnish each such employee with the address of the Union office and name of the Union representative. The Union application forms, furnished by the Union to the Company, will be provided to the employee during the completion of the new hire paperwork.

ARTICLE 6
RIGHTS OF MANAGEMENT

Section 13. The Employer retains the right to manage its business, to establish reasonable standard of dress, to direct the working forces and to make necessary rules and regulations for the conduct of the business, providing that said rules and regulations are not in conflict with the terms of this Agreement in any way.

The Company retains the right to develop, implement and establish a Bonus Plan for Department Managers at its sole discretion including the right to determine bonus amounts, payment criteria, measurements and the right to make changes and modifications to the program including termination of the program. The Union will withdraw with prejudice all grievances related to the Company's department manager bonus program.

ARTICLE 7
DEFINITIONS OF CLASSIFICATIONS

Section 14. Head Meat Cutter: Shall be considered the employee responsible for the operation of the market and the union will not recognize any employee as Head Meat Cutter who is not employed full-time in any store covered by this Agreement.

Section 15. Apprentice Meat Cutter: If, in the opinion of management (management means higher management than the Head Meat Cutter) an apprentice is fully qualified to perform the duties of a Journeyman Meat Cutter prior to three (3) years of service with a minimum of six thousand two hundred forty (6,240) hours of actual work experience on the job, the Employer may advance such apprentice to the duties and pay of a Journeyman Meat Cutter.

When apprentices have worked three (3) years, and the equivalent hours as set forth above, they automatically become Journeymen and be paid as such.

During an apprentice's three (3) years training period, he shall be assigned from time to time to all jobs normally done in the particular market.

One (1) apprentice shall be allowed to every two (2) Journeymen or a fraction thereof in each market, and one (1) additional apprentice to every two (2) additional Journeymen in said market. This limitation on apprentices may be relaxed during emergency periods when the Union is unable to furnish qualified Journeymen to the Employer.

Section 16. First Cutter: A First Cutter may be designated at the discretion of the Employer and is not a required classification.

Section 17. Wrappers. The work allotted to employees falling in the classifications "wrappers" shall be strictly confined to wrapping, weighing, pricing and tagging the packages and clean-up work in this particular department as well as cleaning cases and pans, traying of rewraps, ordering of merchandise, receiving, checking, putting away loads. Wrappers may assist in doing inventory. Wrappers may also be required to stock and rotate cases with fresh meat, cooked and smoked meats and frozen food. Nothing herein shall be construed to limit "Wrappers" from giving service to customers provided such service does not include the sawing or cutting of merchandise. In order to provide superior customer service, when no Meat Cutter is available, Meat Wrappers may use the slicer for the slicing of meats and ham. Additionally, Meat Wrappers may use the tools of the trade, except the band saw, to perform work in response to a specific customer request.

Section 18. Clean-Up Personnel: Employees assigned as "Clean-up Personnel" shall clean all work areas of the meat and delicatessen departments, including walls, freezer, walk-in box, hold box, cutting room and wrapping area, as well as cleaning blocks, meat and delicatessen cases and disassembled power tools and equipment.

Clean-up personnel shall not disassemble or reassemble power tools or equipment nor handle meat or delicatessen products in display cases.

If a Clean-up employee is found to be doing any work other than set forth above, all hours so spent shall be paid for at the starting apprentice rate.

The Employer retains the right to schedule such employees for a minimum of two (2) hours per day.

Section 19. Assistant Deli Manager: Assistant Deli Manager may be designated at the discretion of management and is not a required classification.

Section 20. Deli Employees: The work allotted to employees falling in the classification of "Deli Employee" shall be strictly confined to packaging, preparing, selling and pricing all items offered for sale in this department. Such work shall also include use of tools of the trade and such clean-up and other work associated with the practical operation of the department. Delicatessen department employees may operate a cash register in the delicatessen department. Nothing in this Section shall be construed to prevent delicatessen employees from ringing incidental sales from other departments of the store.

Section 21. Seafood Clerks: Seafood Clerks shall be allowed to perform all work in connection with the processing and sale of product in a specialty meat or seafood department. It is further understood that a Seafood Clerk may perform all duties of a meat wrapper. Seafood Clerks will be considered as a separate group for the purpose of applying the seniority provisions of Articles 27, 28, 30, 31, 32 and 33.

Section 22. New Classifications: When a new job is created by the Employer, the Union shall be notified immediately, and a new wage rate for such job shall be determined by the Employer and the Union.

Section 23. Work Between Classifications: It is understood that employees may perform incidental work in another classification without violating this Agreement.

Section 24. Technological Changes. The parties recognize that a well-trained workforce is beneficial to employer and employees alike. As technological changes are occurring at a rapid pace, such changes may have a dramatic impact on both employees' careers and the employer's business. In the event the Employer introduces technological changes that impact bargaining unit work, they shall meet to discuss the changes, their anticipated

impact on the workforce, and any other subjects relating to or arising from the technological change in question and the affected employees.

In addition, the Employer agrees to discuss the following:

- i. Any retraining necessary, for a comparable position and subject to the applicable seniority provisions.
- ii. Where retraining is not feasible, the Employer shall make every effort to transfer all affected employees to another department, another store. Or other employment, within a reasonable geographic area of the employee's existing position or, solely at the employee's election, their residence.
- iii. In the event the employee is not retrained or transferred and is separated from employment as a result of technological changes, the Company and the Union will discuss using a placement service.
- iv. To the extent that technological changes results in the loss of bargaining unit work or positions, the Employer shall discuss implementing such change gradually, to allow for the natural attrition of employees through voluntary separation or retirement, with the intention that no employee, who is employed as of the date the Employer notifies the Union of its anticipated technological change, is involuntarily separated from their employment.

In the event the employee is not retrained or transferred and is permanently displaced as a direct result of major technological changes as defined above, the employee will be eligible for severance pay in accordance with the following provisions:

- a. All employees, excluding courtesy clerks, with two (2) or more years of continuous service will be eligible for one (1) week's severance pay for each year of continuous service. Maximum severance pay of ten (10) weeks' pay to be paid on a lump sum basis. Weekly severance pay shall be determined by the average number of hours worked for the four (4) weeks preceding displacement, not to exceed forty (40) hours' straight time pay.
- b. An employee shall be disqualified from severance pay in the event the employee:
 - i. Refuses retraining.
 - ii. Refuses a transfer or other employment within a radius of forty (40) miles.
 - iii. Voluntarily terminates employment.
- c. In the event an employee is eligible for a severance payment pursuant to the provision, the employee will execute a Release Agreement provided by the Company prior to receipt of such severance payment.

ARTICLE 8 RATES OF PAY

Section 25. The classifications, wages, and special conditions applicable to employees are set forth in Appendix "A", attached hereto, and, by this reference made a part hereof.

Section 25a. In applying Section 25 of Article 8 of this Agreement to any newly hired employee, the Employer will give recognition to the verified number of hours of actual work experience on a comparable job which said newly hired employee may have performed within the previous ten (10) years for any other Employer in a similar retail grocery operation, or other food operation including the Safeway Cake Commissary. The aforementioned shall include: Independent Floral, Liquor Stores, Independent Bakery, Starbucks, Delicatessen Shops, Pharmacy and King Soopers Fuel Stations. Service in the United States military or

National Guard shall be given credit for one thousand forty (1040) hours per year of service, capped at four thousand, one hundred and sixty (4160) hours. This section shall only apply to newly hired employees upon ratification.

Any grievance over recognition given an employee for comparable work experience at the time of his employment must be filed pursuant to the terms and conditions of the grievance procedure of this Agreement (excluding the employee's trial period).

Section 26. Tips. Coffee Bar Employees shall be permitted to accept tips. The Employer shall not assert any tip credit in order to reduce these employees' wages.

ARTICLE 9 PAY FOR WORK IN HIGHER/LOWER CLASSIFICATION

Section 27. Temporary assignments of employees may be made by the management to perform work in higher or lower classifications within or between departments.

When an employee is required to perform work in a higher classification, he shall receive the higher rate, based on his experience; but, if required to perform work in a lower classification, he shall retain his regular rate, except in the case of actual demotion, when the employee shall receive pay according to his classification.

When a Delicatessen Clerk is assigned by the Employer to assume the duties and responsibilities of the Delicatessen Manager for a continuous period of one (1) week or more, such employee shall be paid the Delicatessen Manager rate of pay for all hours worked while so assigned.

Whenever a bargaining unit employee is promoted, the Company shall ascertain whether the employee has worked, on a temporary basis, in the classification they are promoted to. If so, they will be credited such hours and will be paid accordingly.

If the Company or Union becomes aware of employees who have not, in the past, received proper credit for such hours, the Company will credit such, notwithstanding the grievance/arbitration time limits set forth in the collective bargaining agreements between the parties. However, backpay shall be limited to ninety (90) days in accordance with the collective bargaining agreement.

Section 28. When a Journeyman relieves a Head Meat Cutter for one (1) week or longer, he shall be paid the contract rate of pay for Head Meat Cutter for such time spent in relief.

ARTICLE 10 NO REDUCTION IN PAY

Section 29. No employee shall have his hourly wage reduced who may now be receiving more than the minimum wage called for in this Agreement, nor shall his hours be lengthened unless he is properly compensated therefore in accord with the terms of this Agreement, unless otherwise agreed between the parties, and employees shall not be reclassified to defeat the purpose of this agreement. No employee shall be asked to make any verbal or written agreement that shall conflict with this Agreement in anyway.

Section 30. During the life of this Agreement, the Employer shall not raise or lower hourly rates of pay except as dictated by the wage scales set forth elsewhere in this Agreement.

**ARTICLE 11
WORKWEEK**

Section 31. The workweek shall coincide with the calendar week.

Forty (40) hours to be worked in any five (5) eight (8) hour days shall be the basic workweek for regular full-time employees. Regular full-time employees shall be scheduled for at least forty (40) hours of work to be performed in five (5) days unless reduced in accordance with seniority. Regular full-time employees shall be scheduled for at least thirty-two (32) hours of work to be performed in four (4) days (exclusive of the holiday) during a week in which a holiday occurs, unless reduced in accordance with seniority.

Upon mutual agreement between the Employer and the employee, a full-time employee can be allowed to work four (4) ten (10) hour days, to make up the standard workweek for full-time employees.

Overtime will be computed for all hours worked over forty (40). Hours worked over eight (8) will not apply to full-timers working the ten (10) hour shifts. It is also understood that all other provisions of the contract, including seniority rights, will be modified as applicable toward any ten (10) hour shifts the Employer should create in the individual store.

During a holiday week, employees who have normally been scheduled four (4) ten (10) hour days may be scheduled four (4) or five (5) eight (8) hour days and will receive (8) hours holiday pay. Employees scheduled three (3) or four (4) ten (10) hour days in a holiday week shall receive ten (10) hours holiday pay.

**ARTICLE 12
OVERTIME**

Section 32. Overtime compensation at the rate of time and one-half (1 1/2x) the employee's base hourly rate of pay shall be paid under the following conditions:

- a. For all time worked in excess of eight (8) hours in any one (1) day.
- b. For all time worked in excess of forty (40) hours in any one (1) workweek as described above.
- c. All employees will have eight (8) hours between shifts on scheduled or worked hours and will be paid the overtime rate if they do not have such.

Employees scheduled and working more than five (5) days in a workweek will receive time and one-half (1 1/2x) for the day on which the least number of hours was worked.

Section 33. No Pyramiding of Overtime. It is understood and agreed there shall be no pyramiding of overtime and premium for the same hours of work.

**ARTICLE 13
SUNDAY PREMIUM**

Section 34. The premium rate for work performed on Sunday as such shall be one and one-fourth times (1 1/4x) the employee's regular straight-time rate of pay. The Sunday premium, for hours worked up to eight (8), shall in no instance be offset against any weekly overtime which may be due under subparagraph (b) of Section 32 because of the fact that the employee worked over forty (40) hours in the particular workweek. The

Sunday premium shall not be averaged into the employee's straight-time rate for the purpose of determining the rate upon which daily or weekly overtime is based in any workweek under Section 32 hereof.

Employees hired on or after March 27, 2005 shall not be eligible for Sunday Premium.

Section 35. On the first day of the month following each ninety (90) days of a year (January 1st, April 1st, July 1st and October 1st), an employee can designate, in writing, his/her desire to be scheduled during Sunday hours.

The Employer will select the necessary employees from this list in accordance to seniority, within each store and department, considering the job assignment required and provided the employee normally performs the work required. Should the Employer not be able to staff his schedule requirements through this procedure, qualified employees shall be assigned the remaining available schedules by reverse seniority, within their respective classifications, within each department and store.

ARTICLE 14 TRAVEL PAY

Section 36. When an employee is transferred from one store to another store during his workday, reasonable time spent in traveling between said stores shall be considered as time worked. All travel time must be preapproved by the Store Director or PIC. Assigned travel between stores in the employee's personal vehicle shall be reimbursed in the amount of twenty-eight cents (\$.28) per mile or the rate paid to non-bargaining unit employees, whichever is greater, exclusive of travel to and from the employee's home. No employee will be required to use his personal vehicle, or another employee's personal vehicle, to conduct Company business. Before an employee is permitted to use his/her personal vehicle for company business, the Employer shall have the employee sign a statement acknowledging his/her risk and certification of a valid drivers license and insurance coverage.

When an employee performs work outside of their bargaining unit, they shall be paid twenty-eight cents (\$.28) or the rate paid to non-bargaining unit employees, whichever is greater, for miles commuted outside their regular daily commute.

ARTICLE 15 NIGHT PREMIUM

Section 37. A premium of **two** dollars (**\$2.00**) per hour shall be paid for all work performed between the hours of 12:00 midnight and 6:00 a.m. to all employees. Employees whose shifts are scheduled to end at 12:00 p.m. need not be paid any premium under this Section, even where it is necessary for them to remain on the job for a short period in order to complete their work, provided that such additional period does not exceed fifteen (15) minutes.

