# AGREEMENT

This Agreement is entered into and effective as of **October 1, 2021**, by and between Kaiser Foundation Health Plan of Colorado and Colorado Permanente Medical Group, hereinafter referred to as the "Employer," and United Food and Commercial Workers, Local 7, Professional and Health Care Division, chartered by U.F.C.W. International Union, AFL-CIO, CLC, hereinafter referred to as the "Union."

The foremost objective and obligation of the Employer and the employees is to provide Health Plan members and the general public with professional health care services which meet the highest standards associated with each health care profession represented by this Agreement. The Employer and the employees emphasize the importance of providing health care services in a caring and courteous manner. The Employer and the Union affirm their responsibility to maintain a work environment in which all employees, regardless of position, are treated with dignity, respect and courtesy.

# **ARTICLE 1. SCOPE OF AGREEMENT**

# Section 1. Coverage

The term "employee(s)" as used throughout this Agreement, shall mean and include the professional health care employees, excluding supervisors, as certified by the N.L.R.B. in Case No. 27-RC-6007 and 27-UC-150, at those facilities owned or operated by the Employer in the State of Colorado. The parties have agreed to accrete the Opticians to this Agreement.

# Section 2. Supervisory Employees

The Employer recognizes the fact that bona fide supervisory employees are only those who have the authority to hire, promote, discipline, discharge, or otherwise effect changes in the status of employees or effectively recommend such action.

# **Section 3. Bargaining Unit Work**

- A. Providing quality health care at a reasonable cost to Health Plan members is the primary objective of both the Employer and the Union. The parties also recognize that medical care delivery techniques and medical technology are constantly changing, requiring maximum flexibility. Finally, the parties recognize that the scope of the work performed by health care professionals included in this unit may vary because of changes in delivery techniques, technology and economic considerations.
- B. Consistent with the above-stated objectives and principles, the parties agree that the work performed by employees may be changed from time to time so long as the purpose is to improve the quality or cost effectiveness of the health care delivered. If changes in the scope of the work performed result in a reduction in force, the Employer agrees to meet with the Union to take all reasonable steps to lessen the impact on employees through attrition and reassignment.
- C. All bargaining unit work must be performed by bargaining unit members except as follows: Physicians and Supervisors may perform bargaining unit work in emergencies, for sick calls, for training, and when agreed to by the Institutional Union.

- D. It is not the Employer's intent to establish jobs or job titles for the purpose of excluding such employees from the bargaining unit as established in the Agreement. It is the Employer's intent to establish jobs or job titles for the purpose of growing the union and developing a stronger partnership.
- E. The parties agree that this flexibility is necessary to permit the Employer to provide quality health care to members on a competitive basis.

# **Section 4. Job Security Considerations**

Subcontracting will not be used to diminish the Professional Health Care staff members currently on the payroll as of the date of this Agreement. Work may be subcontracted from time to time in order to provide timely, appropriate care for patients under conditions of rapid membership growth, staffing fluctuations, and related operating circumstances.

# **ARTICLE 2. UNION RECOGNITION, SECURITY AND BUSINESS MATTERS**

#### **Section 1. Union Recognition**

The Employer recognizes the Union as the exclusive bargaining agent of the employees covered by this Agreement for purposes of collective bargaining with respect to rates of pay, hours of work and other terms and conditions of employment.

# Section 2. Union Membership

- A. It shall be a condition of employment that all employees currently covered by this Agreement and those hired on or after its execution date shall, within thirty-one (31) calendar days following the beginning of such employment, become and remain members in good standing in the Union.
- B. Employees who are required herein under to maintain membership and fail to do so, shall upon notice of such action in writing from the Union to the Employer, be replaced by a competent employee whenever such competent employee is required and available. The Employer shall be the sole judge of the competency of such employees.

# **Section 3. Check Off**

- A. The Employer shall deduct from each employee's wages the amount of Union dues and initiation fees, as specified by the Union, for all employees covered by this Agreement who have voluntarily provided the Employer with a written assignment authorizing such deductions on a mutually agreeable form supplied by the Union including back dues and uniform assessments, provided the Union supplies the Company a list of employees and the amount to be deducted for Short-Hour employees. Once signed, the authorization cannot be canceled for a period of one (1) year from the date appearing on such written assignment or within a fifteen- (15) day period prior to the termination date of the current Agreement between the Employer and the Union, whichever occurs sooner.
- B. The Employer agrees to remit all such deductions to the President of the Local Union on or before the last calendar day of the month in which such deductions are made.
- C. (1) Upon completion of ninety (90) calendar days of employment, on-call employees will be required to pay union dues. That amount is currently \$31.84 and may be adjusted from time to time by the Union.
  - (2) The payment of union dues will be required if an on-call employee works any hours in the pay period in which union dues are deducted by the Employer.
  - (3) Check Off is voluntary and will be deducted only with proper authorization from each employee. However, failure to complete the dues deduction authorization form will not alleviate the individual's responsibility to pay obligated dues.
  - (4) Dues required for short-hour employees will be reduced to one-half of the amount of regular full time and part time employees, as outlined in "A" above.

- (5) Initiation fees for on-call employees are waived, until such time that they attain regular status.
- (6) A dues deduction form, agreeable to both parties, will be sent to all on-call employees by the Employer, for completion.
- (7) It is the Union's responsibility to notify the Employer to check off dues of each oncall employee, to monitor the first ninety (90) calendar days of employment for each new on-call, and to notify the Employer if any on-call employees are not in good standing. The Employer will provide the Union with hours-worked computer runs of on-call employees for this purpose, which will be incorporated into current monthly dues report. The Employer will not deduct via check off back union dues on on-call employees. The Union may bill on-call employees directly for back dues.
- (8) Indemnity. The Union shall indemnify the Employer and hold it harmless against any and all suits, claims, demands and liabilities that shall arise out of or by reason of any actions that shall be taken by the Employer for the purpose of complying with the foregoing provision of this Section.
- (9) Changes in the criteria can be made by mutual agreement of the parties.

# **Section 4. Union Business**

- A. When an employee is hired, promoted, transferred, or demoted into a bargaining unit position, the Employer agrees to present the employee with a two-part form, mutually agreeable to the parties and supplied by the Union, which advises the employee of the following:
  - (1) **He/she/they** must join the Union within thirty-one (31) calendar days,
  - (2) **He/she/they** must remain a member of the Union as a condition of employment for the duration of this Agreement,

One (1) copy of this form shall be provided to the employee, and one (1) copy of this form shall be mailed to the Union in a stamped, self-addressed envelope provided by the Union.

B. For Union record-keeping purposes, the Employer agrees to mail to the Union, on a monthly basis, a listing of bargaining unit hires and terminations together with an employee roster on which bargaining unit employees are listed in seniority order.

# Section 5. Access of Union Representatives

- A. In order to observe conditions existing under this Agreement and to settle grievances, representatives of the Union and the chief steward shall have the right to visit the Employer's facilities, subject at all times to facility rules.
- B. The Union agrees to notify the Medical Office **Director or equivalent** or **his/her/their** designee or the appropriate department head of their presence in the facility for the purpose of observing working conditions, investigating reported grievances or conducting meetings between the employees and the Union. The Union further agrees that such observations, investigations and meetings shall be conducted without disruption of the Employers' operations. Meetings will be held on the premises at a place designated by the Administrator.
- C. Union Business Representatives and stewards shall be allowed access to appropriate materials in personnel files which are directly related to an alleged Contract violation, provided the employee's written consent is presented to the Personnel Department. The Employer shall not use any materials from an employee personnel file, for purposes of discipline or in the grievance procedure, which have been specifically denied the Union in a request for access.

# **Section 6. Union Stewards**

- A. The Employer agrees to recognize Union Stewards as duly authorized representatives of the Union who may receive complaints and see that the terms and conditions of this Agreement are observed, provided that such activity does not unduly interfere with the work assignment of the Union Steward or other employees. Union Stewards will be excused by their supervisor to conduct Union business, provided adequate staff coverage is available. Union Stewards will advise their supervisor when they have been requested to conduct Union business. In the event it is not convenient to release the steward at the time requested, management will consult with the steward to arrange a mutually agreeable time. One steward will be identified as the Chief Steward.
- B. The Union shall supply written notification to the Director of Labor Relations of the names and assignments of all duly appointed Union Stewards within five (5) calendar days of appointment.
- C. Subject to efficient operations and adequate staffing, the Employer will grant Union Stewards two (2) unpaid days off for attending the annual Union seminar. To facilitate scheduling the Union will notify the Labor Relations Department, in writing, three (3) months prior to the seminar, of the actual dates. Attendance at the Union seminar may take precedence over vacation or other requested time.

# **Section 7. Steward Education and Training**

For Stewards and Stewards-in-Training, the Company shall permit the Union to provide four (4) paid hours per month to each Steward and Steward-in-Training on paid Company time. These Training and Development sessions shall be permitted to be aggregated to allow flexibility when more than four (4) hours are needed at any one time.

