Chartered by the
UNITED FOOD AND COMMERCIAL WORKERS INTERNATIONAL UNION, AFL-CIO**

TERM:

**Loveland, Colorado (Meat):
April 15, 2019 through February 19, 2022**

THIS AGREEMENT has been made and entered into by and between KING SOOPERS, INC., a Division of Dillon Companies, Inc., hereinafter referred to as the "Employer," and UNITED FOOD AND COMMERCIAL WORKERS, LOCAL 7, chartered by the United Food and Commercial Workers International Union, AFL-CIO, hereinafter referred to as the "Union".

WITNESSETH:

That for and in consideration of the mutual promises and conditions hereinafter set forth, and in order to assure and secure the benefits intended to be derived by the employees and the Employer under these Articles of Agreement herein, it is hereby expressly understood and agreed as follows:

ARTICLE 1

RECOGNITION AND EXCLUSIONS

Section 1. The Employer recognizes the Union as the sole collective bargaining representative for all meat cutters, apprentices, wrappers, butcher block sales persons, and clean-up personnel, including part-time workers who work regularly one (1) day or more a week, employed by the Employer in the meat market or markets owned or operated by the Employer in the metropolitan area of Loveland, Colorado (as such area as is shown on the map attached hereto and by this reference made a part hereof) but excluding all store managers, courtesy clerks, office and clerical employees, janitors, parking lot attendants, food clerks, delicatessen employees, warehouse employees, watchmen, guards and professional employees and supervisors as defined in the National Labor Relations Act, as amended, and all other employees. Within the

geographical jurisdiction of this Agreement, any new stores opened by the Employer shall be accreted and shall be covered by the terms of this Agreement.

Store Managers and Assistant Store Managers can perform all duties in the store.

ARTICLE 2

SERVICE IN MEAT DEPARTMENTS, PLANTS

Section 2. All work performed in the meat and seafood department(s) will be done by members of the bargaining unit, except Store Managers, Assistant Store Managers, and Field Merchandisers may perform all duties in the meat department without restriction. For the purpose of this agreement, the meat department is defined as the area occupied by the meat storage rooms, the meat preparation rooms and the service and/or self-service display cases where fresh, smoked, cooked and frozen meats, poultry, fish and seafood are offered for retail sale, with the exception of poultry products, the pricing of all meat products shall be done on the premises except as provided herein. Notwithstanding, the Employer may have specialized sanitation work, such as cleaning of ceiling tiles, grease traps, drains, walls, etc., performed by personnel outside the bargaining unit.

Section 2 A. Bargaining unit employees shall perform the work of cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate consumption.

All fresh, cured, smoked or frozen meat, refrigerated luncheon meats, fish, poultry and rabbits shall be handled by employees within the bargaining unit. Nothing in this agreement shall be construed to prevent non-bargaining unit employees from selecting customer purchases from the sales floor throughout the entire store, including the storage and retrieval thereof.

No one other than employees covered by this agreement shall be permitted to perform the cutting or preparation of meat in the meat departments, meat markets, or seafood departments on the employer's premises, except as set forth below:

1. This does not include the transaction of the checkstand.
2. No representative of management above the level of head meat cutter (except for owners, partners and/or officers of the Employers) shall perform the work customarily assigned to employees in the bargaining unit except: (a) when a bargaining unit employee who has been scheduled to work fails to report to work as scheduled; (b) in connection with the instruction or training of an employee or employees; or (c) in connection with the first thirty days of the opening of a new or remodeled market; or (d) in connection with simple straightening of display cases; or (e) in

connection with the removal of outdated, distressed or damaged merchandise from display cases; or (f) in connection with floor maintenance work performed by a member of the retail clerks bargaining unit in connection with work related to the meat and seafood departments; or (g) in response to a specific customer request.