Night premiums shall not apply where an employee is working at overtime or on a holiday or on a Sunday.

ARTICLE 16 HOLIDAYS AND HOLIDAY PAY

Section 38. All employees hired on or before March 26, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for

the employees involved: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Such employees shall be entitled to two (2) personal holidays, which must be requested two (2) weeks in advance and approved by the Store Manager.

All employees hired on or after March 27, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for the employees involved: Memorial Day, Thanksgiving Day and Christmas Day. Effective in 2017, employees hired on or after March 27, 2005 shall also be paid for Labor Day. Such employees shall be entitled to one (1) personal holiday after two years of service, two (2) personal holidays after three (3) years of service, and three (3) personal holidays after four years of service. Such holidays must be requested two (2) weeks in advance and approved by the Store Manager.

Section 39. All premium shall be paid in accordance with the current contract.

Section 40. The Employer may operate its stores at its sole discretion on any of the holidays recognized by this Agreement.

Section 41. Personal Holidays. To be eligible for personal holidays during each calendar year, an employee must be on the payroll as of January 1 of each year. Such holidays must be taken during the respective calendar year. An employee whose employment terminates prior to having taken his personal holiday or who fails to take his personal holiday in the calendar year shall not be entitled to holiday pay. In the event an employee fails to schedule his personal holiday by October 1 of the calendar year, the Employer will select a date and schedule such employee for his remaining personal holidays for that year.

Section 42. Holiday Pay for Full-Time. As pay for an unworked holiday, regular full-time employees will be paid at straight-time for the number of hours they would normally have worked on the day in question, but not to exceed eight (8) hours. If the holiday falls on a day which would normally have been such employee's scheduled day off, he shall be paid eight (8) hours at straight-time as pay for the unworked holiday.

Section 43. Holiday Pay for Part-Time. Holiday pay for part-time employees who have completed their probationary period, and who otherwise qualify, shall be based on the number of hours worked in the calendar week immediately prior to the week in which the holiday occurs, divided by five. Provided the employee actually performs work in the calendar week immediately prior to the Holiday week, (unless on vacation or receiving sick pay for time not worked during such week or during the first thirty (30) days of an absence for which an employee is receiving Workmen's Compensation) the employee shall not receive less than three (3) hours holiday pay.

Section 44. Qualification for Unworked Holiday Pay. In order to qualify for pay for an unworked holiday, an employee otherwise eligible for such pay under the terms of this Article must work his regularly scheduled day immediately preceding the holiday, the holiday if scheduled, and his regularly scheduled day immediately following the holiday, unless he has been previously excused from such work by the Employer or unless he was prevented from so working due to a bona fide illness. No employee on leave of absence shall be eligible for holiday pay.

Section 45. An unworked holiday, even though paid for under the terms of this Article, shall not be counted as a day worked for the purpose of computing overtime pay in a holiday workweek.

Section 46. Premium Pay for Holiday Work. For employees hired on or before March 26, 2005, when a holiday is worked, the employee shall be paid one and one-half (1-1/2) times his/her normal hourly rate of

pay, in addition to the holiday pay provided herein. For employees hired on or after March 27, 2005, when a holiday (as defined above for such employee) is worked, the employee shall be paid one dollar (\$1.00) per hour worked **except that such employees will be paid one and one-half (1½) times his/her normal hourly rate of pay for hours worked on Christmas.**

Section 47. Holiday Scheduling. No later than the second Wednesday prior to the beginning of the week in which a holiday observed hereunder occurs (exclusive of personal holidays), the Employer shall post in each store a holiday volunteer work list. An employee desirous of working the upcoming holiday, in the job assignment which he normally performs, shall sign such list no later than the Tuesday prior to the holiday week. Signing of another employee's name on such list shall be cause for disciplinary action.

The Employer will not reschedule the hours of work in the workweek immediately prior to the workweek in which the holidays occur in order to defeat the purpose of this Agreement.

The Employer will select the necessary employees from this list in accordance with seniority and ability, within each store and department and provided the employee normally performs the work required. Should the Employer not be able to staff his schedule requirements through this procedure, qualified employees shall be assigned the remaining available schedules by reverse seniority and ability within their respective classifications within each department and store. Nothing herein shall be construed to require pay for time not worked.

ARTICLE 17 VACATIONS

Section 48. All regular full-time employees, and all part-time employees, who were hired on or before March 26, 2005 and who have worked eight hundred thirty-two (832) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after two (2) years' service, three (3) weeks' paid vacation after five (5) years' continuous service, four (4) weeks' paid vacation after twelve (12) years' continuous service and five (5) weeks' paid vacation after twenty (20) years continuous service.

All regular full-time employees, and all part-time employees, who were hired on or after March 27, 2005 and who have worked one thousand forty (1,040) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after three (3) years' service, and three (3) weeks' paid vacation after eight (8) years' continuous service, and four (4) weeks' paid vacation after twelve (12) years' continuous service.

Such vacation shall be paid at straight-time rates. The number of hours for which such employees shall be paid for a vacation week shall be the average number of weekly hours worked during the twelve (12) months immediately preceding the employee's anniversary date of employment, not to exceed 40 hours pay for each week of vacation. Hours paid for vacations, holidays and sick leave shall be considered as hours worked for the purpose of computing vacation amounts.

Any employee who has two (2) or fewer weeks of vacation per year pursuant to this Agreement shall be entitled to take up to one (1) week of vacation, without pay (and such time will not be considered as time worked), upon the employee's request. The scheduling of such unpaid vacation shall be subject to the normal vacation scheduling provisions of this Article.

BARGAINING NOTE: It is understood that for any employees who elect to take an unpaid vacation, this unpaid time does not count as time towards any of the benefits provided under this Agreement (such as, but not limited to, pension contributions, health and welfare contributions, etc.).

Section 49. Effective January 1, 1991, the Employer will convert the employees' weekly vacation allotment to a daily vacation allotment by multiplying the number of weeks of vacation due by 5. The hours paid for each day of vacation will be based on the average weekly hours of vacation, as calculated in Section 48, divided by 5. Employees may be allowed to take vacation one day at a time, subject to approval by the Employer and based on the following requirements:

1. Daily vacation may not be scheduled through the annual sign-up procedure.
2. Daily vacation must be requested of the store manager in writing by Tuesday prior to the posting of the schedule for the week in which time off is requested.
3. Employees may not receive more than five days vacation pay in any calendar week.
4. Not more than one (1) week (five (5) days) may be taken one day at a time per anniversary year.
5. Weekly vacation requests shall take preference over daily vacation requests.
6. The Employer shall submit daily vacation time to payroll the week it is taken, and the Employer shall make a bona fide attempt to pay the employee the following week. However, in no event shall it be more than two (2) weeks from the date of the request.

If one of the holidays listed elsewhere herein falls during an employee's vacation, the employee shall receive an extra day of vacation pay because of it. In the event a regular employee covered by this Agreement voluntarily quits or is discharged such employee shall be paid pro rata vacation pay earned up to the time the employment relationship is severed.

Section 50. **An employee who has earned vacation on the basis of having completed an anniversary year shall receive pay during the workweek immediately preceding the employee's vacation, provided the employee has requested such in writing at least two weeks in advance of his vacation.** In the event employees have their vacation pre-approved at least two (2) weeks in advance of their vacation and the employee's vacation check is not made available in accordance with the contract, a cash advancement, which approximates the net amount owed, shall be given to the employee at the store, provided the employee signs the cash advance voucher. The Company shall recoup the advancement from the employee's vacation check.

Accrued and unused vacation shall roll over from anniversary year to anniversary year. Each employee who carries over two (2) or more weeks of vacation from one calendar year to the next, may make an irrevocable election in December to take one week of vacation as vacation pay in lieu of time off in the subsequent calendar year. Such vacation pay in lieu of time off shall be paid out by January 31 of the calendar year after the election is made. Employees' earned vacation banks are capped at two times their annual accrual. If the accrual cap is reached, accrual will stop until the earned vacation bank falls back below the cap, at which point accrual will begin again.

Bargaining note: It is understood that the provisions of this Section in no way modify the vacation scheduling language contained within this Agreement.

Section 51. Scheduling of Vacations. The Employer retains the right to determine the number of employees who may be on vacation at any given time. However, in no event shall it be less than two (2) persons per retail bargaining unit and one (1) person per meat bargaining unit, except for any week of and the week before a holiday covered under this contract as well as Mother's Day and Valentine's Day, when the Employer may limit the number of people on vacation to no less than one (1) per bargaining unit. The Employer will not block out any week(s) during the year and the Employer agrees that it will permit the maximum number of employee vacations each week, consistent with the staffing levels in the vacation relief/floater pool and business volume. If a dispute develops between employees as to vacation preference, seniority shall govern within the department, the classification and store. Any vacation weeks that become available after the posting of such roster shall be offered by seniority within the classification and store.

The Employer will post a notice December 1 of the prior calendar year, and the employees will sign the roster as to their choice of vacation. This list will remain posted for selection until January 31 of each calendar year.

Any employee who fails to sign such roster prior to January 31, will be permitted to take vacation at a time that will not interfere with the other employees' established vacation period(s).

Vacation calendar period commences on March 1 of each year to the last day of February the following year.

When the vacation dates have been established, they will not be changed unless mutually agreeable between the employee and the Employer.

Notwithstanding the above, employees who voluntarily transfer to another store or department after their vacation has been selected are subject to having their vacation rescheduled.

On a basis agreeable to both the Employer and employee, employees shall be allowed to schedule vacations from mid-week to mid-week. For purposes of this provision, mid-week shall be defined as a vacation starting and stopping on Tuesday, Wednesday or Thursday. An employee shall be considered to have met the minimum scheduling requirements of this Article if the total of the hours worked and paid for vacation (and unworked holiday if applicable) for the two workweeks involved is equal to eighty (80) for a full-time employee, forty (40) or more for a part-time employee.

ARTICLE 18 SCHEDULE POSTING

Section 52. The Head Meat Cutter will post the work schedule in ink for the following week in each market not later than 9:00 a.m. on Friday. This schedule shall include the employee's first initial and last name. This work schedule will not be changed by Management for that particular workweek except where the change is predicated on circumstances beyond the control of Management such as, but not limited to, sickness, injury, wide fluctuations in volume, Acts of God. Such up to date work schedules are to be posted weekly. This clause shall not be construed as preventing Management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule or from bringing in additional employees where it appears advisable in the opinion of Management. Once schedule is finalized, store steward shall be given a copy.

Any changes in the work schedule will be reflected on the posted schedule at the time the change is made.

The Employer shall designate the starting time for employees. The employee shall be dressed and ready to go to work at this starting time.

The Company will use its best efforts to give employees at least **two (2)** hours notice if an employee is required to work beyond the end of their scheduled shift. **No employee shall be subject to discipline for failure to remain at work beyond the end of his or her scheduled shift.**

Section 53. Regular full-time employees called in on their scheduled day off shall not have the balance of their scheduled workweek altered as a result of such call-in.

**ARTICLE 19
REPORTING PAY/MINIMUM DAILY SCHEDULE**

Section 54. An employee called in or scheduled for work shall be guaranteed four (4) hours of pay at the applicable rate, with the understanding that an employee may be called in or scheduled for less than four (4) hours if he is unavailable for the full four (4) hours.

**ARTICLE 20
MINIMUM WEEKLY SCHEDULE**

Section 55. No regular employee shall be scheduled for less than twenty (20) hours in a workweek, if the employee is available.

**ARTICLE 21
TIME CARDS/NO FREE WORK/PAY DAY**

Section 56. Employees shall be required to punch the time clock immediately before beginning work and immediately upon ending work. No employee shall have the right to punch for another employee. Employees shall not be disciplined for any time entry errors caused by equipment or software malfunctions.

When an employee fails to punch the time clock or the time clock is unavailable, time exception forms shall be filled in and signed by both the employee and the Manager.

Any employee punching the time clock for another employee or completing the time exception form for another employee shall be subject to immediate discipline up to and including termination.

The Employer shall zero out all missed clocking occurrences accrued by employees, as of the date of ratification of this agreement.

Section 57. Employees shall receive their pay each week. In case of discharge from employment of any employee, upon request, the final paycheck will be made available within seventy-two (72) hours after the discharge.

**ARTICLE 22
SPLIT SHIFTS**

Section 58. There shall be no daily split shifts.

**ARTICLE 23
STORE MEETINGS**

Section 59. All time spent by an employee actually attending any store meeting where his attendance is required by the Employer shall be counted as time worked with a minimum of two (2) hours at the applicable rate of pay when an employee is called back for such a meeting. In the event the employee is required to attend more than four (4) meetings per calendar year, the call-in provision of Article 19, Section 54 shall apply.

**ARTICLE 24
LUNCH BREAKS**

Section 60. Lunch Periods. Each employee who is scheduled to work in the excess of five (5) hours in a day shall receive, on his own time, a one (1) hour lunch period, or, upon mutual agreement between the employee and the Employer, a one-half (1/2) hour lunch period at approximately the middle of his workday.

Individual employee's change of lunch period from one (1) hour to one-half (1/2) hour, or vice versa, shall occur only at the beginning of a new work schedule.

Employee's scheduled lunch periods will be set forth on the schedule, but the parties recognize it may be necessary to alter the lunch period schedule due to the needs of the business.

**ARTICLE 25
RELIEF PERIODS**

Section 61. **The Employer will give employees a relief period of fifteen (15) uninterrupted minutes for each four (4) hour period worked, as near as practical to the middle of the four (4) hours. Notwithstanding the above, any employee whose work shift is more than six (6) hours shall receive at least two (2) rest periods.**

When an employee is required to work more than ten (10) hours in a day, he shall be entitled to a third relief period.