The above reference for the paid hours shall remain in effect during the existence of the National Agreement. In the event that the National Agreement is no longer in existence, the parties will meet to bargain the amount of time, if any, allocated for Steward Education and Training.

# **Section 8. Employer Indemnification**

The Union shall indemnify and hold the Employer harmless against any and all suits, claims, demands and liabilities which arise out of or by reason of any action which shall be taken by the Employer for the purpose of complying with the foregoing provisions of this Article.

# Section 9. Union Leave

The Employer will give serious consideration to the Union's request for a leave of absence, for an employee to conduct Union business. An employee who is granted such leave will not receive pay, benefits, nor any benefit accruals during **his/her/their** leave. In no case shall the leave exceed twelve (12) months. Reinstatement to a former or comparable position shall be in accordance with reinstatement for other leaves of absence.

Employees changing from bargaining unit to another bargaining unit, and employees changing from non-represented to represented may be invited to attend NEO meetings. The Employer shall provide Alliance Unions the date and times of NEO meetings at least one week in advance and shall provide the names of new bargaining unit employees attending NEO sessions at least two days in advance of the meeting. The Employer agrees to provide a positive image of the Union and union representation and shall remain neutral with regard to union membership.

However, the Employer shall not delay the selection process to accommodate absent employees. In the event an employee is going on vacation, a written job bid, to include, if possible, a telephone number where the employee can be reached, may be submitted to Personnel, and will remain active for the duration of the vacation.
- C. Employees hired, promoted, or transferred into temporary jobs shall be eligible to bid on job vacancies only during the four (4) week period immediately prior to completion of their temporary assignment.
- D. An employee shall not be allowed to bid for a position in a department where the Department Head, Physician Chief, Supervisor, or Assistant Supervisor is related to the employee, regardless of qualifications or seniority.

- F. Employees shall not be eligible to transfer to another position within the bargaining unit until they have completed six (6) months in their current position, unless the transfer represents a promotion. An employee may transfer after three (3) months in their current position, only upon mutual agreement of the employee and the Employer.
- G. When the Employer adds a new facility, department, or service covered by the bargaining unit, the new jobs available shall be considered vacancies and shall be posted for bidding. However, when the Employer transfers a department or service or support staff from one location or facility to another, the jobs involved shall not be considered vacancies, and no job postings shall be required. The employees involved shall have the option to transfer either to the new location or facility or to bid into a different position. In assigning staff to a different location, the employer will first seek qualified volunteers among those affected, in seniority order. In the event there are no volunteers, assignment will be made in inverse seniority order, among those qualified to perform the jobs. Once placed, the bid lids set forth in Article 6, Section 1.F will be waived.

- H. Once the decision has been made to fill a job vacancy, there shall be no unreasonable delay in the processing or filling of the job vacancy by the Employer or the employee.   - (1) Overall performance and previous experience, including length of time and performance on the present assignment.

# **Section 3. Selection Procedure**

- A. All eligible employees who bid for job vacancies shall be screened by the Personnel Department to verify that the employees possess the required licensure/certificate. Employees who do not meet the minimum requirements will be so advised by the personnel representative.
- B. Once the initial screening is completed, employees possessing the required credentials will be referred to the hiring supervisor for further evaluation based on the specific experience and knowledge required for the job. In the event the supervisor requires additional information for this evaluation, **he/she/they** will contact the employee directly. Employees who meet the minimum requirements should receive a personal phone screening or may be selected for an interview. The hiring supervisor will then schedule interviews with the most qualified internal applicants. Qualified internal candidates shall be hired before external candidates.

The evaluation period of employees assigned to formal training of four (4) weeks or more will begin upon assignment to the position.
- B. An employee who has received a promotion or transfer may return to the former job classification held, as described in Paragraph A of this Section, provided each of the following conditions are met:
  - (1) The supervisor has decided to post the job vacated by the employee.
  - (2) The employee must return to the former job classification within thirty (30) calendar days following the date the job was posted.
  - (3) The former job classification has neither been filled nor has a job offer been made to an applicant.
- C. Upon conclusion of negotiations the Union and the Employer will appoint a joint Labor/Management work group to design a procedure to help new hires and transferees to be successful in their new assignment. The work group will establish guidelines and mechanisms for staff to provide accurate and timely feedback regarding work performance and behavioral aspects of the employee's work. The feedback will be used to assist employees during the new hire's probationary period or the transferee's evaluation period.

# **ARTICLE 9. REDUCTION IN FORCE**

#### **Section 1. Reduction Determination**

There may be situations in which the Employer determines that a reduction in force, resulting in the layoff of personnel, is necessary. One situation is a reduction of staff/personnel due to membership loss or lack of growth, discontinuance of services, loss of physicians or other such reasons. This situation typically requires more immediate action than reductions due to reorganization/automation. The following is intended to distinguish the process used in each. If there is no actual reduction of staff due to a reorganization or reduction of staff the parties agree to engage in discussions under the provisions of the Employment and Income Security Agreement and consider alternatives to the issuance of job elimination letters to accomplish the purpose of the reorganization and employment and income security. If the parties are unable to agree on an alternative, the language below will be used to accomplish the reorganization.

#### A. Reduction of Staff/Personnel

- When it has been determined by the Employer that the displacement of personnel is necessary, due to a straight staff reduction in force, the Employer agrees to notify the Union and meet to discuss the impact of the displacement on personnel. The Union, in these discussions, may suggest alternatives for the Employer to consider.
- 2) Prior to affecting a reduction in force, the Employer will examine the possibility of accomplishing the reduction through attrition and/or transfer, and to assist employees in securing other available positions, as defined in Section 2. In this situation, the parties may waive posting/job selection criteria by mutual agreement to fill temporary vacancies resulting from attrition and/or transfer.
- Any employee who has been notified that **his/her/their** job is being eliminated due to a force reduction under this section, will be given thirty (30) days' notice. This thirty (30) day notice will be termed the "notification period". See Section 2 for purpose and application.

# B. Reorganization/Automation

- When it has been determined by the Employer that the displacement of personnel which will result in the loss of jobs and layoffs is necessary due to reorganization efforts involving automation, mechanization, technological improvements, reorganization, job redesign, consolidation of functions or other such designs or reasons, the Employer agrees to notify the Union at least sixty (60) days prior to issuance of any notification period and meet to discuss the impact of the displacement on personnel. The Union, in these discussions, may suggest alternatives for the Employer to consider.
- Prior to affecting the elimination of positions due to B.1. above, the Employer will examine the possibility of accomplishing the reduction through attrition and/or transfer, and to assist employees in securing other available positions, as defined in Section 3. The Employer and the Union will meet to identify suitable retraining or alternate employment opportunities and may develop a plan to provide employment

- counseling, skills assessment, training, and other appropriate actions. During this period, the parties may waive posting/job selection criteria by mutual agreement to fill temporary vacancies resulting from attrition and/or transfer.
- 3) Any employee who has been notified that **his/her/their** job is being eliminated due to a force reduction, under this section, will be placed on a notification period as outlined below in Section 2.

# **Section 2. Notification Period**

- 1) Employees receiving notice of potential layoff off/displacement under Section 1.A. will receive a notification period of thirty (30) days. Employees receiving notice of potential layoff off/displacement under Section 1.B. will receive a notification period of sixty (60) days.
- 2) During the notification period, employees will have preferential consideration for vacancies according to Section 3, Placement During Notification Period.
- 3) If at any time during this notification period, a sufficient number of employees have been placed to eliminate the need for further displacement, the notification period may be canceled by the Employer.

# **Section 3. Placement During Notification Period**

- During the notification period, employees will be permitted to bid on any job for which the employee: 1) qualifies, 2) almost qualifies, or 3) will qualify within ninety (90) days of being placed in the new assignment. Bid lids under Article 6, Section 1.F. will be waived in order to permit employees on notification to secure other positions. Displaced employees will be given preference for job vacancies, for which **he/she/they** has placed a bid during the notification period, if the employee qualifies, almost qualifies or will qualify within ninety (90) days. Once placed, as set forth above, the bid lids under Article 6, Section 1.F. will be waived.
- Preference for offering positions shall be to displaced employees on a "notification period" in order of seniority. However, in instances where a displaced employee does not meet the minimum qualifications, the Employer may limit the awarding of positions where such would have an adverse impact on efficient operations. Prior to accepting the positions, in instances where employees do not meet the qualifications for the positions, the employee, steward or Union Representative, and supervisor should meet to clarify training, orientation, and feedback expectations.
- 3) Employees who do not qualify or meet the reasonable performance expectations of the supervisor during the ninety (90) day evaluation period will displace the least senior employee according to Section 4 or may be offered, at the sole discretion of the Employer, an available vacancy.
- 4) If an available job opening is offered to any employee during the notification period and it is accepted by the employee, the rate of pay for the job, as set forth in the

appropriate wage appendix, shall become effective at the end of the notification period.