Section 2 B. Vendor Work. Direct store vendors who deliver the product categories of beverages (including juice sold in produce/deli departments), cookies and crackers, bakery, pizza, ice cream, specialty/gourmet/natural foods and chips, shall be allowed to perform all work in connection with the sale of their products directly delivered to the store. For purposes of this provision, the product categories as used herein shall be interpreted to include all products delivered by such vendor. Additionally, all vendors shall be allowed to stock and otherwise maintain any J-Hook or Clip strip program. Additionally, all vendors may perform: any work in connection with promotional and seasonal displays; facing in connection with the service of product; rotation of product; cleaning of product, shelves and racks; affixing coupons and other promotional materials to products; vendors shall be permitted to perform three (3) major resets per store, per section, per calendar year. Additionally, vendors may perform work, as necessary to accommodate the introduction of new items, or removal of discontinued items, from the set; checking of code dates and removal of out-dated product; and any work in connection with the opening of a new store and the two (2) week period thereafter, or during the two (2) weeks before and after a store remodel.

Section 2 C. A Journeyman Meat Cutter shall be on duty in each store a minimum of eight (8) hours per calendar day. Hours scheduled in the classifications of Head Meat Cutter and 1st Cutter may be used to satisfy this obligation. The Employer agrees not to layoff a Journeyman Meat cutter hired and assigned to a retail store position on or before March 5, 2005 as the direct result of this section.

Section 2 D. Retail Clerks may assist in meat department clean-up work, provided such assignments do not conflict with applicable child labor and/or health and safety regulations.

Section 3. It is understood that the cutting or preparation of meats that are cut, processed or prepared on the Employer's premises for immediate human consumption will continue to be performed in the market located on the Employer's premises, unless the Employer transfers said work, in which case the following paragraph will be applicable: If the Employer transfers the cutting and fabricating of retail cuts of fresh meats performed in its retail store or stores covered by this agreement to a location or locations outside of said retail store or stores, the Employer will continue to recognize the Union as the bargaining agent for the meat cutters, apprentices and wrappers employed by the Employer in the cutting and fabricating of retail cuts of fresh meat, and the seniority rights provided in this agreement shall continue to apply throughout the bargaining unit, including said new location or locations of the Employer.

Section 3 A. Notwithstanding anything contained herein to the contrary, the Employer shall not be restricted in, or prohibited from, obtaining and offering for sale fresh, smoked, cured, cooked and frozen meats, poultry, fish or seafood which have been cut, prepared, processed, packaged, weighed and/or priced off the Employer's premises and it is expressly understood and agreed that such shall not constitute a violation of this agreement. Notwithstanding the preceding sentence, the Employer agrees that no head meat cutter, first cutter, journeyman meat cutter or apprentice meat cutter assigned to one of the aforementioned classifications by the Employer on or before May 11, 1996 shall be laid off or reduced in scheduled hours. The Employer shall have the right to transfer and/or schedule meat cutters in more than one (1) store within the bargaining unit and/or adjacent bargaining unit (s) as may be necessary to fulfill this obligation, except that the Employer shall not schedule such employees for split shifts.

The Employer shall continue to have the right to layoff employees in accordance with the provisions of this agreement, provided that the layoff of any meat wrapper, butcher block, or seafood clerk assigned to such classification on or before May 11, 1996, is for reasons other than the Employers utilization of the products set forth in Section 3A above. It is understood and agreed that in meeting the job guarantees contained herein the Employer shall have the right to assign any higher classified employee to perform work in a lower classification.

In the event of a store closure, or plant closure, resulting in the layoff of any head meat cutter, first cutter, journeyman meat cutter, apprentice meat cutter or meat wrapper, such affected employee (s) shall be permitted to exercise his seniority to displace the least senior meat cutter or meat wrapper in the involved bargaining unit as provided for herein, or, at the affected employee's discretion, the least senior meat cutter or meat wrapper in the State of Colorado. Such least senior meat cutter or meat wrapper affected by the exercise of the most senior meat cutter's or meat wrapper's seniority shall be laid-off. It is understood that in applying this provision meat cutters may displace only meat cutters and meat wrappers may displace only meat wrappers.

Section 4. In the event of the closure of the King Soopers Meat Plant, meat cutters and meat wrappers assigned to the Retail Cut Line on the date of closure who elect to receive severance, as provided for in this agreement, in lieu of exercising their seniority rights contained in this agreement shall be paid a severance supplemental payment equal to fifty percent (50%) of the severance amount such employee is eligible to receive under the store and plant closing provision of this agreement. It is understood and agreed that in the event a retail cut line meat cutter or meat wrapper covered under this provision elects to bump into a store, the affected store employee subject to layoff shall be eligible for the plant closing severance pay as provided herein. For all other plant classifications impacted by a plant closure, the Employer agrees to discuss with the Union the effects of such decision.