**ARTICLE 26
PROBATIONARY PERIOD**

Section 62. New employees shall be on probation for a period of sixty (60) calendar days, during which time they may be discharged by the Employer for any reason whatsoever, and during this probationary period, they shall not acquire any seniority status. If an employee is retained in the employ of the Employer after said sixty (60) calendar days, his seniority shall then date back to the first (1st) day of said sixty (60) calendar day probationary period.

This probationary period may be extended an additional thirty (30) calendar days by mutual agreement between the Employer, Employee and the Union.

ARTICLE 27 SENIORITY

Section 63. Length of continuous service in the employ of the Employer shall govern in layoffs and rehires within a particular classification in the bargaining unit as described in Article 1, Section 1, whenever the ability of the employees involved is substantially equal. Employees will retain full seniority when they go from the retail clerks bargaining unit to the meat cutters bargaining unit.

Section 64. Where the Employer cannot fulfill its schedule needs from within the bargaining unit due to employees being on vacation, leave of absence, and/or in ski areas (Frisco, Vail and Steamboat Springs) during ski season and the Employer elects to use persons from outside the bargaining unit, the Employer will post a voluntary work list advising employees in other bargaining units of the opportunity to transfer into the affected bargaining unit on a temporary basis, up to ninety (90) days. The Employer will then select employees, by seniority, within the classifications needed and implement the temporary transfer. During this period, the employee(s) who is working outside their respective bargaining unit shall maintain their seniority and shall have all their seniority rights when they return to their respective bargaining unit.

Section 65. Termination of Seniority.

Seniority shall terminate for any of the following reasons:

- a. Voluntary quitting.
- b. Overstaying a granted leave of absence or vacation.
 - c. Failure to report for work upon recall after a layoff within five (5) days after mailing of recall notice sent by registered letter to the last address furnished in writing to the Employer by the employee.
- d. Discharge for just cause.
 - e. Continuous layoff for a period in excess of twelve (12) months.

Section 66. Seniority Lists. Bargaining unit seniority lists shall be provided to the Union not less than two (2) occasions during the calendar year, upon request by the Union.

Section 67. Definition of Full-Time Employee. A regular full-time employee is defined as an employee who has been hired as such or works forty (40) or more hours per week for at least four (4) consecutive weeks, in his home store, except for assignment to a forty (40) hour per week schedule as a result of the employee receiving any hours caused by other employees' absence for any reason. Scheduled hours of work voluntarily vacated by an employee (such as trading of hours) shall not be used for purposes of advancing an employee to full-time status. An employee who fails to maintain full-time status as a result of working less than forty (40) hours per week for reasons other than absence due to an approved leave of absence, or a reduced schedule resulting from an on-the-job injury for twelve (12) consecutive weeks shall be designated as a part-time employee.

BARGAINING NOTE: It is understood that for purposes of this provision, the definition of “absence” shall include such things as absence from work due to vacation, holiday, vacated shift, unexcused absence, funeral leave, jury duty, leave of absence and illness.

Look Back. Within ninety (90) days of ratification, the Employer will agree to review by store, in the trailing fifty-two (52) week period, ending December 31, 2021, to identify any part-time employee who during that period, worked, at straight-time plus vacation, a total of 2080 or more hours and post for seventy-two (72) hours, in the store where such employee worked the hours, the full-time opening(s)

and to advance the most senior qualified employee who signs the posting to such position, or if no one signs the posting, to make the employee who worked the hours full time. The Employer agrees to an additional lookback at the beginning of year two (2) and year three (3) of the contract under the same terms. The Union agrees not to file any “4 at 40” grievances in the bargaining unit styled as Union All Affected during the life of the contract.

Section 68. Voluntary Reduction to Part-Time. A full time employee, who has requested and has been assigned a part-time schedule, shall immediately be classified as part-time.

Section 69. Promotions, Lateral Transfers, and Assignment to Full-Time. The Employer agrees to make promotions and lateral transfers to non-management classifications and full-time status to the most senior qualified employee as provided herein. Management will post a list of openings on the Career Opportunities on MyACI and within the store where the opening exists for seventy-two (72) hours and said posting shall list the date and time the notice is posted. Employees may sign the posting and be considered for promotion. Upon completion of the seventy-two (72) hour period, management shall record the time it removed the posting and maintain a record of the posting for a period of no less than thirty (30) days. The Company shall offer the promotion/lateral transfer/full-time to the senior qualified employee within both the bargaining unit within the store, and, if none, then to the senior qualified employee within the store, and, if none, to the senior qualified employee not within the store, but within the bargaining unit, prior to hiring off-the-street.

The Employer and Union agree to use the procedures described in this Section on a trial basis beginning thirty (30) days after ratification to determine its technical feasibility. The Union shall have the right at any time between January 1 and January 31, 2023, to give written notice to the Employer that the trial has been unsuccessful. If the Union gives such notice, the parties agree to meet and discuss modifications to the procedures herein. After such meeting, the Employer shall have at least six (6) months to improve the procedures. If, after such time, the Union still has a good faith belief that the trial period has been unsuccessful, it may provide written notice within one (1) month of the expiration of the six (6) month period. If that occurs, the Employer shall have one (1) month to revert to the procedures for promotion, lateral transfer, and promotion to full-time status previously contained in this Section prior to the modifications herein. The Employer agrees during this trial period to ensure employees can utilize computers in the stores to apply for promotions, lateral transfers, and assignment to full time. Further, the Employer agrees within thirty (30) days of ratification, to provide training to all employees on how to utilize the system.

The Employer shall not make assignments of full-time status to a probationary employee or to an employee on leave of absence.

The Union and the Company agree that all employees, that have transferred to the meat bargaining unit from the retail clerks bargaining unit for promotion or other purposes, shall have their seniority date of hire be retroactive to the first date of hire with the Company. This shall take affect May 9, 1993.

Section 70. (Denver Only) The written request shall set forth the classification or classifications the employee wishes to be promoted to and the store(s) that the employee would be willing to accept a promotion.

Section 71. The employee will be limited to signing up for three (3) positions they wish to be promoted to. If an employee is offered a position in a classification and declines that position, they will have their request for that position cancelled, however, they will remain on the list for the other two (2).

1. A promotion is an assignment to a classification which has a higher top rate than the classification being vacated.
2. (a) Whenever the promotion request list is exhausted, and the need arises for any position other than entry level positions, the Company shall post the job within the store for at least a seven (7) day period.
 - (b) The posting shall be posted from Wednesday to Wednesday of each week, and the Company shall maintain the same for at least thirty (30) days after the job is awarded.
 - (c) The job shall be given to the most senior qualified employee who has signed the list in the store.
 - (d) In the event the position is not filled through the foregoing procedure, the Employer retains the right to hire employees off the street.

Section 72. Probationary Period For Promotions. When any employee is promoted to a higher classification, he shall be on probation for a period of thirty (30) days. An employee disqualified during the probationary period shall be returned to his old classification.

Section 73. Demotion for Just Cause. Except under the layoff provisions, no employee shall be demoted from a higher classification within the bargaining unit without just cause, which includes business need.

A Delicatessen Manager who is being demoted (voluntarily or involuntarily) shall have the option of accepting a Delicatessen Clerk position, or in the case where the Delicatessen Manager previously was a Journeyman Meat Cutter for that Employer, may return to the Meat Department to preserve his rate of pay. Any employee, as of May 1, 1980, who has been demoted and has not had his pay reduced, shall be red circled during the term of this Agreement. A Journeyman Meat Cutter shall not be forced to accept a Delicatessen Manager position which pays a lesser hourly rate of pay than the Journeyman Meat Cutter Rate.

Section 74. Nothing herein shall be construed to prohibit the Employer from hiring into a Journeyman or top rate position should the Employer deem it necessary.

Section 75. Sister Company Credit. When an employee transfers into the bargaining unit from any [Albertson's] store in Colorado or Wyoming, the Company shall honor the employee's most recent hire date with Albertson's and/or Safeway for all purposes except scheduling, layoffs, vacation bidding, department bidding, full-time status, promotions, and overtime. Specifically, eligibility for health care benefits shall be from the employee's most recent hire date with Albertson's and/or Safeway.

BARGAINING NOTE: For purposes of this provision, the phrase "most recent hire date with Albertson's and/or Safeway" means the most recent date of continuous employment with either banner.

Section 76. In the event an employee transfers from one area in the State of Colorado to a bargaining unit in the State of Colorado in the jurisdiction of Local 634 (now Local 7), then all continuous employment seniority with the Company shall be recognized by both the Union and the Company after thirty (30) days in the bargaining unit to which the employee transfers. In the event the transferred employee is laid off in the new location, then the transferred employee shall retain the right to return to the area from which the employee transferred during this thirty (30) day period in the new bargaining unit.

It is agreed that this provision shall become effective on January 10, 1978, and shall not be retroactive for employees who have previously transferred into a new bargaining unit.

ARTICLE 28 AVAILABLE HOURS

Section 77. The scheduling of part-time employees or full-time employees working reduced hours shall be by seniority within their department and store schedules up to eight (8) hours per day or forty (40) hours per week. The Employer shall maximize the straight-time daily and weekly work schedules (including Sunday) of each employee based on the hours as determined and scheduled by management. The only exception to this would be when a more senior part-time employee has requested to work less hours than their seniority entitles them. This request must be submitted to the department manager in writing.

Section 78. Under this procedure, a senior employee can claim hours of work, in his classification, for which he is qualified so long as such claim would not reduce any other employee's schedule below the daily or weekly minimum except to zero. If an employee is zeroed out, he or she shall have the right to exercise lay-off options. However, any bump to another store shall be delayed for one (1) week.

Section 79. The Employer agrees not to schedule two (2) part-time employees in the same classification back to back each day in their weekly schedules within an individual market or delicatessen where it is possible to combine their total posted weekly schedules so that one (1) full-time employee can be used.

FLOATERS. A "Floater" is a Wrapper who an Employer regularly assigns to work in more than one store.

No Employer shall have any obligation to use Floaters at any time. If an Employer elects to use floaters it shall be done in accordance with the following general principles:

1. When an Employer determines there are hours necessary to be scheduled for floaters, the seniority of floaters shall be honored, first in the weekly scheduling of floaters to the fewest number of stores as is practicable, and, secondly, in scheduling a floater the greatest number of hours (up to 40) in a week as is practicable.
2. The Employer may schedule floaters by district or by bargaining unit.
3. Any full-time Wrapper reduced to less than forty (40) hours for more than four (4) consecutive weeks in his store may notify his store manager of his request to be reassigned with his classification as a floater. If there are less senior full-time employees receiving forty (40) hours in floater assignments, the employee will be reassigned as a floater the following week. An employee who receives such reassignment waives his right to reassignment at his previous store, should more hours subsequently become available. Full-time floaters desiring non-floating assignments may request same in writing to the person designated by the Employer, and such assignments shall be made in seniority order when such opening occurs.

SCHEDULING BY DISTRICT: See Appendix "B". (Only Colorado Springs, Pueblo, Greeley and Longmont)

Section 80. Full-time scheduled vacancies shall be filled as defined elsewhere in this Agreement.

Section 81. Employees who have requested additional hours or full-time status, in writing, as set forth above, shall have until noon on the Saturday following posting of the schedule to take issue with that schedule or his right to take issue shall be waived. Should he raise such issue in timely fashion and should it not be resolved, it shall be subject to the grievance procedure set forth elsewhere in this Agreement. It shall be the responsibility of each employee to make himself aware of the schedule and any changes made therein.

Section 82. In the event of errors in the making of schedules, scheduling of additional hours or reductions in hours, the employee must call the error to the attention of management by noon Saturday following the posting of the schedule. Failure by the employee to point out the violation by noon Saturday will limit the remedy to scheduling the affected employee, on the next week's schedule, the number of hours lost. These hours shall not have any effect on the normal schedule for that week.

Section 83. Additional Hours. Additional hours are those created by increased schedules, terminations or transfers within the classification which the Employer deems necessary to fill.

Management shall post a weekly additional hours request list for their store/department. Employees interested in working additional hours must sign and designate the days they are interested in working additional hours on such list by midnight of the Saturday prior to the start of the applicable workweek.

When additional hours become available, management shall contact, in seniority order, employees who have requested to work on the day/shift indicated on the request list and offer them the hours. If the hours cannot be assigned to the employees requesting them, management may fill the hours at its discretion, including assigning those hours to employees who work in different Local 7 bargaining units within the same banner.

Prior to assigning hours to employees from outside the bargaining unit, employees in the home department/bargaining unit shall have priority in shift selections, if qualified. In the event available hours are being filled from outside the bargaining unit, the Company shall honor reasonable requests for training from employees within the bargaining unit who wish to claim such hours.

Nothing in this section shall be construed to require management to assign hours at overtime or to employees who have not made a request to work additional hours.

Bargaining Note: The intent of this provision is not to avoid assigning available hours to current department or bargaining unit employees or to avoid hiring for long term needs. Rather, the intent is to fill unexpected business needs.

The parties agree to meet at least every six (6) months to discuss issues which may arise from the implementation of this proposal.

Section 84. It is understood and agreed the Employer retains the right to require hours of work even though an employee has not requested additional hours.

Section 85. The Employer will send the Union a copy of the "full-time request" list, no later than March 1 and September 1 of each calendar year.

Section 86. The Employer may transfer a full-time employee from another store to fill a vacancy in lieu of advancing an employee to full-time status under this Article.

The Employer shall not make assignments of full-time status to a probationary employee or to an employee on leave of absence.

**ARTICLE 29
ROTATION OF SHIFTS**

Section 87. Each week, the Employer will alternate the schedules within a classification within each store after 6:00 p.m., so that such work may be evenly divided as far as it may be practical. The above shall not apply to employees who, of their own volition, want to work the hours after 6:00 p.m.