- 5) Employees on a notification period under Section 1.A. above will receive a two week notice of layoff off or two weeks pay in lieu of notice. Regardless, these employees will be placed on a notification period during which time, these employees may exercise preferential consideration for vacancies, according to Section 3.
- 6) Employees on a notification period under Section 1.B. above will continue working during the notification period.
- 7) See Section 4 for displacement of Personnel under this Section.

# **Section 4. Displacement Procedure**

In all cases of reduction in work force or layoffs and rehiring, the principles of seniority shall govern, provided that the employee is qualified to perform the job. Employees shall be permitted to displace other employees as follows:

- The most senior employee in the job classification in the affected unit to be reduced shall displace the least senior employee in the same or comparable positions at the same facility. If there is no same or comparable position at the facility, the employee may bump the least senior employee in the same or comparable position within the Region. The displacing employee shall be paid the step rate of the job classification nearest to, but not higher than, **his/her/their** former rate of pay.
- 2) The displaced employee shall be laid off.
- 3) If the displacing employee elects not to exercise **his/her/their** seniority pursuant to Paragraph (1) of this Section, s/he shall be laid off.
- In the event an employee being affected is qualified to perform another classification within the same field, and wishes to change classifications, **he/she/they** must submit to Human Resources a timely written request to change classifications. Said requests will be accommodated provided a suitable vacancy exists.

#### **Section 5. Recall Procedure**

Employees whose jobs are eliminated as outlined above shall be eligible for recall subject to the provisions of this Section:

- A. Job vacancies shall first be offered employees who previously held the job and were displaced according to this displacement procedure, in classification seniority order.
- B. Any job vacancies remaining shall then be offered to those employees on layoff within the classification, in seniority order, provided they possess the necessary qualifications to perform the job.

- C. At the time of layoff, employees may submit written notification to Human Resources that they are willing to be recalled to other positions within their professional field and for which they are qualified. Such employees will then be recalled, in seniority order, into the classification in which a vacancy occurs first. Employees recalled into a different classification then held at the time of layoff will be subject to an evaluation period. Employees failing an evaluation period on recall will return to lay off status.
- D. Employees laid off shall be eligible for recall for a period of one (1) year from the date of layoff.
- E. Employees not recalled within one (1) year following the date of layoff shall be processed as a voluntary termination.

A. VPTO refers to requests for vacation, personal-flexible days, float holidays and continuing education days. Employees shall designate which specific type of time off (vacation, personal-flexible days, float holidays and

- C. Responsibility for authorization of time off for **VPTO** shall **be designated by the employer**.

The **VPTO** year will run from April 1<sup>st</sup> through March 31<sup>st</sup>. **VPTO-**planning schedules will be posted in appropriate areas and will indicate the number of employees per each bargaining unit allowed to take **VPTO** concurrently.
- F. If at the time the VPTO request is submitted the employee has not yet accrued the needed time off but will accrue the VPTO by the time of the dates requested, the dates should be granted according to the parameters outlined in this section. If the employee has not accrued the requisite time off by the date the time off is to be taken, the Employer reserves the right to require the employee to work the amount of time that the employee has not accrued or permit the employee to utilize other paid time.
- G. During the selection period, from January 15<sup>th</sup> to February 6<sup>th</sup> employees may submit multiple requests for **VPTO** by marking their choices (example 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup>, etc.) on the **VPTO** request **platform**. **The first** two- (2) **available VPTO** requests will be **granted** in the first round; **two-** (2) **available VPTO** requests will be **granted** in the second round; single requests will be **granted** in subsequent rounds. **All requests will be based on predetermined staffing needs.** A "round" will equal one pass through the seniority list, with **VPTO** requests granted in order of seniority. Approved **VPTO** schedules will be posted on or before March 1<sup>st</sup> in **a way that is** accessible to employees.
- H. Employees may elect to submit **VPTO** requests during the selection period and/or outside the selection period. Requests submitted outside the selection period will be limited to available dates not previously filled. Approvals for requests outside the selection period will be reviewed on a first come, first served basis using **the applicable time stamp**. Seniority will apply when two (2) or more requests are submitted with the same date. Normally, employees will be required to submit **VPTO** requests no less than two (2) weeks prior to the posting of the employee's work schedule. The Employer will consider **VPTO** requests with less than the normal notice in unusual circumstances.
- I. The supervisor shall respond to the employee in writing regarding a **VPTO** requested outside the selection period within two (2) weeks from the date the request was submitted by the employee. The written response shall indicate that the request was (A) Approved

Requests shall be deemed "continuing requests" only when efficient operations and staffing needs cannot reasonably be assessed. In the event the **VPTO** request can be approved/denied/continued prior to two (2) weeks, the supervisor will communicate such to the employees as soon as possible. Approvals for timely **VPTO** requests shall not be contingent upon the employee securing **his/her/their** own replacement as long as there are vacant spots on the **VPTO** schedule.
- J. Employees voluntarily transferring from one facility or department to another will be required to select **VPTO** in accordance with the planning schedule in effect for the new facility or department. Further, employees will be restricted to open dates not previously filled by scheduled **VPTO** or approved leaves of absence. Exceptions may be granted in extenuating circumstances. The Employer will **make every effort** to accommodate previously scheduled **VPTO** in instances where employees are involuntarily transferred by the Company.
- K. Seniority shall govern, as necessary, in authorizing **VPTO** requests. Once a **VPTO** has been authorized by the supervisor, no senior employee may bid into the schedule or otherwise claim the date.
- L. If an approved, scheduled **VPTO** is cancelled by the Employer, the Employer will reimburse the employee for irrevocable, non-refundable and not-transferable cost upon verifiable proof of loss. The employee shall surrender any tickets for which they are being reimbursed to the Employer.
- M. Employees may request **VPTO** schedule changes or cancellations, in writing, at any time. Notice must be given prior to the change or cancellation. The Employer will attempt to place the employee back on the schedule.
- N. New openings in the vacation schedule will be made available to employees for one (1) week. If these dates were previously denied during the selection period, employees may resubmit the original copy of the denied request and be given priority. In the event there are no resubmissions, continuing requests will be considered. If none of the above apply the open vacation time shall be granted on a first come, first served basis.
- O. Advanced Practice Providers (APPs) and their physician colleagues will coordinate their vacation schedules. It shall be the responsibility of the Medical Office **Director** or equivalent to ensure that the scheduling is fair and equitable. In the event there is disagreement that the process has been fair, the APPs have the right to appeal to any representative of the Primary Care Leadership Team or Operational Leadership Team, and their Union Steward and/or Union Representative. Such appeals will be scheduled and decided within 2 weeks. If not satisfactorily resolved, the issue may be submitted to the grievance/arbitration procedure.

#### **Section 4. Holiday During Vacation**

If a recognized holiday falls within an employee's **VPTO** on a regularly scheduled workday, pay for the day shall be charged to the holiday and not to **VPTO**, provided the employee is eligible for holiday pay.

#### **Section 5. Vacation Carryover**

Annual vacation allowance shall be taken during the one (1) year period following the employee's anniversary date of eligibility. However, operating requirements or special vacation circumstances may occasionally prevent an employee from taking all earned vacation within the anniversary year. When such circumstances arise, an employee may carry over an amount equal to double (2) **his/her/their** current annual vacation allowance, subject to the approval of the Employer. Vacation allowance cannot be earned in excess of this amount. For example, an employee with two (2) years of service may carry a maximum of four (4) weeks of vacation allowance (2 weeks x 2) at any given point in time and cannot earn additional vacation allowance until vacation time is utilized.

#### Section 6. Vacation Pay Upon Termination

- A. Upon termination from the Company, an employee with at least six (6) months of service as a regular employee shall be paid for any earned vacation allowance unused as of the date of termination; however, in no event shall this amount exceed two (2) years of vacation accumulation.
- B. The employee may not use vacation time off to extend **his/her/their** length of employment.

#### Section 7. Use of Vacation to Care for a Sick Child, Spouse, or Parent

If requested, the supervisor shall grant vacation, float holidays or personal time off (PTO) for an employee to care for a sick child, spouse, or parent. In such cases, vacation may be used in increments of less than 8 hours.

# **ARTICLE 14. SICK LEAVE**

#### **Section 1. Sick Leave Allowance**

- A. Each regular employee shall accumulate one (1) day of paid sick leave for each calendar month of service as a regular employee.
- B. The one (1) day monthly sick leave shall be accumulated on the basis of hours paid during each pay period not to exceed a 1.0 FTE rate of accumulation.

