

Update on the Relief Grant

Thank you for your patience!

The UFCW Charity Foundation Farm & Food Worker Relief Grant program is temporarily on hold while we make updates to better serve workers. We appreciate your patience as we make improvements to the portal.

Reopening the Relief Grant portal and accepting new applications is a top priority for us. We are working to ensure workers have the most user-friendly and secure experience possible. **Workers deserve these relief funds, and we will be reopening the portal soon.**

We will follow up with you as soon as the portal is reopened and ready to accept applications, so please stay tuned for next steps.