Section 5. No employee shall be required to maintain restrooms.

ARTICLE 3
UNION SECURITY AND CONDITIONS

Section 6. Provided the parties to this Agreement have complied with all State and Federal statutes concerning Union security matters, the provisions of these Sections 6, 7 and 8 shall be applicable.

Section 7. Union Shop. All present employees of the Employer who fall within the bargaining unit, as set forth in Section 1 hereof, shall as a condition of continued employment, be or become members of Local No. 7, UFCW, AFL-CIO, between the thirty-first (31st) and thirty-fifth (35th) day following the date of the signing of this Agreement, and shall remain members of the Union in good standing during the life of this Agreement.

Section 8. All employees hired after the date of the signing of this Agreement, who fall within the bargaining unit as set forth in Section 1, shall as a condition of continued employment, become members of the Union between the thirty-first (31st) and thirty-fifth (35th) day following the date of their last employment and shall remain members of the Union in good standing during the life of this Agreement.

Section 9. "Good standing" is interpreted to mean the payment or tendering of initiation fees and periodic Union dues to an authorized agent of the Union.

Whenever the Union requires the Employer to discharge any employee for failure to join or to maintain his membership in the Union in good standing in accord with the terms of this Article, the Union agrees to furnish the Employer an itemized copy of the delinquent's account with the Union together with a written request for discharge. The Employer will discharge any employee who falls within the bargaining unit as described in Section 1 hereof within ten (10) days after the receipt of said written request for discharge, unless within said ten (10) day period the delinquent employee pays or tenders his delinquent initiation fee and/or delinquent Union dues to an authorized agent of the Union.

ARTICLE 4
CHECK-OFF

Section 10. The Employer agrees to deduct the weekly dues, legal rejoining fees and uniform assessments, (including initiation fees for new employees) from the net amount due each employee in the bargaining unit as described in Section 1 hereof who has furnished the Employer (either directly or through the Union) with an individual written authorization for making such deductions on a form mutually agreed upon between the Employer and the Union. It is understood that the check-off authorization is to be entirely voluntary upon the part of each such individual employee and that any such employee may revoke his individual check-off authorization upon giving thirty (30)

days' written notice to the Employer and the Union. The Employer agrees to remit all such deductions to the Chief Executive Officer of the Local Union no later than the twentieth day of each month.

Section 11. The Employer agrees to deduct amounts designated by employees for the Active Ballot Club when the Employer has been furnished an individual written authorization for making such deductions on a form mutually agreed upon between the Employer and the Union. It is agreed that the ABC authorization is to be entirely voluntary upon the part of each individual employee and that any such employee may revoke his ABC check-off authorization upon giving thirty (30) days' written notice to the Employer and the Union.

ARTICLE 5

NEW EMPLOYEES, TRANSFERRED EMPLOYEES, PROMOTED OR DEMOTED

Section 12. When an employee is hired for a job, or transferred or promoted or demoted into a bargaining unit job as described in Section 1 hereof, the Employer agrees within three (3) days to fill out a mutually agreeable form in triplicate, which advises the employee of his obligation to join the Union. One (1) copy of this form will be given to the employee and one (1) copy will be mailed to the Union in a stamped, addressed envelope provided by the Union.

The Union application forms, furnished by the Union to the Company, will be provided to the employee during the completion of the new hire paperwork.

ARTICLE 6

RIGHTS OF MANAGEMENT

Section 13. The Employer retains the right to manage its business, to establish reasonable standard of dress, to direct the working forces and to make necessary rules and regulations for the conduct of the business, providing that said rules and regulations are not in conflict with the terms of this Agreement in any way.

ARTICLE 7

DEFINITIONS OF CLASSIFICATIONS

Section 14. Head Meat Cutter. Shall be considered the employee responsible for the operation of the market and the Union will not recognize any employee as Head Meat Cutter who is not employed full-time in any store covered by this Agreement.

Section 15. Apprentice Meat Cutter. If, in the opinion of management (management means higher management than the Head Meat Cutter) an apprentice is

fully qualified to perform the duties of a Journeyman Meat Cutter prior to three (3) years of service with a minimum of six thousand two hundred forty (6,240) hours of actual work experience on the job, the Employer may advance such apprentice to the duties and pay of a Journeyman Meat Cutter.