#### Section 2. Sick Leave Pay Eligibility Requirements

- A. The employee must meet the definition of a regular employee.
- B. During the first six (6) months of employment, employees are not eligible to accumulate sick leave on a per pay period basis. After completion of six (6) months of service as a regular employee, the employee's sick leave account will be credited with six (6) days of sick leave which is then available for use, subject to the provisions of this Article.
- C. Sick leave shall be applicable only if the employee is ill on a regularly scheduled workday.
- D. The supervisor may require a written physician's/provider's verification of illness sufficient to justify the employee's absence from work for the period claimed.

### **Section 3. Sick Leave Pay**

- A. Sick leave pay shall be at the employee's regular straight-time rate of pay, including applicable shift premium, for the number of hours the employee would have worked had **he/she/they** worked **his/her/their** normal shift. In the event the employee's normal shift cannot be determined due to shift fluctuations between payroll periods, sick leave pay shall be for the employee's assigned full-time equivalent hours.
- B. Accumulated sick leave shall not be converted to a cash payment.

#### **Section 4. Illness During Shift**

If an eligible employee becomes ill before completion of **his/her/their** shift, the employee shall be paid for hours worked and shall receive paid sick leave for the hours not worked during the balance of **his/her/their** scheduled shift.

# Section 5. Sick Leave for Medical/Dental Appointments

- A. An eligible employee with at least six (6) months of service may use sick leave for hours directly associated with medical/dental appointments, subject to the eligibility requirements outlined in this Section.
- B. Responsibility for authorization of time off for medical/dental appointments shall rest with the supervisor, subject to staffing requirements and efficient operations.

## Section 6. Integration of Sick Leave With Workers' Compensation

- A. If the employee receives Workers' Compensation insurance payments, Employer-paid sick leave shall be reduced by the amount of Workers' Compensation insurance pay received by the employee. Only the amount of sick leave which is integrated with Workers' Compensation payments shall be charged against the employee's sick leave account. For example, after three (3) days, approximately one-third (1/3) sick leave is charged per day.
- B. Workers' Compensation insurance payments shall not be charged against the employee's sick leave account.

#### **Section 7. Infectious Diseases**

The Employer recognizes that health-care workers covered under this Agreement may contract infectious diseases or illnesses which may require a reduction, modification or change in work scope involving direct patient contact. It is the Employer's intent to accommodate such employee's work assignment by exercising its best efforts to change the employee's duties consistent with their qualifications and requirements under the law.

In the event an employee becomes disabled or is no longer able to perform job duties because of illness, the employee shall be eligible for sick leave, disability benefits or leave of absence as applicable in this Collective Bargaining Agreement.

#### **Section 8. Holiday During Sick Leave**

If an employee is on excused paid sick leave the day before and/or the day after a recognized National holiday, and the employee is otherwise eligible for holiday pay according to Article 12, Section 2, the day will be paid as holiday not worked.

# <u>Section 9. Sick Leave for Sick Child, Spouse, Parent, Pregnant Spouse, or Spouse Recovering from Pregnancy</u>

Employees may use sick leave to care for a sick child, spouse, parent, pregnant spouse, or spouse recovering from pregnancy, providing the requesting employee has at least five (5) days of sick leave accrued (or its equivalent in FTE hours) at the time of the request to use sick leave for a child, spouse or parent is made.

#### Section 10. Personal/Flexible Days

For the purpose of enhancing work/life balance, one (1) sick day will be converted to one (1) Personal Flexible day in accordance with the Time Off Benefit Enhancement of the National Agreement.

Flexible Personal hours may be used in increments of no less than 2-hours and will not be counted towards attendance.

#### **Section 11. Sick Leave**

Sick leave shall be applicable if an employee is on a scheduled vacation day and has a medically documented illness.

# **ARTICLE 15. EDUCATION AND TRAINING**

#### Section 1. Scope

The parties recognize that the health care professional has the primary responsibility for obtaining and financing on-going education and training. However, the Employer recognizes the value of continuing employee education in providing Health Plan members and the general public with professional health care services which meet the highest quality standards. Thus, the Employer agrees to assist eligible employees in their endeavor to obtain and finance continuing education and training in their respective health care professions.

# **Section 2. Continuing Education Programs**

A regular employee with at least one (1) year of service as a regular employee shall be eligible to attend continuing education programs during working hours in accordance with the following:

- (a) The program must be related to the employee's current job classification. The determination of whether a particular continuing education program is related to an employee's current job classification shall be made by the Employer. Further, if the Employer provides an internal continuing education program which is similar to the program requested by the employee, he/she/they shall be required to attend the internal program. If the program is taken virtually, the employee need not take the course in a Kaiser facility.
- (b) The employee must submit a written request to attend the continuing education program at least eight (8) weeks in advance for employees scheduled to see patients and at least four (4) weeks in advance for all other employees, and/or through the processes identified in Article 13 Section 3 during the annual VPTO scheduling period. Consideration for approval shall be given when courses are offered with shorter notice, provided staffing needs are met.
- (c) The program must be offered by an accredited educational institution or professional organization which is recognized by the Employer. Some of the CEU benefit may, with consultation of the employee, be suggested by the supervisor for a class that management deems appropriate for the individual to attend.
- (d) The employee must successfully complete the program as certified by an official report, transcript, or other proof of attendance from the institution in which the program was taken.
- (e) When the above conditions are met, the employee shall be reimbursed for any educationally related software, books and journals related to the employee's job and/or be reimbursed for any tuition fees, books and travel expenses directly associated with the continuing education program, up to the expense limits

identified in this Section, and subject to verification of expenses. It is expressly understood and agreed annual paid days can be used for travel time as well as for class attendance if either occurs during normal working hours, even if on a non-working day.

- (f) Annual paid days and expense allowance shall be credited to the employee on his/her/their anniversary date as a regular employee. Annual paid days and expense allowance for continuing education which is not used in the anniversary year earned may carry over to the next year. In no event may an employee accumulate more than twice his or her annual paid days. It is expressly understood that "paid expenses" can be used for all travel expenses to include overnight accommodations and transportation.
- (g) Employees may use the continuing education expense allowance for programs taken during either working or non-working hours. In no event shall more than one educational benefit apply toward the same program. For example, an employee may not use continuing education expense allowance and tuition reimbursement for the same program.
- (h) An eligible regular employee shall be granted continuing education allowance based upon **his/her/their** length of service as set forth below:

| Completed Years<br>of Service | Annual Maximum<br>Paid Days | Annual Maximum Paid Expenses |
|-------------------------------|-----------------------------|------------------------------|
| 1                             | 1                           | \$158.40                     |
| 2                             | 3                           | \$497.20                     |
| 3                             | 5                           | \$792.00                     |

The above monies can be used for educationally related software, books and journals related to the employee's job and/or be reimbursed for any tuition fees, books, associations fees, certification and travel expenses directly associated with the continuing education program, up to the expense limits identified in this Section, and subject to verification of expenses.

(i) All eligible regular Pharmacists shall be granted continuing education allowance based upon **his/her/their** length of service as set forth below:

| Completed Years of Service | Annual Maximum Paid Days | Annual Maximum Paid Expenses |
|----------------------------|--------------------------|------------------------------|
| 1 Year                     | 2 days                   | \$198.00                     |
| 2 Years                    | 3 days                   | \$594.00                     |
| 3 Years                    | 5 days                   | \$990.00                     |

- (j) Annual paid days shall be accumulated on the basis of the employee's assigned full-time equivalent (FTE) hours per workweek, not to exceed a 1.0 FTE rate of accumulation.
- (k) An eligible employee regularly assigned to an evening or night shift may use his/her/their paid continuing education days to attend continuing education programs offered during the day. The parties intend that this provision apply only in instances where the continuing education program requested is not offered on the employee's scheduled day off. An evening shift employee shall not be required to work his/her/their scheduled shift immediately following a full-day educational leave program. A night shift employee shall not be required to work his/her/their scheduled shift immediately prior to a full-day educational program. Pay for the continuing education day shall be as described in Paragraph (k) of this Section.
- (l) Pay for time spent in continuing education programs held during working hours shall be at the employee's regular straight-time rate of pay, including applicable shift premium, for the number of hours the employee would have worked had **he/she/they** worked **his/her/their** normal shift up to a maximum of ten (10) hours. In the event the employee's normal shift fluctuates between payroll periods, pay shall be for the employee's assigned full-time equivalent hours.
- (m) In the event a part time employee uses all the allowed Continuing Education dollars and days for an anniversary year, and in the event the part time employee has consistently worked over their FTE, **he/she/they** may submit a request to Human Resources for an adjustment. If the review determines that the actual hours worked are equivalent to a greater FTE status, additional CEU dollars and days will be added to the account accordingly.
- (n) If an employee uses education time in excess of the accrued allotment of time, the difference will be deducted from the employee's vacation account. If the employee has not accumulated vacation, the difference will be deducted from the next paycheck.
- (o) Opticians may use one (1) of their annual paid days to prepare for or to take certification exams. In addition, Certified Opticians will be reimbursed for the annual association fees associated with joining an Optician Agreement.
- (p) All eligible regular Audiologists, Physician Assistants, Nurse Practitioners, Physical Therapists, Certified Nurse Midwives, Optometrists, Genetic Counselors, and Occupational Therapists, Radiology Practitioner Assistants, Chiropractors, Acupuncturists, Ergonomic Consultants, and Speech Pathologists shall be eligible for five (5) annual paid continuing education days, upon hire and for each anniversary year thereafter. If additional qualifying job classification of providers and Advanced Practice Providers are added to the Collective Bargaining Agreement in the future the parties will meet and discuss adding those roles to this provision.