**ARTICLE 30
UNSCHEDULED OVERTIME**

Section 88. Unscheduled Overtime Hours. Daily overtime not previously scheduled shall be offered in seniority order within the department, the classification, and the store to the employees present when the need for overtime arises. Nothing herein shall be construed to require the scheduling of overtime when another employee's scheduled hours can be extended, or part-time employees may be called in without overtime penalty. Hours unclaimed under this procedure may be assigned in reverse order of seniority among those employees within the department within the classification within the store present when the need for overtime arises.

Section 89. Overtime assignments of four (4) hours or more may be filled by calling in employees, in seniority order, within the classification and the department on their non-scheduled day without violating this Section.

**ARTICLE 31
REDUCTION IN HOURS**

Section 90. Reduction in Hours. When a reduction in hours is necessary within the store, as opposed to a layoff in the workforce, hours will be reduced from employees in the affected classification who have not requested additional hours in writing as set forth elsewhere in this Agreement, before any reduction shall occur in the employee group which has requested additional hours.

Section 91. Reduction of Hours. Full-time Employees: Management shall not write a schedule of shifts that would result in a full-time employee being unable to work a forty (40) hour schedule (thirty-two (32) hours in a holiday week) unless the average scheduled hours (including hours scheduled and paid for vacation, unworked holiday, jury, sick and funeral pay) of all part-time employees within the classification and department is twenty-four (24) hours or less for the involved workweek. A full-time employee who is not scheduled a forty (40) hours schedule, shall in their second consecutive week of such reduced hours, be allowed to exercise his/her seniority to claim the schedule of the least senior full-time employee in the classification within the bargaining unit who is working a forty (40) hour schedule. It is understood that the employee may exercise his/her seniority to bump any time between the second and eleventh week of reduction. The employee whose schedule is claimed under this procedure shall immediately be assigned the schedule of the claiming employee, or be allowed to step-down to part-time status and displace the least senior part-time employee in their store.

The parties agree that no employee assigned as full-time on May 11, 1996, shall have his hours reduced to less than forty (40) hours as the result of this provision, unless all part-time employees in the classification have had their scheduled hours reduced to twenty-four (24) hours or less before any other full-time employee protected under this paragraph is reduced.

Full-time Employees - Competitive Openings: During the first sixty (60) days following a competitive opening, management may elect, in lieu of reducing hours as provided above, to layoff full-time employees to

maintain the same proportion of full-time employees to part-time employees the store averaged in the month prior to the competitive opening. In the event of a layoff, the displaced employee shall be given the following options:

- 1) Displace the least senior full-time employee in the bargaining unit, or
- 2) Step-down to part-time and displace the least senior part-time employee within the classification and store.

Employees displaced by the full-time reduction under this procedure shall be given their layoff options pursuant to the layoff language of this Agreement.

It is understood that the provisions of this Section shall only apply to those classifications impacted by a competitive opening.

ARTICLE 32 LAYOFFS

Section 92. Layoff Procedure. Journeymen and Apprentice Meat Cutters shall be considered one classification for the purpose of layoff.

Section 93. Seniority. Delicatessen Clerks and Department Managers will be considered as a separate group for the purpose of applying the Seniority provisions.

Seafood Clerks will be considered as a separate group for the purpose of applying the seniority provisions.

Section 94. When a reduction in the work force is necessary, as opposed to a reduction in hours, the following procedure shall be used:

1. A regular full-time employee being laid off may displace the shortest service regular full-time employee within his classification within the bargaining unit. The regular full-time employee so displaced may displace the shortest service part-time employee in the same classification in the bargaining unit. In the event there is no less senior employee performing work in the same classification, this displaced employee may displace the least senior employee in a lower classification in which he previously performed six (6) months of service in the classification for the Employer.
2. A part-time employee being laid off may displace the shortest service part-time employee within his classification within the bargaining unit.
3. Any employee with displacement rights under the procedures above shall be allowed to take a layoff in lieu of displacing any employee.
4. It is understood that, in any event, only a more senior employee can displace another employee under the procedure.

Laid off employees, and employees who accept a job in a lower classification in lieu of layoff, shall be recalled as needed, in order of seniority, to jobs they are qualified to perform. Employees recalled from layoff may refuse recall if the store being offered is more than ten (10) miles from their previous store (i.e., the employee will maintain recall rights). The Company shall provide employees with a form, at time of layoff, to

indicate their desires in this regard. It is understood that employees may change this election during a layoff. However, the changes and/or refusals shall be limited to two (2) per layoff. The Employer shall not hire a new employee or promote an existing employee into a position for which a laid off employee or employee who accepts a job in a lower classification is qualified and available to perform.

An employee accepting a layoff rather than accepting a job in a lower classification may inform the Employer in writing at the time of the layoff of his desire to be recalled to a lower classification which was not available at the time of his layoff, and such notification shall be honored when a vacancy occurs. Employees recalled from layoff may refuse recall if the store being offered is more than ten (10) miles from their previous store (i.e., the employee will maintain recall rights). The Company shall provide employees with a form, at time of layoff, to indicate their desires in this regard. It is understood that employees may change this election during a layoff. However, the changes and/or refusals shall be limited to two (2) per layoff. The notice shall specify the lower classification to which the employee desires recall. It is understood that any employee on layoff from the classification where the vacancy occurs shall have preferential rights to such vacancy.

Laid off employees shall be recalled as needed, in the order of seniority, to jobs in the classification from which they were laid off. The Employer shall not hire a new employee into a classification in which they are laid off employees at the time. The Employer shall offer recall to a job in the classification from which an employee was laid off prior to promoting another employee into that classification.

Whenever a full-time employee is laid off, in accordance with the collective bargaining agreement, and is recalled to a part-time schedule at a store different than the one the employee was laid off from, the following procedures will apply:

- a. The employee will be notified that he or she can accept the position, working reduced hours, or can stay on layoff until a full-time position within the bargaining unit is available. The employee will also be notified that if the employee remains on layoff for a period of nine (9) months or twelve (12) months, whichever is applicable, the employee's seniority will be terminated. The Company will have the employee sign a form acknowledging that he or she was informed of the same or will send a letter confirming this fact to the employee.
- b. If the employee accepts the part-time position, he or she will retain his or her full-time status unless he or she is scheduled and works less than forty (40) hours per week for twelve (12) consecutive weeks. If the employee works, or is scheduled forty (40) hours during any of the twelve (12) consecutive weeks, that employee will not have his or her hours reduced unless and until the Company has followed the reduction in hours provision of the contract. If an employee works or is scheduled forty (40) hours, the twelve (12) week period will start over. Further, if a forty (40) hour position becomes available, it will be offered, in seniority order, to full-time employees on layoff and full-time employees working reduced hours before a new employee is hired or an existing employee is granted full-time status.
- c. If an employee is reclassified as part-time, he or she will be immediately placed on the full-time request list, in accordance with his or her seniority, without regard to bid periods.
- d. The full-time employees working reduced hours shall be able to utilize the second (2nd) week bump as set forth in the collective bargaining agreement.
- e. Employees working reduced hours shall be able to maximize their hours in accordance with the applicable provisions of the collective bargaining agreement.

A full-time employee accepting recall to a part-time position shall immediately be reclassified to part-time status. Similarly, a part-time employee recalled to a full-time position shall be reclassified to full-time status.

Layoff Procedures, Colorado Springs retail clerks and meat bargaining units. Clarifies layoff procedures in Section 77 of the retail clerks contract and Section 94 of the retail meat contract for the Colorado Springs bargaining units. Signed by Bruce Trull, Safeway on 12/18/94 and Michael Belo, UFCW Local 7 on 11/23/94.

1. This agreement pertains to the implementation of layoff procedures in Section 94 of the retail meat contract and Section 77 of the retail clerks contract for the Colorado Springs bargaining units.
2. The purpose of this agreement is to ensure that to the greatest extent possible in circumstances when multiple layoffs are necessary, the Company will operate the layoff procedures in Section 94 (retail meat) and Section 77 (retail clerks) so that the least senior employees in the bargaining unit will be the employees who are laid off. Therefore, the Company will discontinue its current practice. Instead, the Company will complete the process of offering and having the employee choose the layoff options with the first affected employee before going to the second affected employee, then will complete the layoff options with the second affected employee before going to the next employee, and so forth.
3. Time limit for exercising options. When a reduction in the work force is necessary, the Company will notify the affected employee of his/her options in accordance with Section 94 of the retail meat contract of Section 77 of the retail clerks contract. If the affected person is notified of his/her layoff options before 11:00 a.m., the affected person must inform the Company's designated representative (the district secretary, store manager, or other person handling the matter for the Company) of his/her chosen option by no later than 4:00 p.m. on the same day. If the affected person is notified of his/her options after 11:00 a.m., the affected person must inform the Company's representative of the chosen option by 8:30 a.m. on the next day. These are outside time limits, and the affected person is free to inform the Company of which option he/she chooses sooner than these time limits.
4. Effect of not exercising option within time limits. If the affected person does not notify the Company of his/her chosen option within the time limits set forth above, the affected person will be deemed to have exercised the first option specified in Section 94 (retail meat) or Section 77 (retail clerks) that is available, assuming that the affected person qualifies for such option when the contract requires qualifications. For example, if a retail clerk employee does not notify the Company of his/her chosen option within the time limits, he/she will be deemed to have chosen the option in Section 77 of displacing a less senior employee within the same classification in the store or, if such option is unavailable, of displacing the least senior employee within the same classification in the bargaining unit.
5. The Company will implement this procedure as soon as possible. If either party wishes to discontinue this agreement, it may do so after it has given written notice of at least 30 days to the other party.
8. Floater Pool Letter of Understanding for Denver Metro dated April 25, 1989 signed by Gary L. Pickel for Safeway and Dwayne L. Adkins for UFCW Local No. 7. Deleted in the Last, Best and Final Offer to UFCW Local 7 dated June 24, 1996, except for the last paragraph.

From the date of this agreement, until the expiration date of the current collective bargaining agreement, the Company shall be allowed no more than fifteen (15) first cutters in the Denver

bargaining unit. The Company shall have the right to assign these employees to any store it may choose.

ARTICLE 33 TRANSFER FROM STORE TO STORE

Section 95. Transfers from Store to Store. Transfers from store to store shall not be made or denied for capricious, arbitrary or discriminatory reasons. Full-time employees desiring a transfer to another store within the bargaining unit, in order to be nearer their residence, may indicate their desire for transfer in writing to the person designated by the Employer. Such transfer requests will be considered at the time an opening occurs within their classification and status.

ARTICLE 34 NEW STORE LANGUAGE

Section 96. In the event of the opening of a new store within the bargaining unit (not a replacement of an existing store), the following procedure shall apply:

1. At least four (4) weeks prior to the opening of a new store, the Employer will post a sheet in each location for interested employees to sign if desirous of a transfer to the new location. The sheet shall remain posted for at least ten (10) days.
2. Job openings either at the new store or created by transferring employees at their former store shall first be filled by employees on layoff in the classification of the vacancy before any new employees are hired or current employees are promoted.
3. Employees who have signed the new store transfer request sheet shall be given consideration based on their qualifications and the requirements of the store. It is understood that the Employer may move employees from its own competitive stores which may be impacted by the new store opening before consideration of other employee desires.
4. In the event the Employer opens new stores within the geographical area of this Agreement, as set forth in Article 1, not less than sixty percent (60%) of the initial staffing of the new store shall be made by employees covered by this bargaining Agreement, if available.
5. If within the first eight weeks of operation of the new store the Employer determines that it needs to lay off employees from that store, said layoffs will take place in accordance with Article 32, except that employees who have transferred into the new store shall have the right to return to their prior store.

ARTICLE 35 LEAVES OF ABSENCE

Section 97. Sickness, Injury or Pregnancy. Leaves of absence shall be granted for up to eighteen (18) months without pay when an employee with three (3) months of continuous service is unable to work because of bona fide sickness, accident, disability, or pregnancy. However, in the event such an employee is unable to return to work at the end of eighteen (18) months of his leave period, he shall be entitled to an additional leave of six (6) months if he submits satisfactory medical evidence that he will be able to return to duties within his classification within the said additional period.

Section 98. Personal Leaves. Leaves of absence without pay for reasonable periods not to exceed thirty (30) days may be granted by the Employer to employees who have completed one (1) year of service for other reasons mutually agreed to between the Employer and the employee. The thirty (30) days period may be extended by an additional thirty (30) days by mutual agreement between the Employer and employee.

Section 99. Military Leave. All seniority granted employees under the terms of this Agreement shall be subject to the rights granted by law to the employees volunteering, called or conscripted for services in the Uniformed Services, as defined by USERRA or any applicable law, and any additions or amendments thereto, or rulings and interpretations thereof by any authorized court or agency. Eligible employees will be entitled to seniority, and all rights and benefits based on seniority, as provided by law.

Section 100. Leave of Absence for Care of Newborn or Adopted Child. For employees with one (1) year of continuous service in the bargaining unit, a Leave of Absence for either parent shall be granted without pay for a period of up to twelve (12) months for the purpose of Newborn or Adopted Child Care. The employee shall be guaranteed reinstatement in accordance with their seniority. An employee who wishes to change his or her date of return to work shall notify the Store Manager two (2) weeks in advance and shall be returned to work as set forth above. The Leave of Absence for either parent must end no later than twelve (12) months from the date of birth or date of adoption. The Employer may require verification of the parent relationship to the newborn or to the adopted child.

Section 101. Leave of Absence for Family Care. A family care leave, without pay, shall be granted, upon request by an employee for a total of up to six (6) consecutive months within a two (2) year period. The employee requesting the leave must have a minimum of one (1) year's continuous service in the bargaining unit at the time of the request. The employee shall be guaranteed reinstatement in accordance with their seniority at the end of their leave. Any employee who wishes to change his or her date to return to work shall notify the Store Manager two (2) weeks in advance of the date they intend to return. The purpose of this leave shall be to care for seriously ill family members. For the purpose of this leave, "family members" shall be:

1. Spouse and parents of the employee.
2. Biological or adopted unmarried children under nineteen (19) years of age and full-time students up to age 23.
3. A child of any age who is incapable of self-support.
4. Any relative residing in the employee's home and dependent upon the employee for care.