When apprentices have worked three (3) years, and the equivalent hours as set forth above, they automatically become Journeymen and shall be paid as such.

During an apprentice's three (3) year training period, he shall be assigned from time to time to all jobs normally done in the particular market.

One (1) apprentice shall be allowed to every two (2) Journeymen or a fraction thereof in each market, and one (1) additional apprentice to every two (2) additional Journeymen in said market. This limitation on apprentices may be relaxed during emergency periods when the Union is unable to furnish qualified Journeymen to the Employer.

Section 16. First Cutter. A First Cutter may be designated at the discretion of the Employer and is not a required classification.

Section 17. Wrappers. The work allotted to employees falling in the classification of "wrappers" shall be strictly confined to wrapping, weighing, pricing and tagging the packages and clean-up work in this particular department as well as cleaning cases and pans, traying of rewraps, ordering of merchandise, receiving, checking and putting away loads. Wrappers may also be required to stock and rotate cases with fresh meat, cooked and smoked meats and frozen food. Nothing herein shall be construed to limit "Wrappers" from giving service to customers provided such service does not include the sawing or cutting of merchandise. Additionally, Meat Wrappers may use the tools of the trade, except the band saw, to perform work in response to a specific customer request.

Section 18. Clean-up Personnel. Employees assigned as "Clean-up Personnel" shall clean all work areas of the meat departments, including walls, freezer, walk-in box, hold box, cutting room and wrapping area, as well as cleaning blocks, meat cases and disassembled power tools and equipment.

Clean-up personnel shall not disassemble or reassemble power tools or equipment nor handle meat products in display cases.

If a Clean-up employee is found to be doing any work other than set forth above, all hours so spent shall be paid for at the starting apprentice rate.

The Employer retains the right to schedule such employees for a minimum of two (2) hours per day.

Section 19. Butcher Block Sales Clerks. Butcher Block sales persons shall be allowed to perform all work in connection with the processing and sale of product in a specialty meat or seafood department. It is further understood that a Butcher Block Sales Clerk may perform all duties of a meat wrapper. Butcher Block Sales person assigned to a separate Seafood Department (within a store) may prepare all seafood items for said department. It is further understood that Butcher Block Sales Clerks may perform all work necessary for the handling and sale of product in their department including the cutting and processing of all meat and in response to a specific customer request.

Butcher Block sales persons will be considered as a separate group for the purpose of applying the seniority provisions of Articles 27, 28, 30, 31, 32, 33 and 46.

Section 20. New Classification. When a new job is created by the Employer, the Union shall be notified immediately, and a new wage rate for such job shall be determined by the Employer and the Union.

Section 21. Work Between Classifications. It is understood that employees may perform incidental work in another classification without violating this Agreement.

ARTICLE 8

RATES OF PAY

Section 22. The classifications, wages, and special conditions applicable to employees are set forth in Appendix "A," attached hereto, and, by this reference made a part hereof.

Section 23. The salary of superannuated members of the Union to be employed by the Employer shall be decided upon between the Employer, the superannuated employee and a representative of the Union.

Prior Experience: In applying Section 22 of Article 8 of this Agreement to any newly hired employee, the Employer will give recognition to the verified number of hours of actual work experience on a comparable job which said newly hired employee may have performed within the previous ten (10) years for any other employer listed in Appendix A, Prior Experience Matrix. **Service in the United States military or National Guard shall be given credit for one thousand and forty (1,040) hours per year of service, capped at four thousand, one hundred and sixty (4,160) hours. This section shall only apply to newly-hired employees upon ratification.**

Any grievance over recognition given an employee for comparable work experience at the time of his employment must be filed pursuant to the terms and conditions of the grievance procedure of this Agreement (excluding the employee's trial period).

Any employee shall receive, upon request to his employer or former employer, the following information: Date of hire, date of termination, total hours worked in retail store unless such hours worked shall exceed six thousand five hundred (6,500) and then such fact shall be stated. The employee must show evidence of employment in the grocery industry before making such request.

Section 24. During the life of this Agreement, the Employer shall not raise or lower hourly rates of pay except as dictated by the wage scales set forth elsewhere in this Agreement.