When the conditions are met as outlined in the provision of Article 15, Section 2 of the collective bargaining agreement, the employee shall be reimbursed for any

tuition, fees, educationally-related software, certification, association fees, journals, and books related to the employee's job up to \$1,650.

In entering into this Agreement, the parties expressly agree that this agreement only affects Audiologists, Physician Assistants, Nurse Practitioners, Physical Therapists, Certified Nurse Midwives, Optometrists, Genetic Counselors, and Occupational Therapists, Radiology Practitioner Assistants, Chiropractors, Acupuncturists, Ergonomic Consultants, and Speech Pathologists. All other eligible regular employees are subject to the terms and conditions of Article 15, Section 2 of the collective bargaining agreement.

#### **Section 3. CEU Benefits**

The following adjustments should be made to the CEU accounts of employees eligible to receive CEU benefits and who transfer from full-time to part-time status and vice versa.

If eligible for three (3) days at a full-time status:

Applies to a status change from or to a .8 FTE or less.

At the time of transfer from part-time to full-time status, if the eligible employee will have spent more than six (6) months of the anniversary year in a part-time capacity, no additional CEU time will be added to **his/her/their** CEU account.

At the time of transfer from <u>part-time</u> to <u>full-time</u> status, if the eligible employee will have spent more than six (6) months in a full-time capacity, one-half (1/2) day will be added to **his/her/their** account.

At the time of transfer from <u>full-time</u> to <u>part-time</u> status, if the eligible employee will have spent more than six (6) months of the anniversary year in a full-time capacity, no CEU time will be deducted from **his/her/their** account.

At the time of transfer from <u>full-time</u> to <u>part-time</u> status, if the eligible employee will have spent less than six (6) months of the anniversary year in a full-time capacity, one-half (1/2) day will be deducted from the employee's current CEU account. (If no CEU time remains at the time of transfer, no recovery will be made.)

No adjustments will be made for a change from/or to a .9 FTE.

Employees are responsible for notifying Human Resources that an adjustment needs to be made to **his/her/their** account. If the employee does not notify Human Resources and the employee uses more than **he/she/they** is eligible for, the excess will be deducted from the employee's vacation account.

In the event that employees transfer in status multiple times, it is not the intent of the parties for anyone to receive more than the maximum allowed for a full-time employee.

#### **Section 4. Tuition Reimbursement**

A regular employee with at least six (6) months of service as a regular employee shall be eligible to enroll in educational programs held during non-working hours, in accordance with the following:

- (a) The course or training program must be taken at an accredited school, junior college, four-year college, university or other equivalent institution. Consideration may be given to non-accredited educational programs which are approved by a professional organization recognized by the Employer.
- (b) Each individual course or training program, whether or not a component of a degree program, must be related to the employee's current work assignment and/or potential for advancement within the Company. Upon employee request, the Employer will advise an employee enrolled in a degree program of those electives which meet the criteria specified above. Responsibility for authorization of a course for tuition reimbursement purposes shall rest entirely with the Employer.
- (c) The course or training program must be taken during nonworking hours.
- (d) In accordance with this Section, tuition reimbursement may be applied to the cost of tuition, fees, and textbooks required to take the course. Other expenses associated with the course, such as transportation, parking, equipment, periodicals and uniforms shall not be reimbursable.
- (e) Reimbursement shall be forfeited if, prior to successful completion of the course or training program, any of the following occur:
  - (1) Voluntary or involuntary termination

  - (2) A non-credit course
  - (3) A course which is audited
- (g) Receipts for allowed expenses and official confirmation of successful course completion must be submitted for reimbursement within ninety (90) days of course completion. The Employer then shall reimburse employees according to the following:

- (4) In determining the prorated FTE allowance above, the Employer will use all hours paid during the preceding calendar year, not to exceed a 1.0 FTE.
- (5) The annual expense allowance not used in the calendar year earned shall not carry over to the next year.
- (h) Employees who are required to have remote access, as mutually determined by the Union and the Employer on a case-by-case basis, shall be reimbursed for the cost of internet service.

Additionally, if the employee's job requires remote access and the Employer determines that computer hardware is needed, the Employer shall purchase and install such hardware in accordance with the Flexible Workplace Arrangements Procedure Personnel Policy 3.26, which can be found on the Human Resources website. The hardware will be considered Company property.

#### Section 5. On-the-Job Employee Development

It is each employee's responsibility to keep abreast of developments in **his/her/their** respective field. The Employer shall arrange during working hours, subject to staffing requirements and efficient operations, to assist professional health care employees to learn new procedures and to operate new equipment in the Employer's facilities.

Benefit continuation payments are due to the Human Resources Department by the 15th of the month following the end of Employer-paid coverage, and for each subsequent month during the leave of absence period. If an employee neglects to pay the monthly payment by the 15th, he/she/they will be terminated from all benefit plans on the first day of the month in which the payment was not received, and he/she/they will be billed for any services received during this period.
- F. Coverage of health care, dental, life insurance and other benefits shall resume on the first day of the employee's return to work. An employee on a personal leave of absence who returns to work on or before the 15th of the month shall not pay the premium payments for these benefits for that month. In such instances, the employee will be forwarded and must sign a form waiving reinstatement rights under the medical or personal leave sections, and the maximum leave period for the combined leaves may not exceed two (2) years. The Employer will fill the vacant position when the employee begins the medical or personal leave. Upon return, the employee's reinstatement rights shall be in accord with the educational leave section.
- I. An employee who does not return to work prior to the maximum leave of absence period specified in this Article shall be processed as a voluntary termination.
- J. All persons who replace employees who are on a leave of absence shall be so advised and shall be informed of the approximate date the regular employee is expected to return.

Further, the employee must submit to the Human Resources Department an Attending Physician's Statement from **his/her/their** physician/provider certifying that **he/she/they** is disabled for the leave of absence period requested.
- B. In the determination of a medical disability leave of absence commencement and ending date, the Employer shall consider the Attending Physician's Statement and any factor(s) which affect the employee's ability to safely and effectively perform **his/her/their** customary job duties.
- C. At the beginning of the disability period, the employee must exhaust **his/her/their** sick leave account. Immediately thereafter, the employee may elect to use any earned vacation and/or float holidays prior to the beginning of a leave of absence. - D. The duration of a medical disability leave of absence shall be that period during which the employee is certified as disabled by **his/her/their** physician up to a maximum of six (6) months, for employees with less than five (5) years of service, and twelve (12) months for

- employees with five (5) or more years of service, including any sick leave or vacation taken immediately prior to the leave of absence.
- E. Employees who request a medical disability leave of absence for pregnancy-related purposes, to be followed by a personal leave of absence to care for the newborn child, shall be considered as having requested one (1) leave of absence under this provision. The personal leave of absence must directly follow completion of the period of pregnancy disability, including any sick leave and/or vacation taken immediately prior to the medical disability leave.

- H. When an employee returns to work from an authorized medical disability leave of absence, he/she/they shall be reinstated to the same position held prior to his/her/their leave of absence, provided the attending physician releases him/her to return to work. In cases where the physician has released the employee to return to work with restrictions, the Employer will determine if a reasonable accommodation can be made. However, if the employee is unable to perform their job, or if conditions have changed in the facility to the extent that it is not reasonable to reinstate the employee to his/her/their former position, he/she/they shall be reinstated to a position that is as nearly comparable to the former position as is reasonable under the circumstances.

- A. An employee must have at least six (6) months of service to be considered for a personal leave of absence.
- B. In the following situations, a personal leave shall normally be granted:

Mileage reimbursement shall be paid for any difference between the employee's customary drive to and from work and his/her/their drive to another facility, as assigned by the supervisor.

## **Section 2. Bulletin Boards**

The Employer shall provide designated space at each facility on the existing bulletin board for the use of the Union. The posted material shall first be submitted to the Director of Labor Relations and/or Medical Office **Director** for review.

## **Section 3. Notice of Resignation**

In the event an employee must resign **his/her/their** position, the Employer requires that employees scheduled to see patients provide a letter of resignation to the supervisor at least four (4) weeks in advance to allow for rescheduling of patients. Other employees shall be required to provide at least three (3) weeks of notice. Those not meeting applicable notice requirements shall be marked ineligible for rehire.