The employee shall be required to present satisfactory evidence of serious illness of the family member, the expected duration of the absence, and the reason for the employee's involvement.

Section 102. Union Leave of Absence. Subject to the legitimate needs of the business, leaves of absence without pay for Union business not to exceed six (6) months shall be granted by the Employer to employees who have completed one (1) year of service, provided the request is made at least three (3) weeks in advance of the beginning of the leave and another employee in the same store is not already on a Union leave of absence or scheduled to be on a Union leave concurrent with any portion of the period of the requested leave. The six (6) months shall be extended by an additional six (6) months upon request by the Union. The Company shall not unreasonably deny such request.

In the event a specific request cannot be granted, the Union may contact the Company's Director of Labor Relations for discussion of possible alternatives.

Section 103. Request for Leave of Absence. All leaves of absence must be requested in writing to the Store Manager unless the employee is physically disabled to the extent that such advance request is not possible and shall state: (1) the reason, (2) date leave is to begin, and (3) expected date of return to work. Leaves of absence shall be granted in writing in advance and a copy shall be given to the employee.

Section 104. Returning from Leave of Absence. The employee must be qualified to resume his regular duties upon return to work from an approved leave of absence. A doctor's certificate verifying that the employee is able to resume his normal duties may be required. The employee shall be returned to the job previously held, or to a job comparable with regard to rate of pay no later than on the first (1st) weekly schedule, made up after the department designated by the Employer has received notice in writing of the employee's availability provided the Employer received such notice no later than Wednesday immediately prior to the Friday scheduling.

ARTICLE 36 BEREAVEMENT LEAVE

Section 105. Upon request, an employee covered by this Agreement shall be granted the necessary time off with pay at his regular straight-time rate of pay in order to make arrangements for and/or attend a funeral occasioned by a death in his immediate family. Such time off with pay shall in no event exceed three (3) regularly scheduled working days. The immediate family is defined as the employee's father, mother, step-parents, grandparents, grandchildren, spouse, common-law spouse, an individual in a civil union with that employee if recognized by State law, children, step-child, brother, sister; and father, mother, brother and sister of the then existing spouse. Payments shall not be made hereunder where the relative's death occurs while the employee is on vacation or on a leave of absence.

Additional time, without pay, shall be granted as is needed by the employee up to seven (7) days for the above defined immediate family as well as for aunts, uncles, nieces, nephews, step-brother, step-sisters, co-parents, fiancés/fiancées and grandparent of the then existing spouse.

Bargaining Note: For unique circumstances, the Company and the Union will meet to discuss any additional needs for leave under this section.

Section 106. If an employee is notified of the death of his spouse, parent, child or grandchild while at work, he shall be granted the remainder of the day off and paid for scheduled work hours that day. This shall not be counted as part of the above three (3) days. The Employer may require satisfactory evidence confirming the relationship to the deceased person.

Section 107. No schedule shall be changed for the purpose of making the employee's day off replace a day that would otherwise have been paid for under these provisions.

ARTICLE 37 JURY DUTY

Section 108. Whenever any employee covered by this Agreement is required to serve on a petit jury during his regular working hours, the Employer agrees to pay such employee the difference between what he is paid for serving on the jury and what he would have received from the Employer in straight-time pay had said jury duty not prevented him from being at work. On any scheduled work day, the employee shall promptly report to complete any remaining hours of his scheduled work day; provided, no employee shall be required to so report for work on any day on which he has served and been compensated by the court for at least eight (8) hours' jury duty, nor shall any employee who reports back to work under this Section be required to work more than ten (10)

hours, less the number of hours for which he served and was compensated for jury duty by the court on that day. The Employer may require a statement from the court certifying attendance.

Section 109. When the Employer requests an employee to appear in court, he shall be compensated at his regular straight-time hourly rate of pay for such time.

ARTICLE 38 SICK LEAVE

Section 110.

The parties agree that Sick Leave shall be administered as follows:

- 1. All employees employed as of 1/1/2021 shall be entitled to carry forward any accrued and unused sick leave balance as of the close of business on that date.**

 - b. Employees shall be entitled to use sick leave for the employee’s (or a family member’s) own mental or physical illness, injury or health condition, to**

obtain a diagnosis, care for, or treatment of the employee's (or a family member's) own mental or physical illness, injury or health condition, or to obtain preventative medical care (for the employee or a family member). For purposes of this provision a "family member" is a person who is related by blood, marriage, civil union, or adoption, and such other individuals set forth in C.R.S. § 8-13-402(6). In addition, sick leave may be used for any other purpose permitted by the Healthy Family and Workplaces Act ("the Act"), C.R.S. § 8-13-402(6), including SAFE leave.

c. For all employees, paid sick leave shall commence with the first day of absence. Notwithstanding other requirements to use personal holidays or unused and accrued vacation, there shall be no management discretion to deny pay for such absence, except that a doctor's certificate or other authoritative verification of illness may be required by the Employer. In order to use personal holidays and/or vacation pay for a sick absence, the employee must provide at least two (2) hours' notice prior to the start of such employee's scheduled shift.

Section 112. Safe Leave: The parties recognize that, in accordance with Colorado law, employees may request and take up to three working days of leave from work in any twelve-month period if the employee is the victim of domestic abuse, stalking, sexual assault or the victim of any other crime. In accordance with law, the employee must give reasonable notice to his or her department manager, when possible.

In addition to the requirements of the law, the Company agrees to allow employees, upon their request, to use any available sick time, vacation or personal holidays for work time missed during such leave.

ARTICLE 39 SAFETY

Section 113. The Company and Union agree that the Employer is responsible for maintaining a sound safety program and its employees are responsible for adhering to the safety program by working safely, being continually alert so they may prevent injury to themselves, fellow employees, and our customers. Employees are responsible for reporting any safety hazards immediately to store management so that they may be addressed in accord with the Company safety program.

The Company further agrees to maintain records of all such training, for each

employee, and such records shall be made available within a reasonable amount of time with written request by the Union.

- No employee shall operate, be permitted to operate, or directed to operate a Powered Industrial Truck (PIT) prior to completion of training in PIT operation. The Company shall be responsible to track the expiration date of their PIT training for re-certification. Without required PIT training, employees may only operate hand jacks.
- No employee shall operate, be permitted to operate, or directed to operate a cardboard baler prior to completion of training in baler operation.
- No employee shall operate, be permitted to operate, or be directed to operate a trash compactor prior to completion of training in compactor operation.

Nothing in this section shall be construed to limit or replace any rights or remedies available to employees under Workers Compensation or other applicable law or regulation. Employees shall report all injuries immediately and complete the required reporting procedures paperwork required of them by store management.

Section 116. The President of the Union, or a designee, shall have the right to visit any of the Company's covered places of business in order to ensure a safe work environment in accordance with Article 48 Section 142 of the meat agreement. The President of the Union, or a designee, shall follow all applicable health and safety regulations, including but not limited to hair restraints, attire, personal belongings and beverages/food throughout the store.

Section 117. The Employer agrees that each store will have a Safety Committee that can be made up of managerial and non-managerial employees from the store. The Safety Committee will meet at least once a month. The store Director may designate one employee per store to act as a Safety champion. The Company will encourage the safety Champion to attend the monthly safety meeting with all Safety Committee members.

Section 118. Master Safety Committee. The Employer and the Union will jointly set up a Master Safety Committee, made up of two (2) members from the Union and two (2) members from the Company, to discuss and work toward resolving safety issues in the workplace.

The Master Safety committee will meet periodically, and no less frequently than once per quarter, to review workplace safety matters. The parties will discuss and work toward resolving safety in the workplace.

In addition, the Company and the Union agree that they will continue to discuss and jointly address safety related issues and/or questions about the Company's safety program in good faith.

Section 119. Employer Workplace and Emergency Procedures. If a federal, state, or local government declares a state of emergency, this emergency provision shall apply.

Changes in policy, process, or working conditions. The Company will communicate to the Union changes in policy, procedures, and working conditions taken in response to the emergency. The parties recognize that emergencies are dynamic in nature and often decisions are fluid and fast changing. The Company will make its best effort to keep the Union advised of these changes. If any change in working conditions is contrary to any express provisions of the labor agreement, the Company will not make such change without mutual agreement with the union.

Employee Leave. If any employee is unable to perform work due to the nature of the emergency, the Company and the Union will meet and discuss in good faith the proper application of the leave of absence provisions provided by Article 32 of this Agreement and/or any additional leave that the parties may mutually agree to provide.

Layoffs. Any layoffs (or recall of employees) as a direct result of the emergency shall be in accordance with the seniority provisions of Articles 27 and 29 of the Agreement. The Company and the Union may mutually agree to modify or extend various terms (e.g., the parties may agree to extend the period of time an employee may be on layoff without losing seniority).

Dangerous Emergencies. The Employer will develop procedures that workers should follow to protect themselves and co-workers during dangerous emergencies. These procedures may include: (i) where workers should go to protect themselves, (ii) evacuation plans, (iii) what workers should do, and (iv) how prompt first aid and emergency medical treatment will be administered to injured workers. The procedures will also discuss signs that may indicate that a dangerous emergency may occur (such as threats, social media posts or assaults), and encourage workers, customers and others to report these matters to a manager or security guard, if applicable. The Employer will update the training as new procedures to protect workers against dangerous emergencies develop.

The Company may consider training all workers on the dangerous emergency procedures, including how to recognize a potentially dangerous emergency and, where appropriate, how to de-escalate dangerous emergencies that are reasonably capable of de-escalation. Expert professional trainers will conduct or facilitate all trainings. New hires will undergo this training within the first thirty (30) days of employment.

During a dangerous emergency the Employer agrees that employees do not bear any responsibility to protect any merchandise. Employees should protect themselves and, to the extent safely and reasonably possible, co-workers/customers. The Employer acknowledges that employees have a right to defend themselves if there are no other options to avoid the dangerous situation. The Employer agrees to notify the President of the Union, or his or her designee, immediately upon learning of a dangerous emergency.

Section 120. Pandemic Safety Measures. In the event of a novel pandemic or epidemic affecting one or more of the stores, the Employer agrees to meet and bargain with the Union concerning the effects thereof within fourteen (14) days following a written request by the Union. The Employer further agrees to follow applicable CDC, NIOSH, or OSHA guidelines and any state and federal mandates concerning the pandemic or epidemic. The Employer agrees that employees shall have access to hand sanitizer and other appropriate sanitation products.

The Employer agrees that it shall train managers, supervisors, and employees on applicable safety measures.

Section 121. Vaccine Mandate. In the event the Employer determines it intends to implement a vaccine mandate, the Employer agrees to meet with the Union and bargain effects of the mandate as far in advance of the mandate's effective date as possible, but not less than two (2) weeks in advance of the mandate's effective date.

Section 122. Customer Theft. The Employer agrees that it shall provide training to employees at the time of onboarding, and not less than annually, concerning company policies with respect to interacting with shoplifters.

**ARTICLE 40

In no case shall the Employer's obligation exceed eight (8) hours, and there shall be no payment for any overtime hours missed because of the injury.

**ARTICLE 41
CHILD CARE DISCOUNT PROGRAMS**

Section 124. Safeway Inc. agrees to participate with United Food and Commercial Workers, Local No. 7 on discount programs established with local child care facilities.

**ARTICLE 42

Prescription, Vision and Life Insurance)**

Section 126. Trust Fund. The Rocky Mountain UFCW Unions and Employers Health Benefit Trust ("Health Benefit Trust") is a trust fund jointly administered by an equal number of Trustees representing the Employer and the Union. All contributions provided for in this Article will be paid into the Health Benefit Trust. The Trust Fund is to be jointly administered by an equal number of Trustees representing the Employer and the Union. There shall be three (3) Plans of benefits, Plan A, Plan B and Plan C with contributions as provided herein. As a condition of receiving the contributions provided above, the Trustees of the Plan will:

1. Establish Plan(s) of benefits, which can be supported by the contributions provided in this Agreement, and
2. Maintain the Trust in a fully funded status as provided herein and in the Trust Agreement.

The Trustees shall establish a separate accounting of income and expenses for participants of the Fund who agree in their collective bargaining Agreements to a fixed contribution rate. The Trustees are expressly prohibited from using the contributions of the Employer's contributing on fixed contribution rate basis to pay benefits for participants of other employers who have not adopted these fixed contributions.

Employer Contributions and Benefit Levels - The Employer agrees to contribute the following amounts per month for each eligible employee.

	Current	January 2022 hours payable in February 2022	January 2023 hours payable in February 2023 "Up to"	January 2024 hours payable in February 2024 "Up to"
Plan A Hired Before 3/5/2005	\$ 988.78	\$ 1,030.31	\$ 1,081.82	\$ 1,135.92
Plan A Hired After 3/5/2005	\$ 850.59	\$ 886.31	\$ 930.63	\$ 977.16
Plan B Hired Before 3/5/2005	\$ 791.01	\$ 824.23	\$ 865.44	\$ 908.72

Plan C Hired After 3/5/2005	\$ 428.68	\$ 446.68	\$ 469.02	\$ 492.47

The "up to" rates for **2023 and 2024** will be determined as following:

1. Using the latest financial data available **each September (or most recently available data in preparation for the December fund meeting)**, co-consultants will develop a forecast through 12/31/2024.
2. In preparing the forecast, the below trend rates will be used.
3. If the forecast projects an ending balance at 12/31/2024 that is below the target reserve level (average of 1.4 months of expense for the 12 months ending 12/31/2024, plus IBNR at 12/31/2024), then the employer contributions will be increased effective January **2023 and 2024** so that the ending reserve will be equal to the target reserve. **Any projected deficit in the ending balance shall first be corrected by increasing the 2023 employer contribution rates until such rates reach the "up to" levels for 2023.**
4. In no event will the increase in the employer contributions rates exceed **5.0% in 2023 or 2024**. In no event will the **"up to"** employer contribution rates be less than the **prior year's** employer contribution rate.
5. Co-consultants will work together to develop increases that are as close as possible. In the event co-consultants develop materially different estimates, the lowest increase will be implemented while Trustees resolve the differences between the two estimates of the co-consultants. Any arbitration concerning the differences between the two estimates shall be held not more than sixty (60) days following deadlock.