ARTICLE 9

TEMPORARY ASSIGNMENTS

Section 25. When an employee is required to perform work in a higher classification, he shall receive the higher rate, based on his experience; but, if required to perform work in a lower classification, he shall retain his regular rate, except in the case of actual demotion, when the employee shall receive pay according to his classification.

Before an employee is scheduled work in a higher classification, all employees who have requested additional hours in that classification in that store shall have their hours maximized.

Section 26. When a Journeyman relieves a Head Meat Cutter for one (1) week or longer, he shall be paid the contract rate of pay for Head Meat Cutter for such time spent in relief.

ARTICLE 10

NO REDUCTION IN PAY

Section 27. No employee shall have his hourly wage reduced who may now be receiving more than the minimum wage called for in this Agreement, nor shall his hours be lengthened unless he is properly compensated therefore in accord with the terms of this Agreement, and employees shall not be reclassified to defeat the purpose of this Agreement unless otherwise agreed between the parties. No employee shall be asked to make any verbal or written agreement that shall conflict with this Agreement in any way.

ARTICLE 11

WORKWEEK

Section 28. The workweek shall coincide with the calendar week.

Forty (40) hours to be worked in any five (5) eight (8) hour days shall be the basic workweek for regular full-time employees. Regular full-time employees shall be scheduled for at least forty (40) hours of work to be performed in five (5) days unless reduced in accordance with seniority. Regular full-time employees shall be scheduled for at least thirty-two (32) hours of work to be performed in four (4) days (exclusive of the holiday) during a week in which a holiday occurs, unless reduced in accordance with seniority.

Upon mutual agreement between the Employer and the employee, a regular full-time employee may work four (4) ten (10) hour days to make up the standard workweek, except in holiday or daily vacation weeks when the standard workweek, at the Employer's discretion, may be five (5) eight (8) hour days or four (4) eight (8) hour days. Unless modified herein, the provisions of this Agreement shall apply to such standard workweeks.

1. Overtime to be paid for all time worked in excess of ten (10) hours in any one (1) day.
2. Payment for funeral leave shall not exceed the straight-time hours scheduled per day missed up to a maximum of twenty-four (24) hours pay.
3. After eight (8) hours of work, the employee shall be entitled to a third fifteen (15) minute break.
4. Payment for jury duty shall not exceed eight (8) hours pay per day missed, less what he is paid for serving on the jury. The Employer may reschedule employees required to serve on jury duty, including but not limited to, scheduling them five (5) eight (8) hour days.
5. Sick leave pay will be paid, if eligible and following the full work day absence if such applies, not to exceed the number of hours scheduled on the day missed.
6. Management shall determine the number of four (4) ten (10) hour schedules during any one (1) week.

ARTICLE 12

OVERTIME

Section 29. Overtime compensation at the rate of time and one-half (1-1/2x) the employee's base hourly rate of pay shall be paid under the following conditions:

- a. For all time worked in excess of eight (8) hours in any one (1) day.

- b. For all time worked in excess of forty (40) hours in any one (1) workweek as described in Article 11.

Employees scheduled and working more than five (5) days in a workweek will receive time and one-half (1-1/2x) for the day on which the least number of hours was worked.

Section 30. It is understood and agreed that overtime compensation shall not be paid twice for the same hours of overtime work.

ARTICLE 13 **SUNDAY PREMIUM**

Section 31. The premium rate for work performed on Sunday as such shall be one and one-fourth times (1-1/4x) the employee's regular straight-time rate of pay. The Sunday premium, for hours worked up to eight (8), shall in no instance be offset against any weekly overtime which may be due under subparagraph (b) of Section 29 because of the fact that the employee worked over forty (40) hours in the particular workweek. The Sunday premium shall not be averaged into the employee's straight-time rate for the purpose of determining the rate upon which daily or weekly overtime is based in any workweek under Section 29. Employees hired on or after March 6, 2005 shall not be eligible for Sunday Premium.

ARTICLE 14 **TRAVEL PAY**

Section 32. When an employee is transferred from one store to another store during his workday, reasonable time spent in traveling between said stores shall be considered as time worked. Assigned travel between stores in the employee's personal vehicle shall be reimbursed in the amount established by the Employer for reimbursement to its non-bargaining unit employees (but not less than the IRS rate), exclusive of travel to and from the employee's home. Before an employee is permitted to use his personal vehicle for company business, the Employer shall have the employee sign a statement acknowledging his risk and certifying possession of a valid driver's license and insurance coverage.