# **Section 4. Member Difficulties**

Difficult situations with health-plan members may be reported to Customer Service via the employee's immediate supervisor. The employee will receive a prompt response.

# **Section 5. Video Display Terminals**

The Employer agrees to meet and confer with both U.F.C.W., Local 7 and S.E.I.U., Local 105, upon request, over issues of concern regarding VDT utilization guidelines. The parties acknowledge that changes in technology, new research on health and safety issues and other factors may necessitate the updating of the current guidelines during the term of this Agreement.

# **Section 6. Replacement Coordination**

When employees are absent for any reason, the Employer will make reasonable, good-faith efforts to maintain staffing commensurate with the workload, and to replace absent employees when necessary. To that end, the Employer will coordinate staff replacements through exercising best efforts to: maintain a pool of qualified on-call employees, establish mechanisms to facilitate the assigning of additional hours, and if efficient, maintain a pool of staff hired specifically to float from department to department as relief personnel. If the Employer hires staff as Float Pool employees, special conditions unique to Float Pool employees are outlined in a Letter of Understanding between the parties.

# **Section 7. Recording Time Worked**

It is the intent of the parties that there should be no time off-the-clock work practices under this Agreement.

# Section 8. National Agreement (see Appendix B)

The National Agreement shall become an addendum to the collective bargaining agreements of the parties. Pursuant to Section 3: Scope of the Agreement. C. The National Agreement and Local Agreements, by being signatory to the National Agreement, Kaiser Permanente and UFCW, Local 7 units have not intended to eliminate or modify any superior wage, benefit or condition in their local agreement, and the national Agreement should not be interpreted to deprive the employees of such wages, benefits, or condition or language.

To that end, the parties have discussed the necessity to concurrently use the staffing language found in both the National Agreement and the Local Agreement. While it is expected that Local 7 will participate in the Pilot Programs and staff planning and budgetary processes identified in the National Agreement, it is also expected that current staffing committees, problem solving processes and rights related to staffing and patient care (Article 24) under the current local language will continue simultaneously.

For other contract provisions, while it is not intended that local provisions are in any way modified, where language exists in both the National Agreement and the Local Agreement, the parties will discuss which language should be used given the circumstances. Disagreements, if any, will be handled pursuant to the National Agreement.

Performance Sharing. While the National Agreement provides for a pro-rata portion, based upon the ratification date, the same shall be paid for the entire year. The Performance Sharing Program can potentially pay 1% in 2003 (for 2002 performance). 2% in 2004 (for 2003 performance) and 3% in 2005 (for 2004 performance). Financial, service and/or quality targets are jointly set.

## **Section 9. Joint Market Review Team**

The parties recognize the need to identify significant wage level disparities with market during the life of the agreement. To that end, a Joint Market Review Team shall meet semi-annually to identify any market issues and jointly develop the action needed. The parties agree specific meeting dates are needed to assume this is done with a core group.

# Section 10. Career Ladder

The parties shall continue to maintain the career ladder for Registered Nurses. The Registered Nurse Career Ladder Committee shall continue. Employees will continue to be paid by the employer for time spent. The Labor Management Committee may establish career ladders for other classifications.

# **Section 11. Flexible Workplace Arrangements**

Employees who are required to have remote access, as mutually determined by the Union and the Employer on a case-by-case basis, shall be reimbursed for the cost of internet service.

Additionally, if the employee's job requires remote access and the Employer determines that computer hardware is needed, the Employer shall purchase and install such hardware in accordance with the Flexible Workplace Arrangements Procedure, Personnel Policy 3.26, which can be found on the Human Resources website. The hardware will be considered Company property.

# **Section 12. Standard Outbound Interfaces for Unions**

The union agrees to accept the Standard Outbound Interfaces for Unions for the purposes of consistent data reporting.

# **Section 13. DEA Licensures**

The Employer will reimburse the cost for DEA licensures for those positions where such license is required by law to practice.

# Section 14. Experience

The Company can institute year for year experience credit for advance step placement. This accelerated rate of pay applies only to the surgical unit and if nurses transfer out of the unit. The new rate of pay will be calculated under the normal recognition for experience, and the pay step will be adjusted respectively.

# **Section 15. Economics**

All economic items will be discussed during the October discussions. The parties have agreed to schedule October 1, 2005 and October 5, 2005.

# **Section 16. Settlement Agreement**

Local 7 represents a bargaining unit described in Article 1, Section 1 of the Collective Bargaining Agreement ("CBA") dated March 2, 2003. That bargaining unit description has been included in the parties' CBAs since 1980.

Between 1980 and the present, Kaiser Permanente's operations have undergone a number of organizational changes that have resulted in the elimination, expansion or consolidation of departments and positions that existed in 1980, the creation of new departments and positions that

did not exist in 1980, changes in the functions performed by departments, and resulting changes in the duties, responsibilities and reporting relationships of many positions.

During the term of the 2003 CBA the parties have engaged in a number of disputes concerning the bargaining unit placement of positions that the Employer has classified and filled as non-union positions. The Union has contended that certain such positions have been improperly classified, posted, and filled as non-union positions, and that they involve work that has been and should be performed by members of their bargaining unit. The Employer has disagreed with the Union's contentions.

1. <u>Positions created during the term of the 2003 CBA</u>. Upon ratification, the following positions shall be reclassified to the existing Professional Bargaining Unit:

**Bariatric Services Coordinator** Clinical Pharmacy HealthConnect Cosmetic Services Coordinator **Diversity Clinical Development Coordinator Employee Health Coordinator** Optical Production Lab Team Leader Optical & Contact Lens Trainer Palliative Care Coordinator Pharmacy Benefits and Support Services Coordinator Quality Performance Coordinator **Transplant Coordinator** Vascular Access/Transplant Coordinator Senior Transplant Coordinator Clinical Content Coordinator \* (jurisdiction) Clinical Faculty\* (3<sup>rd</sup> party neutral) Regional Infection Prevention Nurse\* (3<sup>rd</sup> party neutral)

- 2. <u>Designation of Permanent Neutral</u>. The parties will, no later than October 30<sup>th</sup>, 2005, jointly select an independent arbitrator with significant NLRB experience, who will agree to apply Board standards to resolve disputes relating to the bargaining unit placement of disputed positions on an expedited basis. The Arbitrator shall be required to issue a decision no later than January 1<sup>st</sup>, 2006. In issuing any award pursuant to this Agreement, the Permanent Neutral shall interpret and apply the terms of the CBA as clarified by this Agreement, any applicable letters of understanding, and any additional applicable agreements executed by the parties after the execution of this Agreement. Any decision of the Permanent Neutral shall also be consistent with the requirements and limitations of applicable laws. The losing party shall pay the Arbitrator's fees and expenses. In the event of a split decision, said fees and expenses shall be shared equally.
- 3. For the positions which may be organized, the Company shall follow the National Labor-Management Partnership Recognition and Campaign Rules (dated 8/03/99). In the event of any dispute, the parties shall within thirty (30) days, resubmit the issue to arbitrator referenced above. The Arbitrator shall be required to issue his decision within thirty (30) days.

4. The Company shall grant leaves-of-absence for up to seven (7) bargaining unit members for up to six (6) months for the purpose of organizing. These members shall be returned, upon conclusion for the leave, to their former position. The members' seniority and other benefit protections shall be in accordance with the National Agreement, Section 1(K)(1). In order to meet staffing needs for the replacement of the absent bargaining unit member, the Union agrees to waive any arbitration rights related to the replacement of the bargaining unit member. Such replacements will not have rights to Employment Income Security.

Any disputes over the application or interpretation of this Agreement shall be submitted to the same Arbitrator on an expedited basis as set forth above.

# **ARTICLE 22. EMERGENCY DEPARTMENTS**

## **Section 1. Emergency Departments**

# A. <u>Statement of Purpose</u>

The parties acknowledge that the Employer's Emergency Departments operations pose a number of scheduling problems. In an effort to specifically address and resolve these areas of concern, the parties have agreed to the following Coverage Program. The parties enter into this arrangement with the anticipation that it will reduce the coverage problems experienced in the Emergency Departments.

# B. Evaluation of Program

The Emergency Department Coverage Program will remain in effect and may periodically be reviewed at the request of either party.

# C. Emergency Department Staffing Pool

- 1. The employer will designate a staffing pool comprised of short hour and on-call employees for staffing the Emergency Departments. Orientation will be based on skills assessment and experience level.
- 2. Staffing pool employees will be required to be available for eight (8) shifts per month based upon department need. Availability of shifts will be posted for regular and on-call employees. Of the eight (8) shifts, three (3) must include weekend shifts, two (2) evenings and two (2) night shifts must be included in the eight (8) available shifts. On-call staff will be scheduled a minimum of six (6) shifts per month.
- 3. All On-call employees will be expected to work at least one (1) Summer and two (2) Winter National Holidays.
- 4. If an On-call employee is unavailable to work during the next scheduled period, **he/she/they** must notify **his/her/their** supervisor two (2) weeks prior to the schedule being posted. If not scheduled within three (3) months, they will be terminated.
- 5. Any health care professional employee in this unit from other facility departments who volunteers to work shifts in the above listed departments is exempt from paragraphs C1-C4 above.