A discontinuation in coverage may be made within sixty (60) days of a special enrollment event as defined by the Plan. Administrative office will need to do semi-annual verification.

Employees must initially make a positive election to enroll in the Plan. Enrollment is for the entire plan of benefits for the Plan and an employee's failure to make an initial positive enrollment into the Plan shall result in such employee being ineligible for all benefits of the Plan for the remainder of the calendar year or until there has been a special enrollment event as provided in the Plan's Rules and Regulations, whichever occurs first.

The administrator of the fund will use the enrollment data in order to establish the eligibility of employees and their dependents for participation in plan coverage. None other than those employees contained on the enrollment report shall receive benefits from the Trust without the express authorization of the Trustees. The administrator will promptly notify the Trustees in writing of any instances where coverage has been provided to persons who are not included in the enrollment data, or where a claim for payment has been submitted by or on behalf of such person.

The Fund will audit its enrollment and claims records at least once within each 24 month period to ensure that no employees of the Employer, or the dependents of such employees, are participating in plan coverage for which they are not eligible and to ascertain that claims and other plan expenses are being paid in accordance with the Plan's provisions.

Initial Eligibility – Part-time employees hired before March 27, 2005 who on March 26, 2005 have met the initial eligibility requirement for benefits under the Trust will continue to be eligible for coverage provided the employee enrolls in the Plan beginning in 2005, and further provided the employee has made the required employee co-premium payment. Such employees shall continue to be eligible for Plan A if such employee was eligible for Plan A on March 26, 2005. Employee's who were eligible for and were participating in Plan B on March 26, 2005, shall participate in Plan B until such employee has been covered under such Plan B for 24 months. Thereafter, provided the employee continues to maintain eligibility, such employee and their eligible dependents may enroll and participate in Plan A.

Trust Plan Changes. The Trustees, at the earliest possible date but not later than June 1, 2005 shall revise the plan of benefits to include:

2. The Plan shall adopt a fee of one hundred dollars (\$100) per month for a spouse of a covered employee who is eligible to enroll in health coverage at their employer, but fails to do so, as a condition of enrollment in this Plan.
3. Adopt the long term funding policy contained herein.
4. The Parties agree to adopt true managed care approaches to providing mental/nervous and physical benefits under the Plan. The Plan Administrator should not perform such managed care.
5. The Parties will adopt cost control measures that will aid the Fund in managing costs within the contributions provided by the Employers and Participants to this Plan.

Effective January 1, 2010, the Trustees of the Plan shall be directed to adopt the following modifications to the active plan(s) of benefits:

2. Establish 24-hour nurse call-in line and/or medical decision support.
3. Develop a medical management program that targets high-risk participants with chronic diseases such as diabetes, obesity, asthma and cardiovascular disease. In order to encourage participant engagement in such programs and to enhance the goal of improving health status a series of incentives must be developed.

There is recognition that incentives may take various forms and will likely evolve and change over time based on program experience with a goal of maximizing program effectiveness and reducing health costs and medical trend. The initial focus will be a thorough educational campaign in connection with program roll out.

4. Establish free and/or reduced cost educational programs such as:
 - a. Weight management

Effective January 1, 2016, increase the disability benefit cap to three hundred dollars (\$300.00).

Effective January 1, 2022 the weekly disability benefit cap shall increase to four hundred (\$400.00) dollars. In addition, as soon as practicable, the Trustees are directed to explore options for more affordable stop loss coverage, and, if unavailable, discontinue the purchase of stop loss coverage.

Long Term Funding Policy

1. The parties recommend to the trustees that a Minimum Reserve Requirement be established equal to IBNR reserves plus a lag month reserve. The Fund consultants shall calculate the IBNR and lag month reserve requirement at least once every twelve months beginning on (date) and report these amounts to the Trustees at their next regularly scheduled meeting. Any withdrawing employer shall reimburse the Fund for their participants claims run off.
2. If the market value of the assets at any twelve-month review point is ever below the calculated IBNR level as calculated by the Fund consultants, then the Fund consultants shall prepare recommendations for benefit plan redesign and/or employee co-premium contributions such that the dollar amount of any such deficiency will be fully recovered by the end of the 12-month period beginning after the trustee meeting in which the deficiency is first projected.
3. No changes are permitted that would violate any contractual agreement between the Fund and any third party vendor.
4. If the Fund consultants cannot agree on a recommended plan of benefit redesign and/or employee co-premium contributions, and the Trustees cannot agree to a corrective action plan, by virtue of deadlock motions, then the trustees must act to adopt the recommended corrective action plan that has the least

adverse impact on plan participants, however, one set of Trustees may exercise the Fund's dispute resolution procedure on an expedited basis to determine if other corrective actions must be taken.

5. The minimum reserve target defined above is solely meant to be a "floor". It is not also a "ceiling". That is, no Trustee action is required or expected in the event that reserve levels are above the minimum reserve target.
6. The Long-Term Funding Policy provisions of this Article are suspended for the period of May 13, 2012 through and including September 12, 2015.

For Courtesy Clerks on the payroll as of the date of ratification, the Trustees shall be directed to apply the greater of the current benefit accrual for Courtesy Clerks or the provisions contained herein for each service year whichever is greater. The Courtesy Clerk accrual shall be equal to \$30.00 per month per year of service. Direct the Trustees to amend the Plan to modify plan eligibility for Courtesy Clerks to reflect eligibility with first hour worked effective January 1, 2016 on a prospective basis.

At the trust meeting set no more than six (6) months prior to the expiration of the 2015-2019 contract, the actuaries are to determine the contribution rate necessary to continue funding current benefits and to maintain

PPA green zone status for at least the next ten years. In the event the actuaries determine that a lower contribution rate is sufficient to continue current benefits, the Union and the Employers will share equally the excess funding. The Union may restore reduced benefit accruals and the Employers' contribution rate will be reduced in an equal manner and amount, based on actuarial equivalence. Nothing in this section should be construed as an agreement to increase the pension contribution rate above the agreed upon base set forth above.

Section 128. Employer Contributions. For all employees hired before March 6, 2005, covered by this Agreement, the Employer shall pay one dollar and five cents (\$1.05) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid) into the Denver Area Meatcutters UFCW Unions and Employers Pension Plan, which shall be jointly administered by the Union and the Employer by an equal number of trustees as provided in an agreement establishing such Pension Fund.

Delete the Pension Protection Act (PPA) section in the current Agreement. Effective November 30, 2015, the supplemental contribution contained therein shall cease. Effective December 1, 2015, the base pension contribution rate for all contracts shall be increased to \$1.25 per hour (based on preceding month hours). Effective December 1, 2015 (November hours), the base contribution rate shall be reduced to \$1.05 per hour. Such reduced contribution shall continue through the payment made in November 2018 (October hours). Effective December 1, 2018 (on November 2018 hours) the base contribution rate shall return to \$1.25.

Section 129. Long-Term Funding Policy. The parties agree to direct the Trustees of the Pension Plan to use their best effort to effect a merger with the Denver Area Meatcutters Pension Fund with the Rocky Mountain UFCW Union and Employers Pension Plan with the objective of accomplishing the merger on or about July 1, 2016, and give full authority to effectuate such merger to the Board of Trustees of the two pension plans without further approval of the parties of this Agreement .

Section 130. Said Pension Fund shall be used to provide benefit pensions for eligible employees of the Employer as provided in a Pension Plan, the terms and provisions of which are to be agreed upon by the parties hereto; said Pension Plan shall, among other things, provide that all benefits under the Plan and costs, charges and expenses of administering the Plan and all taxes levied or assessed upon or in respect of said Plan or Trust or any income there from shall be paid out of the Pension Fund.

Section 401, et seq. and that no part of such payments shall be included in the regular rate of pay of any employee.

Section 132. If, for any reason, the United States Treasury Department and the United States Department of Labor withholds approval and rulings satisfactory to the Employer, the parties to this Agreement hereto agree to negotiate other fringe benefits or wage increases in the amount equal to the cents per hour provided for in this Article for all hours worked at straight-time in lieu of payments into the Pension Fund.

Section 133. The Employer shall be represented by its employees, or some other representative on the Board of Trustees administering such Pension Plan. A copy of the Trust Agreement and any amendments thereto shall be made a part hereto as if herein at length set forth, when adopted.

Section 138. The Employer and the Union agree that each will fully comply with the applicable laws and regulations prohibiting discrimination against any employee, or applicant for employment, because of such person's race, religion, color, national origin, sex, physical disability, mental disability or age.

If requested and in accordance with applicable law, the company will refer to transgender and/or non-binary employees by the gender of the employee's choice. It is understood that the foregoing provision is not subject to the grievance/arbitration provisions of the labor contract.

Discrimination on the basis of physical or mental disability shall be deemed to include the failure to make or agree to reasonable accommodation to the known physical or mental impairments of an otherwise qualified individual with a disability.

Section 139. No employee who, because of his religion, has conscientious objections to working on his Sabbath, will be required to work his Sabbath as a condition of employment. If the rights of the employees under this paragraph operate in conflict with the seniority provisions contained elsewhere in this agreement, the right of seniority shall prevail.

The designated representative of the Employer must be advised in writing by the Union of the name of the Steward in the store before the employee will be recognized as a Steward.

Stewards shall not be bumped from their respective stores by employees exercising their second (2nd) or their eleventh (11th) week bump, unless the Steward chooses to do so.

Section 144. Where store operations are not adversely affected, the appointed Stewards will not be scheduled to work later than 6:00 p.m. on the night (not more than one (1) per month) of the regular Local Union Meeting, provided the Store Manager or Assistant Store Manager are notified by the Stewards by noon on the Wednesday of the week preceding the Union meeting.

Section 145. The Company agrees to adjust the Union Stewards' work schedule to allow them to attend an annual Union Stewards' conference.

Section 146. Employees Rights to Union Representation. When an employee is involved in a disciplinary interview where the probable result of such interview will be the imposition of disciplinary action, the employee may request union representation.

ARTICLE 50 DISPUTE PROCEDURE

Section 147. Should any dispute or complaint arise over the interpretation or application of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps, and failure to follow the procedures set forth below shall result in forfeiture of the grievance.

Section 148. Step 1. By conference during scheduled working hours between the Steward and/or the Union's Business Representative and/or the aggrieved employees and the designated Employer representative.

If the issuance of a verbal or written warning is grieved, the Union will notify the Employer of the same. If the grievant is disciplined further, or otherwise adversely affected, and the verbal or written warning is relied upon by the Employer in doing so, the Union shall have the right to submit the grievance protesting the warning to arbitration together with the grievance contesting the disciplinary or adverse action. It is expressly agreed that all such grievances will be consolidated. **It is further agreed that the Company will not progress verbal or written warnings after a period of twelve (12) months if not relied upon for further discipline during that period.**

Safeway's Store Managers and the Union Store Stewards shall be allowed to settle grievances at the store level with no precedent.

Section 149. Step 2. If the grievance cannot be satisfactorily resolved under Step 1 above, the grievance shall be reduced to writing and submitted to the representative designated by the Employer to handle such matters. Such submission shall be made within twenty (20) days of the date of the occurrence of the event which gives rise to the grievance and shall clearly set forth the issues and contentions of the aggrieved party or parties and must reasonably allege a specific violation of an express provision of this Agreement. (In case of a discharge the time limits shall be fourteen (14) days.) The Employer designee and the Union Business Representative shall meet within ten (10) days after receipt of written notice of the grievance and attempt to resolve the grievance. In the event the Employer designee assigned to handle grievances does not have an office in the area where the grievance arises, this meeting may be discussed by phone; furthermore, the time limits on this meeting may be postponed by mutual agreement of the parties.

In an instance where an employee feels he has not been paid in accordance with the wage progression scales set forth herein, such employee shall have an obligation to bring this to the attention of the Store Manager as soon as the employee first has knowledge of such alleged error. In the event the employee has been improperly paid, said payment error shall be corrected on a retroactive basis, but not beyond ninety (90) days prior to the date on which the grievance is presented in writing.

Section 150. Step 3. If the grievance is not satisfactorily adjusted in Step 2, either party may, with reasonable promptness, but in no event later than thirty (30) days from the date of the Step 2 meeting, in writing, request arbitration and the other party shall be obliged to proceed with arbitration in the manner hereinafter provided. The parties shall forthwith attempt to agree upon an impartial arbitrator.

Section 151. In the event the parties are unable to reach agreement upon the selection of an arbitrator within fifteen (15) days of the written request for arbitration, the party requesting arbitration may, with reasonable promptness, request a panel of five (5) arbitrators from the Federal Mediation and Conciliation Service. From this panel of five (5) names, each party shall alternately strike two (2) names, the moving party striking first. The remaining arbitrator from the list shall be the impartial arbitrator. A finding or award of the arbitrator shall be final and conclusive upon the parties hereto.

Section 152. The arbitrator shall have all the rights, power, and duties herein given, granted and imposed upon him; but his award shall not change, alter or modify any of the terms and conditions set forth in this Agreement. The expense of the impartial arbitrator shall be paid by the losing party. In the event neither party wins the total arbitration, the expenses shall be shared equally by the parties.

Section 153. The arbitrator will issue his decision within thirty (30) calendar days after the close of the proceedings. This thirty (30) day calendar time limit may be extended by mutual agreement between both parties.