ARTICLE 15 **NIGHT PREMIUM**

Section 33. A premium of one dollar (\$1.00) per hour shall be paid for all work performed between the hours of 12:00 midnight and 6:00 a.m. to all employees. Employees whose shifts are scheduled to end at 12:00 midnight need not be paid any

premium under this Section, even where it is necessary for them to remain on the job for a short period in order to complete their work, provided that such additional period does not exceed fifteen (15) minutes.

Night premiums shall not apply where an employee is working at overtime or on a holiday.

ARTICLE 16

HOLIDAYS

Section 34. All employees hired on or before March 5, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for the employees involved: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Such employees shall be entitled to two (2) personal holidays, which must be requested two (2) weeks in advance and approved by the Store Manager.

All employees hired on or after March 6, 2005 who have completed their probationary period shall be paid for the following holidays whether or not they fall on what would normally be a workday for the employees involved: Thanksgiving Day and Christmas Day; beginning in 2016, Fourth of July and beginning in 2017, New Year's Day. Such employees shall be entitled to one (1) personal holiday after two years of service, two (2) personal holidays after three (3) years of service, and three (3) personal holidays after four (4) years of service. Such holidays must be requested two (2) weeks in advance and approved by the Store Manager.

Section 35. The Employer may operate its stores at its sole discretion on any of the holidays recognized by this Agreement.

Section 36. Personal Holidays. To be eligible for personal holidays during each calendar year, an employee must be on the payroll as of January 1 of each year. Such holidays must be taken during the respective calendar year. An employee whose employment terminates prior to having taken his personal holiday or who fails to take his personal holiday in the calendar year shall not be entitled to holiday pay. In the event an employee fails to schedule his personal holiday by October 1 of the calendar year, the Employer will select a date and schedule such employee for his remaining personal holidays for that year.

Section 37. Holiday Pay for Full-Time. As pay for an unworked holiday, regular full-time employees will be paid at straight-time for the number of hours they would normally have worked on the day in question, but not to exceed eight (8) hours. If the holiday falls on a day which would normally have been such employee's scheduled day off, he shall be paid eight (8) hours at straight-time as pay for the unworked holiday.

Section 38. Holiday Pay for Part-Time. Holiday pay for part-time employees who have completed their probationary period, and who otherwise qualify shall be based on the number of hours worked in the calendar week immediately prior to the week in which the holiday occurs, divided by five (5). Provided the employee actually performs work in the calendar week immediately prior to the holiday week (unless on vacation, or receiving sick pay for time not worked during such week, or during the first thirty (30) days of an absence for which an employee is receiving Workmen's Compensation), the employee shall not receive less than three (3) hours holiday pay.

Section 39. Qualifications for unworked holiday pay. In order to qualify for pay for an unworked holiday an employee, otherwise eligible for such pay under the terms of this Article, must work his regularly scheduled day immediately preceding the holiday, the holiday if scheduled and his regularly scheduled day immediately following the holiday unless he has been previously excused from such work by the Employer or unless he was prevented from so working due to a bona fide illness. No employee on leave of absence shall be eligible for holiday pay.

An unworked holiday, even though paid for under the terms of this Article, shall not be counted as a day worked for the purpose of computing overtime pay in a holiday workweek.

Section 40. For employees hired on or before March 5, 2005, when a holiday is worked, the employee shall be paid one and one-half (1½) times his/her normal hourly rate of pay, in addition to the holiday pay provided herein. For employees hired on or after March 6, 2005, when a holiday (as defined above for such employee) is worked, the employee shall be paid one dollar (\$1.00) per hour worked.

Section 41. Holiday scheduling. No later than the second Wednesday prior to the beginning of the week in which a holiday observed hereunder occurs (exclusive of personal holidays), the Employer shall post in each store a holiday volunteer work list. An employee desirous of working the upcoming holiday, in the job assignment which he normally performs, shall sign such list no later than the Tuesday prior to the holiday week. Signing of another employee's name on such list shall be cause for disciplinary action.