## D. Emergency Department Coverage

1. The Employer will employ a core staff in the Emergency Department in order to ensure coverage for all required shifts. The employee may request and the Employer will make every reasonable effort to schedule up to three (3) national Holidays off per year, including at least two (2) Summer and one (1) Winter National Holiday.

- 2. Availability of shifts will be posted for regular, clinic and on-call employees within the department.
- 3. The Employer will attempt to distribute overtime equitably among qualified core staff within any job classification concerned within the facility.
- 4. After equitably rotating any qualified employees who have volunteered for overtime, the Employer will equitably rotate any remaining overtime among qualified employees in reverse seniority order, beginning with the least senior qualified regular or short-hour employee in the job classification concerned within the facility.
- 5. Employee at risk for assignment will be notified thirty (30) days in advance.
- 6. The most senior employee drafted will have his or her choice of open shift and location for which they qualify.

# Section 2. Emergency Department Step for Step

Registered Nurses, Nurse Practitioners, Surgical Assistants/Orthopedics, Certified Nurse Midwives and Physician Assistants, transferring into the Emergency Department will move step for step on the pay structure, rather than moving into the structure under the promotion language.

# **ARTICLE 23. DISCIPLINE AND DISCHARGE**

# Section 1. General

- A. If a supervisor intends to meet with an employee for the purpose of issuing an Action Plan, Performance Improvement Plan, or Formal Disciplinary Action, or to conduct an investigatory interview to determine the need to administer any such action, the supervisor shall inform the employee of the nature of such meeting prior to the inception of the meeting. The employee may request that a Union Steward, Union Business Representative or another Union employee attend the session.
- B. An employee shall be informed of any Plan or any Disciplinary Notice placed in **his/her/their** personnel file and shall be provided with a copy of such Plan or Notice and provided an opportunity to affix **his/her/their** signature thereto as recognition of being informed. The employee shall be given an opportunity to submit explanatory remarks for the record.
- C. Employees shall be periodically permitted to review the department file, which is maintained by the supervisor, and permitted to submit explanatory remarks regarding any contents.
- D. Employees shall not be subject to discipline for use of accumulated sick leave provided:
  - 1. The employee has a good attendance record; and
  - 2. The employee shows no pattern of sick leave abuse such as: sick leave usage on Mondays, Fridays, days before or after a Holiday, or days for which time off was previously denied.
- E. The Employer shall not discipline any employee without cause.
- F. No employee will be reassigned due to job performance problems without good reason.

## **Section 2. Performance Improvement Steps**

In recognition of the professional status of the classifications covered under this Agreement, the following steps will be used to address performance issues:

## A. Resolution Procedure

The Employer and Union agree that prior to the implementation of an Action or Performance Improvement Plan, the parties involved shall attempt resolution through informal coaching and/or counseling so that further discipline may not be necessary. The employee has the right to Union representation. The supervisor shall notify the employee and a Union Representative about the need for a meeting. Upon notification by the supervisor, the Union Representative shall contact the employee regarding representation at the requested meeting. The dialogue shall focus on resolving the performance issue(s) to the satisfaction of all parties on an informal and amicable basis. Facts surrounding the performance issue(s) shall be

presented reviewed and options discussed. Issues must be addressed within a reasonable period of time.

# B. Action Plan (Step 1)

In the event that a performance related grievance persists beyond informal coaching, counseling, or learning plans, or if the incident is of a more serious nature, the employee, Steward or Union Representative, if requested, and the Manager should develop a plan specifying the areas of needed improvement and the corrective action required. The Action Plan will then be written by the supervisor. The Action Plan should include specifics of what are deficient, specifics of what action needs to be taken and time tables for completion. Timetables should be realistic. The Action Plan will be retained in the supervisor's file only, but will not be used as evidence in further progressive steps provided there has been no recurrence of the issue in the Action Plan within twelve (12) months of the initial incident.

# C. <u>Performance Improvement Plan (Step 2)</u>

- In the event the issues identified in the action plan persist beyond the agreed upon time table, or if the issues are of a more serious nature, a Performance Improvement Plan will be developed by the supervisor and the employee. If requested, the Steward or Union Representative may offer suggestions to be included in the Performance Improvement Plan. The Performance Improvement Plan will be maintained in the employee's Personnel file along with the previous Action Plan, if any. Performance Improvement Plans over eighteen (18) months old shall not be used as evidence in further progressive steps.
- 2) Although Action Plans and Performance Improvement Plans are considered to be a more professional and less formal means of addressing performance issues, it is understood that both parties agree that the steps taken herein satisfy the progressive disciplinary steps of more formal programs.

# D. Formal Disciplinary Action (Step 3)

A Level 3 Corrective Action Plan may remain active for up to one (1) year as mutually agreed by the parties. However, any such Corrective Action Plans will not be used as evidence in discipline and discharge cases after one (1) year from the date of the incident, provided there is no occurrence of similar nature during this time.

An active Level 3 Corrective Action Plan shall not automatically preclude consideration for another position. The hiring supervisor will decide whether to accept the bid, taking into consideration the nature, severity, and relevancy of the infraction.

# Section 3. Discharge

- A. The Employer shall not discharge any employee except for good and sufficient cause.
- B. Any non-probationary employee who believes that **he/she/they** has been discharged without good and sufficient cause shall have the right to appeal such discharge in accordance with the grievance and arbitration procedure.
- C. Any employee who is discharged shall be informed in writing, at the time of the discharge, of the reason(s) for the discharge. If the employee is not present on the date of termination, the written discharge notice shall be mailed to the employee's last-known address together with any final check.

# **ARTICLE 24. FLOAT POOL**

An internal replacement service staffed by regular status employees will be provided during the term of this agreement by the Employer to provide staffing assistance throughout the region in classifications determined by the Employer. If a Regional Float Pool is maintained, the following will apply to employees of that Regional Department:

- (1) Regular status Float Pool employees shall be hired to work up to forty (40) hours per week and shall be eligible for benefits, seniority, and tenure adjustments as described in the Agreement between the parties for regular full-time or regular part-time employees, except as provided herein.
- (2) The Float Pool may hire on-call employees to replace regular Float Pool employees' assignments due to vacancies, vacations, illness, etc. or to work additional Float Pool assignments.

On-call employees within the Float Pool are subject to contract provisions, Article 4, Section 5. It is understood that part of the expectation for on-call employees is availability for short-notice, same day assignments. On-call employees must follow the normal policies and procedures of the organization and Float Pool department, i.e., timekeeping, call-in, performance standards, etc.

- (3) Employees hired for or assigned to the Float Pool shall be cross-trained to work in multiple facilities, work units and/or departments. New employees to the Float Pool shall receive an orientation and training period relevant to their experience and knowledge, consistent with established standards and expectations of existing organizational programs. Orientation and training will include appropriate on-site and department placement.
- (4) Employees will be available for pre-scheduled, short-notice or same day assignments. Employees that are required to be available for same day assignment will be available between 7:00 am and 9:00 am and shall be subject to the following provisions: (a.) the employee shall be paid three dollars (\$3.00) per hour for each hour spent in such capacity, and three dollars and fifty cents (\$3.50) per hour for each hour spent in such capacity on a recognized holiday, (b.) when assigned on a same day basis, actual work time shall begin when the employee arrives at the work area ready to begin work and shall end when the employee completes the assignment and leaves the work area. Pay for hours worked shall be at the employee's regular straight-time rate of pay, excluding hours worked in excess of forty (40). Failure to be available for same day assignments more than once a year may result in disciplinary action. Exceptions will be made on a case-by-case basis. Employees may indicate preference for locations, departments, and scheduled days off. If an employee's request for preference of location or department assignment cannot be accommodated due to qualifications needed, staffing needs, feedback forms, etc., the Employer will assign the employees to facilities as needed. Consideration will be given to granting preference for scheduled days off subject to efficient operations and adequate staffing. Preferences for days off will be scheduled by Float Pool seniority.