Section 154. In the event either party refuses to arbitrate on demand of the other party, and an order compelling arbitration is obtained in Federal Court on the basis contended by the moving party, the refusing party will pay to the moving party reasonable legal fees incurred, up to Five Hundred Dollars (\$500.00). Similarly, if the moving party fails to prevail in such an issue, the moving party will pay reasonable legal fees incurred up to Five Hundred Dollars (\$500.00) to the refusing party.

Section 155. Safeway Inc. and the UFCW Union Local No. 7 agree to enter into this Agreement to selectively use mediation to achieve a mutually satisfactory resolution of certain formal grievances.

The following procedure will be followed whenever a grievance is selected to be mediated:

1. Once a grievance has been requested for arbitration, the parties may agree to submit the grievance to a mediator. The parties shall use a mutually agreed upon mediator.
 - a) The parties will contact the mediator and schedule a date for the mediation conference to be held on a monthly basis effective immediately.
 - b) The grievant and location manager shall be present for the conference. Each party shall be permitted to have not more than two additional observers. Observers shall not be permitted to offer testimony or make oral statements.
 - c) The proceedings shall be informal and the formal rules of evidence shall not apply. Each party will make a brief presentation of the facts of their case not to exceed 15 minutes. The Grievant and Location Manager may also make an oral explanation of their case not to exceed five minutes. The parties may also submit other written evidence, statements, etc., to the mediator, witnesses and oral testimony, provided that such testimony does not exceed the 20-minute total set forth above.
 - d) The mediator will have the authority to meet with each party separately and to recommend a reasonable settlement to the grievance. The mediator shall have the authority to compel the resolution of the grievance. Grievances ruled upon or settled shall be considered final and binding and may not be further processed to arbitration.
 - e) All settlements or rulings shall be on a non-precedent setting basis and without prejudice to either party, except settlements may specifically provide otherwise.
 - f) The parties agree to attempt to schedule multiple grievances per mediation conference. Further, the parties agree to share expenses of the mediator.

This agreement shall be effective on the date of execution of this agreement and may be cancelled by either party upon thirty (30) days written notice to the other party.

1. The parties recognize that the information requests that routinely accompany grievances filed by Local 7 can be burdensome and time consuming for the Company to respond to, which in turn impacts the effective and efficient administration of the grievance procedure. Accordingly, Local 7 has committed to reviewing the information requests it has accompanying pending grievances as well as information requests it may file with future grievances to determine whether the information requests can appropriately be withdrawn or tailored more narrowly in scope.

2. The parties also agree to schedule monthly settlement meetings at which the parties will discuss the possible settlement or withdrawal of grievances pending arbitration.

3. The parties will work from an agenda containing cases pending arbitration ranked in order of date filed with the exception that cases involving termination, demotion, or potential continuing liability shall be moved to the top of the agenda in date order and shall be discussed before any other case. The agenda will be prepared one week from the date of the meeting and may then only be modified by agreement of the parties.

4. The parties will endeavor to discuss as many cases as can reasonably be considered at each monthly settlement meeting.

a. Cases that are settled or dropped/withdrawn by the Union shall be removed from the agenda and shall be deemed closed.

b. Cases that are continued at the monthly settlement meeting pending further review or investigation shall remain on the agenda for discussion at future monthly settlement meetings.

c. Cases that have been discussed but not resolved may, at the option of the grieving party, be scheduled for arbitration as provided below.

5. Grievances referred to arbitration shall be placed in the scheduling queue and scheduled for hearing as follows:

a. Cases shall be scheduled from the scheduling queue in order of their respective grievance filing date with the understanding termination or demotion cases shall move to the front of the scheduling queue in date order.

b. The party requesting arbitration shall promptly request a panel of arbitrators from FMCS for each case placed in the scheduling queue.

c. Within sixty (60) days after a final settlement meeting decision, the parties will select an arbitrator.

d. The parties will use best efforts to schedule the hearing in the matter for which an arbitrator has been appointed within six (6) months following a final settlement meeting decision with the understanding that the parties may schedule a hearing a date later than six (6) months upon mutual agreement or as the result of 6(e) below.

e. Notwithstanding the provisions of 6(d) above, neither party shall be required or obligated to schedule more than three (3) cases per calendar month except by mutual agreement.

f. In all disciplinary cases referred to arbitration, as a condition to accepting appointment, the arbitrator must agree to render a decision and award no later than thirty (30) days after receipt of the parties' post hearing statements. Unless otherwise agreed by the parties, such statements must be filed no later than fourteen (14) days following the close of the hearing (or receipt of transcript where applicable) and must be limited to no more than ten (10) single space letter size pages. It is specifically agreed and

understood that any such case resolved under this procedure shall be deemed “nonprecedential” and will not be cited by either party in any future proceeding. The provisions of this subsection (e) may be modified on a case by case basis by mutual agreement of the parties.

Section 156. Expedited Arbitration Procedures.

Effective upon ratification of this agreement, the parties signatory below agree to adopt an expedited arbitration procedure as outlined below. Notwithstanding the provisions of such agreement, the parties recognize that arbitrations already scheduled prior to the effective date of this agreement shall be arbitrated as in the past and not subject to the provisions of this agreement unless the parties mutually agree to do so.

A mutually agreed upon arbitrator shall be selected to hear cases arising under this procedure. The parties will direct the arbitrator to set aside one day per month to hear arbitrations under this procedure. As near as practical, such dates will be during the second or fourth week of each month. If necessary, and the parties mutually agree, the arbitrators will be asked to set aside more days per month.

The parties shall attempt to meet biweekly to review cases pending arbitration and to schedule cases for arbitration under this procedure. Should a case scheduled for arbitration be settled prior to the scheduled date, the parties will make an earnest effort to substitute another case for the scheduled date.

Except as otherwise set forth in this agreement, all discipline cases, including discharges, shall be subject to the provisions of this procedure. Contract interpretation cases, upon mutual agreement by both parties, shall also be subject to this procedure. For discipline cases, other than discharges, both parties agree, where practical, to schedule at least two such cases to be heard on one day, with the understanding that the presentation of such cases shall not exceed four hours, with both sides being allocated two hours for the presentation of their case and cross-examination of witnesses of the opposing side.

For all discipline cases, including discharges, both parties will make closing oral arguments unless mutually agreed otherwise, and the arbitrator will issue a brief written award. Where practical, the parties will direct the arbitrator to issue a written bench decision and summarize his decision in a one-page letter following the arbitration. The arbitrator, at his discretion, may request no more than seven days to deliberate on the issues of a particular case. In this regard, an arbitrator will issue his award within fourteen days following the close of the hearing.

Both parties will direct the arbitrator to issue an abbreviated, which details only the arbitrator's award and a brief explanation as to the reasons for this award. In the case of contract interpretive matters, both parties recognize the need to file briefs and have the arbitrator write a detailed decision. In this regard, both parties agree to file briefs within two weeks following the close of the hearing and will direct the arbitrator to issue an abbreviated decision which details only the arbitrator's award within two weeks following the receipt of briefs. The arbitrator will then issue a detailed decision within thirty days following receipt of the briefs by the parties.

Either party may, by notification to the other prior to a case being scheduled, exclude a particular case from the provisions of this agreement. In this case, the arbitration shall be scheduled and handled under the normal procedure.

Provisions of this agreement are hereby entered into by both parties signatory below and in full force and effect, unless either party, through written notification to the other party, gives thirty (30) days written notice of their intent to cancel this agreement. In this regard, the parties agree that cases scheduled for arbitration under this procedure shall proceed to arbitration as provided above.

Section 157. Remedies for Errors. If an error is made by management in the application of the provisions of this agreement resulting in a lost work opportunity for the aggrieved employee such as vendor stocking, scheduling and assignment of hours disputes, classification issues, and work jurisdiction matters and the affected employee immediately files a grievance, the employee shall be made whole by being permitted to work the number of hours lost. Such hours shall be above and beyond the posted schedule. The employee shall advise management anytime after the next schedule is finalized for the workweek of their desire to exercise their right to work the hours due during the workweek on the date and time determined by the employee. An aggrieved employee may not demand such remedy on an overtime or premium-pay basis if the alleged violation occurred on what would have been a straight-time day for such employee. The employee must exercise this right to work within four (4) weeks of the settlement of error with the employee or such right shall be forfeited and no further remedy shall be required.

ARTICLE 51 NO STRIKE OR LOCKOUT

Section 158. During the life of this Agreement, there shall be no lockout, strike, picketing, boycotting or stoppage of work, anti-company publicity or other economic action of whatsoever nature against the Company.

It is understood that it shall be a violation of this Agreement for the Union or its agents to require its members to observe picket lines set up by any labor organization at the premises of the Employer.

ARTICLE 52 STORE OR PLANT CLOSING

Section 159. Dislocation and Training Pay. In the event the Employer closes or sells a store and the employee chooses to self terminate, said employee shall be entitled to dislocation and training pay. This money is provided to help defer any expenses incurred by the employee as it relates to moving expenses and/or training for a new occupation.

The employee must notify the Employer, in writing, within seven (7) days after receiving such notification of the store closing or of the store being sold.

The Employer shall pay said dislocation and training pay to the employees prior to the effective date of the store closing.

The amount of the dislocation and training pay shall be computed as set forth in Article 52, Section 159 and 160. However, the Employer will only be required to make two (2) months Health and Welfare contributions following termination and the Employer will not be required to make any Pension contributions.

Any employee who requests said dislocation and training pay shall not be entitled to any other provisions as set forth in Article 52.

Any employee who chooses not to exercise the rights for the dislocation and training pay shall be entitled to severance pay as set forth in this Agreement.

Section 160. In the event the Employer closes or sells a store or plant and employees are terminated as a result thereof, such employees are entitled to pay equal to one (1) week's pay for each year of continuous service commencing with the third (3rd) year of continuous service up to, but not to exceed eight (8) weeks' pay at their regular rate. However, those employees who have an incomplete year of continuous service as an employee will receive pro rata severance pay for that year as follows:

0-3 months equals twenty-five percent (25%) of a week's pay.
3-6 months equals fifty percent (50%) of a week's pay.
6-9 months equals seventy-five percent (75%) of a week's pay.
Over 9 months equals one week's pay.

Severance pay shall be computed on the average hours worked per week for the fifty-two (52) weeks preceding a voluntary layoff or termination.

The Employer shall continue contributions to the Pension and Health and Welfare Trust Funds for three (3) full months following termination on an hourly basis in direct relationship to the severance pay received for those employees who secure employment with a contributing Employer in the Pension and Health and Welfare Trust Funds.

All monies due employees, including severance pay, shall be paid in a lump sum upon termination.

An employee who is terminated and who is eligible for severance pay, and accepts severance pay, forfeits his seniority and has no recall rights. However, an employee may elect to accept a voluntary layoff not to exceed ninety (90) days. At the end of the ninety (90) day period, if he has not been recalled, he will be paid severance pay and forfeit his seniority. Any extensions of this ninety (90) day period must be agreed upon in writing and signed by the employee, a representative of the Union and the Employer. In no case will such extension exceed a total of six (6) months from the date the employee accepted the layoff.

If an employee is offered a transfer to other employment with the Employer within forty (40) miles of the store or plant in which he was last working and he refuses to accept the transfer or other employment with the Employer he forfeits his rights to severance pay and Pension and Health and Welfare contributions.

If a store or plant is sold and the successor Employer offers employment to an employee who is otherwise eligible for severance pay under the terms of this Article and the new job is comparable, then no provisions of this Article shall apply.

The Employer agrees to give to the employees and the Union two (2) weeks' notice in advance of a store or plant closing or sale. When such notice is given, an employee shall remain with the Employer until the plant or store closes, or forfeit his rights under this Article, unless mutually agreed to by the employee, Employer and Union.

No benefits shall accrue under the terms of this Article unless the Employer makes a business decision to close or sell a store or plant. If a store or plant closing is caused by fire, flood, storm, land condemnation or remodeling, then this Article shall not apply.

In the event of a store or plant closing, employees shall be allowed to exercise their seniority under their respective layoff procedures.

Section 161. The Company will not challenge any unemployment claim of employees, provided there is no dispute that the employee engaged in conduct prior to the store closure that would have resulted in the employee's termination, even if the Company discovers information leading to the dispute after the store closure.

The Company agrees to provide employees whose employment is terminated with a letter stating the following: To Whom It May Concern: This shall confirm that _____ was employed by Safeway/Albertsons in our (city, state) store from _____ to _____ (year) in the position(s) of _____. His/her last straight-time hourly wage rate was \$ _____. Mr./Ms. _____ employment was terminated effective _____ (year) as a result of the Company's decision to close the (city, state) store for business reasons.

ARTICLE 53 BULLETIN BOARD

Section 162. The Employer agrees to furnish a bulletin board for the use of the Union within each store. Material placed upon the bulletin board shall be restricted to the following types of notices:

- a. Notices of Union recreational and social affairs.
- b. Notices of Union elections, Union appointments, and the results of Union elections.
- c. Notice of Union meetings.

The bulletin board is not to be used by the Union or its members for disseminating propaganda of any kind whatsoever, and among other things, it shall not be used for the posting of material of a political or controversial nature or for advertising proposes. Any document placed on the bulletin board must be signed by an officer or official representative of the Union.

ARTICLE 54 UNION STORE CARDS

Section 163. The Union Shop Card is the property of the United Food and Commercial Workers, International Union, AFL-CIO, and is loaned to the Employers for display who sign and abide by this Agreement. The Shop Card may be removed from any market by the Chief Executive Officer of Local No. 7 or his deputy for any violation of this Agreement.

ARTICLE 55 UNIFORMS/EQUIPMENT

Section 164. The Employer agrees to furnish all linens or uniforms required by the Employer for use in the markets and delicatessen and to launder same, except for drip dry garments. It is further provided that all hand saw frames and hand saw blades shall be furnished by the Employer. The Employer will also furnish an oil stone in each market for the use of employees in sharpening all hand tools.

Notwithstanding the above, the employee shall be required to meet the dress requirements, at the employee's expense unless otherwise specified, as detailed in the Letter of Understanding, "Dress Requirements," attached to this Agreement.