The Employer will not reschedule the hours of work in the workweek immediately prior to the workweek in which the holidays occur in order to defeat the purpose of this Agreement.

The Employer will select the necessary employees from this list in accordance with seniority and ability, within each store and department, and provided the employee normally performs the work required. Should the Employer not be able to staff his schedule requirements through this procedure, qualified employees shall be assigned to the remaining available schedules by reverse seniority and ability within their respective classifications within each department and store. Nothing herein shall be construed to require pay for time not worked.

ARTICLE 17
VACATIONS

Section 42. All regular full-time employees, and all part-time employees, who were hired on or before March 5, 2005 and who have worked eight hundred and thirty two (832) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after two (2) years' service, three (3) weeks' paid vacation after five (5) years' continuous service, four (4) weeks' paid vacation after twelve (12) years' continuous service and five (5) weeks' paid vacation after twenty (20) years' continuous service.

All regular full-time employees, and all part-time employees, who were hired on or after March 6, 2005 and who have worked one thousand forty (1,040) or more hours in their anniversary year, covered by this agreement, shall receive one (1) week's paid vacation after one (1) year's service, two (2) weeks' paid vacation after three (3) years' service and three (3) weeks' paid vacation after eight (8) years' continuous service, **four weeks' paid vacation after twelve (12) years' continuous service.**

Such vacation shall be paid at straight-time rates. The number of hours for which such employees shall be paid for a vacation week shall be the average number of weekly hours worked during the twelve (12) months immediately preceding the employee's anniversary date of employment, not to exceed 40 hours pay for each week of vacation. Hours paid for vacations, holidays and sick leave shall be considered as hours worked for the purpose of computing vacation amounts. No pro-rata vacation will be paid at termination.

Section 43. Effective the first Sunday following execution of this Agreement, the Employer will convert the employees' weekly vacation allotment to a daily vacation allotment by multiplying the number of weeks of vacation due by five (5). The hours paid for each day of vacation will be based on the average weekly hours of vacation, as calculated in Section 42, divided by five (5). Employees may be allowed to take vacation one day at a time, subject to approval by the Employer and based on the following requirements:

1. Daily vacation may not be scheduled through the annual sign-up procedure.
2. Daily vacation must be requested of the store manager in writing by Tuesday prior to the posting of the schedule for the week in which time off is requested.
3. Employees may not receive more than five (5) days' vacation pay in any calendar week.
4. Not more than one (1) week (five (5) days) may be taken one (1) day at a time per anniversary year. Any employee with fifteen (15) years or more

shall be able to take ten (10) single days of vacation per year.

5. Weekly vacation requests shall take preference over daily vacation requests. Daily vacation requests shall take preference over any other request of a single day off except a personal day, regardless of seniority.

If one of the holidays listed elsewhere herein falls during an employee's vacation, the employee shall receive an extra day of vacation pay because of it. In the event a regular full-time employee covered by this Agreement, who has been employed for two (2) years or longer, voluntarily quits or is discharged for reasons other than dishonesty or drunkenness or being under the influence of illegal narcotics, such employee shall be paid pro rata vacation pay earned up to the time the employment relationship is severed.

Section 44. The Employer shall pay the employee the vacation pay accrued during the employee's anniversary year prior to the taking of the vacation (if requested in writing at least two (2) weeks in advance of vacation).

Section 45. Vacation Scheduling. The employer retains the right to determine the number of employees who may be on vacation at any given time. A minimum of two (2) employees per store can be on vacation at any time except for any week in which a holiday covered under this contract, Mother's Day and Valentine's Day as well as the week before. However, in no event shall it be less than one (1) person per store. If a dispute develops between employees as to vacation preference, seniority shall govern within the department. Any vacation weeks that become available after the posting of such roster shall be offered by seniority within the classification and store.

The Employer will post a notice December 1 of the prior calendar year, and the employees will sign the roster as to their choice of vacation. This list will remain posted for selection until January 31 of each calendar year.

Any employee who fails to sign such roster prior to January 31 will be permitted to take vacation at a time that will not interfere with the other employees' established vacation period(s).

When the vacation dates have been established, they will not be changed unless mutually agreeable between the employee and Employer.

Vacation calendar period commences on March 1 of each year to the last day of February the following year.