- (5) Requests for unscheduled PTO days (personal time off) shall be submitted at least twenty-four (24) hours in advance. Approval shall be granted subject to efficient department operations. Responses to such requests shall be provided as timely as practical given when the request was submitted.
- (6) Upon completion of twelve (12) months of recent service in the Float Pool, the Float Pool employee's FTE to worked hours will be reviewed, and adjusted to reflect the actual hours paid. Upon completion of twelve (12) months of uninterrupted service (leaves of absence will be bridged) in the Float Pool, Float Pool employees may request a reduction of their FTE. Consideration will be given to granting a reduction of FTE, subject to necessary staffing, efficient operations, and seniority. The Employer will make every reasonable effort to allow at least 10% of any job classification to maintain an FTE of 0.6, and 10% of any job classification to maintain an FTE of 0.8.
- (7) Float Pool employees shall be paid a premium of one dollar seventy-five cents (\$1.75) per hour for all hours worked.
- (8) Float Pool employees who are required by the Employer to travel from one work assignment to another during the course of the workday shall be eligible for travel time up to a designated amount of time allowed for distances between each facility. The designated travel time shall be calculated into total hours worked for pay purposes.
- (9) The Employer will reimburse Float Pool employees for any business related mileage beyond the distance between the employee's home and the nearest Kaiser Permanente facility. In consideration for this arrangement, the reimbursement rate will be at the Internal Revenue Service nontaxable mileage allowance referred to in the Agreement.
- (10) Employees shall be eligible to bid on promotions after six (6) months of service and on lateral or downward transfers after twelve (12) months of services.

Employees who transfer into the Float Pool will be given thirty (30) days to decide whether they wish to remain in the Float Pool. If such employee decides not to remain in the Float Pool, the employee must notify Float Pool management in writing and will be subject to the provisions as specified in Article 6, Section 4, Paragraph B.

# ARTICLE 25. RESOLUTION/GRIEVANCE PROCEDURE

If the parties cannot agree upon an arbitrator, a list of fifteen (15) arbitrators shall be requested from the Federal Mediation and Conciliation Service (FMCS). Every reasonable attempt shall be made to hear the case within six months from the date of the grievance.

Each party shall be responsible for the cost of its own representation and witnesses.
- F) The arbitrator shall not be authorized to add to, subtract from, alter, amend, modify, or project beyond its meaning any of the terms and provisions of this Agreement.

# Section 5. General

# **ARTICLE 26. STAFFING**

The Parties recognize our mutual and ethical responsibility to provide sufficient staffing to meet quality standards of patient care. It shall be the responsibility of the Medical Office Director (MOD) or equivalent, in collaboration with the Local 7 designee and other pertinent employee group representatives to ensure that staffing related issues are addressed with consensus. An employee may call a member of the regional committee directly to address a staffing issue and file a staffing concern form.

The staffing concern form shall be referred to the staffing committee. The staffing committee will provide notice to the Area Leadership Team, if one exists, and the staffing committee may leverage the UBT and/or the Area Leadership Team to work to resolve the issues. The staffing committee may also utilize its current processes to resolve the concern.

This regional committee shall consist of, but is not limited to three (3) members designated by Local 7 and three (3) members designated by Kaiser Permanente. This committee shall continue to meet throughout the term of this Agreement.

The regional committee is responsible for reviewing the appealed staffing issues and reaching consensus on an appropriate staffing option. The committee shall consider implementation of the staffing solutions regarding safe coverage while employees are off due to vacation, illness, or other leaves of absence, and to assure that employees are able to take rest periods, lunches, and vacations.

The committee shall attempt to reach consensus on all issues. If consensus is reached, the solution shall immediately be implemented. If consensus cannot be reached, the matter may be submitted to arbitration. The arbitrator's authority shall be limited to issuing a decision on whether or not either party's position is unreasonable, and to make recommendations as to what the parties shall consider in resolving the dispute. In addition, the arbitrator shall be allowed to remedy violations with an award of penalty payments to the grievant(s).

# **ARTICLE 27. PATIENT CARE**

The purpose of this provision is to set forth the understanding reached by the parties with respect to staffing and related issues.

The parties recognize their mutual and ethical responsibility to provide sufficient staffing to meet quality standards of patient care, workload, and other issues affecting patient care, including, but not limited to, assuring adequate coverage, sick replacement, overtime, and to assure that no employee is required to work in any situation in which his or her license is threatened or places any employee or patient in danger.

To that end, Kaiser shall provide sufficient staffing to address quality of standards of patient care and provider workload including safe coverage.

The parties expressly agree that any disputes arising under this provision of the collective bargaining agreement shall not be subject to the grievance arbitration procedure outlined in Article 25.

# **ARTICLE 28. WORKLOAD DISTRIBUTION/REPLACEMENT PROCEDURE**

The Employer and the Union agree that it is important to address workload distribution and replacement issues as quickly as possible.

The Regional Staffing Committee will investigate workload distribution and replacement complaints and present their findings and recommendations at a meeting with the appropriate level of management. Said meeting will be scheduled within thirty days of the request, unless mutually agreed to otherwise. If the appropriate level of management cannot meet in that timeframe, a comparable alternate will be designated. A written response should be made to the Committee within sixty days of the meeting.

Should the Union find the solution unacceptable, the issue may be advanced directly to an expedited arbitration procedure.

Said expedited arbitration procedure shall be conducted in accordance with the provisions of Article 25, Section 3 of the Collective Bargaining Agreement with the following exceptions:

- 1) The Parties agree to utilize their best efforts to schedule the arbitration within 60 days.

#### TRAVEL TO STEWARD TRAINING AND DEVELOPMENT SESSIONS

## LETTER OF UNDERSTANDING

This letter is entered into by and between Kaiser Foundation Health Plan of Colorado and Colorado Permanent Medical Group (the "Employer"), and United Food and commercial Workers, Local 7, chartered by U.F.C.W. Union, AFL-CIO, CLC (the "Union").

In recognition of the expansion of the geographical region, number of clinics, medical office buildings, and other locations, where the Employer serves its members, Union employees are and likely will continue to be based out of areas not previously contemplated by the parties. Stewards and stewards-in-training will also likely originate from areas not previously contemplated. As such, the Employer will pay for time spent by stewards and stewards-in-training driving and transporting to and from Steward Training and Development sessions in the Denver-Metro area, where such drive or transport exceeds fifty (50) miles from the steward's home clinic to the place in which the steward Training and Development session occurs. Drive time will be paid from the steward's(s') and steward-in training's(s') primary residence.

This letter applied to all of the Union's bargaining units and will expire on the expiration date of the current Collective Bargaining Agreements.

(Signed by Robin Sadler on March 28, 2011 for Kaiser Permanente and Nate Bernstein on April 21, 2011 for UFCW Local 7)

## ABEYANCE OF GRIEVANCES

## LETTER OF UNDERSTANDING

#### Between

Kaiser Foundation Health Plan of Colorado and Colorado Permanente Medical Group, P.C. ("the Company")

#### And

United food and Commercial Workers, Local Number 7 ("the Union" or "Local 7")

The above-named parties hereby agree that the parties may hold in abeyance any grievances filed for the Company's issuance of levels 1 and 2 corrective action and for occurrences under its attendance policy.

A grievance held in abeyance reflects that the Union continues to contest the Company's actions under the parties' pertinent collective bargaining agreements. However, a grievance held in abeyance may proceed to arbitration if additional levels of corrective action or if additional occurrences are issued under the attendance policy.

In order for such grievances to be held in abeyance, the Union will issue written notification to the Company designee.

A grievance may be held in abeyance at any stage of the dispute resolution procedure. This Letter of Understanding will expire with the current collective bargaining agreement.

(Signed by Nate Bernstein for UFCW and Jacci McKenna for Kaiser Permanente on October 21, 2011)

# Weingarten Rules

Under the Supreme Court's Weingarten decision, when an investigatory interview occurs, you should ask if it is for disciplinary action. If so, the following rules apply:

- Rule I: The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.
- Rule II: After the employee makes the request, the employer must choose from among three options. The employer must either:
  - A. <u>Grant the request</u> and delay questioning until the union representative arrives and has a chance to consult privately with the employee, or
  - B. Deny the request and end the interview immediately, or
  - C. Give the employee a choice of:
    - 1. having the interview without representation or
    - 2. ending the interview.
- Rule III: If the employer denies the request for union representation, and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The employer may not discipline the employee for such a refusal.

#### DO NOT GO SUSPENDED!!!

REMEMBER, IF YOU LEAVE THE INDUSTRY FOR ANY REASON (termination, layoff, leave of absence, etc.) apply for your withdrawal card. This must be done within 30 days from the last day worked. This protects your union status in the event you should ever return to the industry. Failure to get a withdrawal card will result in SUSPENSION from the Union and a reinstatement fee will be charged. If you leave the industry, IT IS YOUR OBLIGATION TO GET A WITHDRAWAL CARD!

The withdrawal card will be issued at no cost, the only requirement being that your initiation fee be fully paid and your dues must be paid for the month in which you request the withdrawal card. The withdrawal card is good indefinitely and allows you to become a member of any local union affiliated with the United Food and Commercial Workers International Union without payment of any additional fee(s). Withdrawal cards must be deposited with the union office within 30 days after returning to work or it becomes null and void and the reinstatement fee must be paid. All persons returning to work with a withdrawal card must fill out a new application and authorization.