ARTICLE 56 SAVING CLAUSE

Section 165. If, during the term of this Agreement, or during any renewal or extension of the same, any Federal or State Law is enacted, or any rule or regulation is issued under any Federal or State law, which would make compliance by the Union, the Employer, employees, or any of them, with the terms, provisions or condition of this Agreement a violation of any of said laws, rules or regulations, then such terms, provisions or conditions shall become inoperative and of no effect from the effective date of any such law, regulation or rule. The

remainder of this Agreement not in conflict with any of said laws, rules or regulations shall continue in full force and effect.

In the event of any such terms, provisions or conditions becoming inoperative and of no effect, either party to this Agreement may open the same for bargaining only as to substitute provisions, if any, for those provisions made inoperative upon a thirty (30) day written notice to the other party.

Section 166. It is specifically understood that the no-strike and no-lock out provision set forth elsewhere in this Agreement shall remain in effect throughout the term of this Agreement.

**ARTICLE 57
TERM OF AGREEMENT**

Section 167. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to, or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 168. This Agreement shall be in full force and effect beginning at 12:01 a.m. on January 9, 2022 and shall remain in full force and effect until midnight on January 4, 2025 and shall be automatically renewed from year to year thereafter, unless either party desires change or termination at the expiration of said Agreement. In such event, the party desiring such change or termination shall notify the other party in writing sixty (60) days prior to the expiration date.

Section 169. In the event of an Act of God or natural disaster (“Emergency”) having a material and continuing impact upon either the Employer’s facilities or the geographic area defined in Article 1 of this Agreement, either the Company or the Union may request to effects bargain with the other party regarding this Agreement by providing written notice to the other party, within thirty (30) days of the occurrence of such Emergency. The parties agree to timely meet and bargain over the effects of the Emergency.

IN WITNESS WHEREOF, the parties above named have signed their names and/or affixed the signature of their authorized representative this 11 day of August, 2023.

APPENDIX "A"

The minimum hourly rates of pay for the indicated classifications shall be as set forth below on the dates indicated. The Employer may hire any employee at any rate in the progression schedule at its sole discretion.

Bargaining Note: Although the parties have agreed to move certain classifications to the same rate, it is expressly understood and agreed that selection of shifts will be done separately in each department, and that additional hours will be offered to other employees in a given department prior to being offered to other employees in the bargaining unit. The Union and Employer agree that notwithstanding any inclusion of a dollars-per-hour metric in the 5-star cake decorator matrix, this does not constitute a production standard.

The Employer agrees that for those positions identified with a grandfathered rate on the attached wage tables, any individual who held a classification and rate so identified as of January 11, 2022, shall be grandfathered during the term of this Agreement at fifty cents (\$0.50) over the otherwise applicable wage rate, and shall receive the benefit of future increases. This rate is reflected on the attached wage charts as “grandfathered.”

Basket Hours

When an employee (not at the “thereafter” rate) is promoted from a lower classification to a higher classification, the employee’s wage shall remain the same or be advanced to the next higher wage rate if the rate does not exist in their new classification. At this point, the employee will receive credit for all hours worked with the company and those hours will determine their pay level in the new classification. The employee will then work the necessary hours in that step before receiving their next pay increase.

When an employee (at the “thereafter” rate) is promoted from a lower classification to a higher classification, the employee’s wage shall remain the same or be advanced to the step below the “thereafter” rate in their new job class, whichever is higher. At this point, the employee will receive credit for all hours worked with the company. The employee will then be required to work the last progression step of hours before moving into the “thereafter” rate in their new role.

Similarly, an employee that moves from a higher classification to a lower classification, except an employee moving to meat cutter, will receive credit for all hours worked with the company and those hours will determine their pay level in the new classification (even if this results in a decrease in pay).

Notwithstanding the above, when an associate promotes to Senior Certified Pharmacy Technician, they will start on the first step and work the hours associated with each step to advance.

Bargaining Note: The parties intend this provision to apply in all circumstances where an employee changes job classification within the Company, including lateral transfers (for example, APC to Produce Clerk), step-downs (for example, Assistant Deli Manager to Deli Clerk), and transfers between bargaining units (for example, Coffee Clerk to Customer Service Clerk).

SAFEWAY INC. MEAT LETTERS OF UNDERSTANDING

Safeway agrees to carry forward the specific Letters of Understanding as listed below. Any Letter not referenced below shall be deemed null and void.

1. B-1 Employees reinstated under terms of Alcoholic Rehabilitation Program Agreement reached as a result of an Agreement reached as a result of a meeting held on March 31, 1983, between Charles Mercer, UFCW 7 and Rex Berry, Safeway.

As a result of a meeting held on March 31, 1983 between Charles Mercer and Rex Berry, the following terms and conditions have been agreed upon regarding future letters of agreement concerning employees re-instated under the terms of our Alcoholic Rehabilitation Program.

1. The employee must enroll in an Alcoholic Rehabilitation Program recognized by the State and/or Federal Government.
2. The employee must sign a release which permits Safeway Stores, Inc. and Retail Clerks Union, Local 7 access to any and all information related to his/her treatment required by, or undertaken in, the Alcoholic Rehabilitation Program. Safeway Stores, Inc. has the right in its discretion, to obtain status reports from the Alcoholic Rehabilitation Program Organization.
3. Any employee terminated from Safeway Stores, Inc. for any reason, who later claims to be an alcoholic, will not be entitled to any back pay should the employee be reinstated under this policy.
4. The Alcoholic Rehabilitation Program shall not in any way interfere with the written work schedule at the employee's place of employment.
5. Any employee enrolled in an Alcoholic Rehabilitation Program is still subject to progressive discipline for any infraction of Safeway Stores, Inc. rules, regulations, or policies, and remains subject to the applicable collective bargaining agreement.
6. Safeway Stores, Inc. shall not be liable for any expense associated with an employee's enrollment in an Alcoholic Rehabilitation Program.
7. Should an employee violate any provision of the Alcoholic Rehabilitation Program, the Company and the union will review the violation to determine if there are any highly unusual circumstances which might warrant continuation in the program. If there are no such circumstances, the employee shall be terminated immediately.
8. Upon enrolling in the Alcoholic Rehabilitation Program, the employee shall be reinstated, but the employee will not necessarily be assigned his/her place of employment from which he/she was terminated. Safeway Stores, Inc. reserves the right to reinstate an employee to a place of employment which best serves the operational interest of Safeway Stores, Inc.
9. Reinstatement shall be no later than two full weeks after the agreement is signed, or two full weeks after a "dry-out period", if required by the treating physician.

10. An employee terminated under the provisions of the Absentee Program who is later reinstated under the Alcoholic Rehabilitation Program will return to work under the provisions of the Absentee Program at the same level and status which prevailed at the time of termination.

11. Once an employee has successfully completed an Alcoholic Rehabilitation Program under this policy, the employee shall not be entitled to the benefits of this policy a second time.

2. B-3 Procedure for Scheduling Employees with Conscientious Objections to Working on Their Day of Sabbath. Unsigned and Undated agreement between Safeway and UFCW Local 7.

PROCEDURE FOR SCHEDULING EMPLOYEES WITH CONSCIENTIOUS OBJECTIONS TO WORKING ON THEIR DAY OF SABBATH

We have had a number of requests for the procedure in the handling of employees scheduled on a day which is their day of Sabbath. Safeway has entered into an agreement with UFCW which provides certain procedures for accommodating individuals who have such conscientious objections.

Problems can result in a grievance under the contract as well as a possible violation of the laws against discrimination on the basis of religion, so please follow these procedures carefully and call Safeway Inc. Human Resources if necessary.

This procedure, of course, applies only to any employee who advised you:

1. that they have conscientious objections to working a particular day of the week.
2. the nature of their conscientious objections, and
3. the particular day of the week which they are unable to work.

If you have any questions concerning whether the employee actually has bona fide conscientious objections, be certain to contact Employee Relations and review the matter. You also should complete the form attached to these instructions, ask the employee to sign it, and route it to Safeway Inc. Human Resources Department for future reference.

The procedure for scheduling is as follows:

1. Until noon on Saturday for the following week's schedule an employee may identify and request an exchange of shifts with any employee junior to him in the same job classification in the store which will result in the employee obtaining their Sabbath as a day off. You may deny this request if the exchange would require an employee to perform duties for which they are not trained, or for some other equally substantial business reason. Otherwise you must grant the request. Seniority shall prevail, and the junior employee cannot refuse to make the trade.
2. As an option, an employee may identify and request an exchange of shifts with a senior employee who is willing to make such an exchange. Again, you may deny this request if the exchange would require an employee to perform duties for which they are not trained, or for some other equally substantial business reason. Otherwise you must grant the request. Seniority shall prevail and the senior employee may refuse to make the trade.

3. Meat Cutters Bargaining Unit--Colorado Springs. Establishes meat cutter floater pool for the Colorado Springs meatcutters signed by Dwayne Adkins, UFCW Local 7 and Bruce Trull and Gordon Todd, Safeway, dated 5/12/88.

All meat cutters with the exception of (Market Managers) Head Cutters, and one most senior cutter assigned to each store, shall be placed into a single "floater pool" within the bargaining unit.

When the Employer determines the hours necessary in the bargaining unit for said "floater pool", the seniority of floaters shall be honored, first in the weekly scheduling of floaters to the fewest number of stores, and secondly in scheduling a floater the greatest number of hours up to (40) forty in a week.

4. Floater Pool Letter of Understanding for Denver Metro dated April 25, 1989 signed by Gary L. Pickel for Safeway and Dwayne L. Adkins for UFCW Local No. 7. Deleted in the Last, Best and Final Offer to UFCW Local 7 dated June 24, 1996, except for the last paragraph.

From the date of this agreement, until the expiration date of the current collective bargaining agreement, the Company shall be allowed no more than fifteen (15) first cutters in the Denver bargaining unit. The Company shall have the right to assign these employees to any store it may choose.

5. Vail, **Frisco, and Steamboat Springs** Colorado Addendum Agreement dated February 28, 1991 executed by Bruce Trull for Safeway and Dwayne Adkins for UFCW Local No. 7.

1. Beginning in 1990, the Employer shall pay a bonus of ten percent (10%) of gross earnings to all employees employed as of Saturday following Easter Sunday.

2. The bonus shall be paid on all hours paid up to forty (40) per week for the (ski season) period from the first full week prior to Thanksgiving through the Saturday following Easter Sunday.

3. The bonus shall be paid the pay period following Easter Sunday.

4. The Employer reserves the right to not allow any employees to take vacation during the ski season.

5. It shall be the employer's option to have the store remain open on Thanksgiving and Christmas.

6. This Agreement shall be in full force and effect throughout the term of the collective bargaining agreement between these parties.

6. Dress Requirements letter pursuant to Article 54 of this Agreement. Clarifications made to language in the Strike-Lockout Settlement Offer to UFCW Local 7 dated June 24, 1996.

Effective October 1, 1996, in addition to published grooming requirements, employees shall be expected to report to work as follows: White oxford (long or short sleeved) shirt. Sweatshirts are not permitted, but black or navy cardigan style sweaters are permitted, as are cardigan vests. Undershirts with printing, logos or designs that show through are not permitted. The Company provided name badge must be worn while on duty. Black dress type pants of dress wool, cotton, knit, or black non-faded denim

material in good condition and repair, which shall be provided by the employee. "Dockers" type pants are acceptable. Sweats, stirrup pants, stretch pants, painter pants spandex, etc. are prohibited. Shoes must be black or white, clean and in good condition. Open toe or open heel shoes are not permitted. Laces must be black when black shoes are worn or white when white shoes are worn. Socks or nylon hose must be worn with the shoes. The Company will provide one (1) necktie and two (2) aprons, which will be replaced by the Company if worn out or damaged as a consequence of normal wear and tear. Employees will be required to replace at their cost lost ties and aprons. Meat cutters and wrappers shall be provided smocks/coats in lieu of aprons or vests.

7. Seasonal Scheduling Needs, Estes Park meat cutters bargaining unit. Identifies procedures for staffing meat cutters from May 1 to September 15 of each year. Letter of Understanding signed by Gary Pickel, Safeway Inc., 4/9/99 and John Mathewson, UFCW Local No. 7, 4/23/99.

 5. Project employees may be hired on or after May 1 and these project employees must be terminated by September 15. Project employees will be paid the contract benefits and wage rates, but will not accrue any seniority rights.
 6. Any current employee whose seniority date was adversely affected will have their seniority date adjusted to their date of hire.
 7. This agreement resolves Case No. 98-1544. The Union agrees to withdraw this grievance.
8. Starbucks Coffee Specialist – Establishes the classification of Starbucks Coffee Specialist to be a part of each current Safeway Inc. and UFCW No. Local 7 retail meat cutter collective bargaining agreement in the State of Colorado. 4. The rates of pay for a Starbucks Coffee Specialist shall be the same as the Deli Clerk classification in the respective Bargaining Unit where a Starbucks Coffee Shop is established.
5. One Starbucks Lead Person per Store may be designated by the Employer at its discretion. The Lead Person will not be prohibited from performing any duties in the Starbucks Coffee Shop. The rate of pay will be \$12.72 per hour.
6. It is understood and agreed that management retains the right to determine the number of hours and start times of each shift to be worked within the Starbucks Coffee Shop. Hours worked by employees in the Starbucks Coffee Specialist or Lead classifications cannot have their hours claimed by employees in other classifications.
7. The Starbucks Department may have a cash register that may be operated by the Starbucks Lead Person or employees in the Starbucks Coffee Specialist classification.  - establish offer dates and release dates

Bargaining Note: In applying the provisions of this Letter of Agreement, the parties understand, for example, that an employee working at a progression step that is adjusted as a result of the operation of this letter would remain at the same step but work under the newly adjusted rate until they complete the remaining hours of that step and advance to the next step.