Notwithstanding the above, employees who voluntarily transfer to another store or department after their vacation has been selected are subject to having their vacation rescheduled.

On a basis agreeable to both the Employer and employee, employees shall be

allowed to schedule vacations from mid-week to mid-week. For purposes of this provision, mid-week shall be defined as a vacation starting and stopping Tuesday, Wednesday or Thursday. An employco shall be considered to have met the minimum scheduling requirements of this Article if the total of the hours worked and paid for vacation (and unworked holiday if applicable) for the two workweeks involved is equal to eighty (80) for a full-time employee, forty (40) or more for a part-time employee.

SCHEDULING POSTING

Section 46. The Head Meat Cutter will post the work schedule in ink for the following week in each market not later than 9:00 a.m. on Friday. This schedule shall include the employee's first initial and last name. This work schedule will not be changed by Management for that particular workweek except where the change is predicted on circumstances beyond the control of Management such as, but not limited to, sickness, injury, wide fluctuations in volume, Acts of God. Such up-to-date work schedules are to be posted weekly. This clause shall not be construed as preventing Management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule or from bringing in additional employees where it appears advisable in the opinion of Management.

Any changes in the work schedule will be reflected on the posted schedule at the time the change is made.

The Employer shall designate the starting time for employees. The employee shall be dressed and ready to go to work at this starting time.

Regular full-time employees called in on their scheduled day off shall not have the balance of their scheduled workweek altered as a result of such call-in.

ARTICLE 19

REPORTING PAY/MINIMUM DAILY SCHEDULE

ARTICLE 23

Section 52. All time spent by an employee actually attending any store meeting where his attendance is required by the Employer shall be counted as time worked with a minimum of two (2) hours at the applicable rate of pay when an employee is called back for such a meeting. In the event the employee is required to attend more than two (2) meetings per calendar year, the call-in provisions of Article 19, Section 47 shall apply.

ARTICLE 24
LUNCH BREAKS

Section 53. Lunch Periods. Each employee who is scheduled to work in excess of five (5) hours in a day shall receive, on his own time, a one (1) hour lunch period, or, upon mutual agreement between the employee and the Employer, a one-half (1/2) hour lunch period at approximately the middle of his workday.

Individual employee's change of lunch period from one (1) hour to one-half (1/2) hour, or vice versa, shall occur only at the beginning of a new work schedule.

Employee's scheduled lunch periods will be set forth on the schedule, but the parties recognize it may be necessary to alter the lunch period schedule due to the needs of the business.

ARTICLE 25
RELIEF PERIODS

Section 54. The Employer will give employees a break period of fifteen (15) minutes in their shift before the meal period and in their shift after the meal period.

ARTICLE 26
PROBATIONARY PERIOD

Section 55. New employees shall be on probation for a period of sixty (60) calendar days, during which time they may be discharged by the Employer for any reason whatsoever, and during this probationary period, they shall not acquire any seniority status. If an employee is retained in the employ of the Employer after said sixty (60) calendar days, his seniority shall then date back to the first day of said sixty (60) calendar day probationary period. This probationary period may be extended an additional thirty (30) calendar days by mutual agreement between the Employer and the Union.

ARTICLE 27
SENIORITY

Section 56. Length of continuous service in the employ of the Employer shall govern in layoffs and rehires within a particular classification in the bargaining unit as described in Article 1, Section 1, whenever the ability of the employees involved is substantially equal.

Section 57. Termination of Seniority. Seniority shall terminate for any of the following reasons:

- a. Voluntary quitting.
- b. Overstaying a granted leave of absence or vacation.
- c. Failure to report for work upon recall after a layoff within five (5) days after mailing of recall notice sent by registered letter to the last address furnished in writing to the Employer by the employee.
- d. Discharge for just cause.
- e. Continuous layoff for a period in excess of twelve (12) months.

Section 58. Seniority Lists. Bargaining unit seniority lists shall be provided to

the Union on no more than two (2) occasions during the calendar year, upon request by the Union.

Section 59. Seniority of Transferred Employees. Employees transferring into the bargaining unit shall have no seniority rights during the thirty (30) calendar-day period immediately following such transfer. Upon completion of such calendar thirty (30) day period, all seniority acquired since the most recent hire date of the employee while in the employ of the Company, shall be fully restored to the employee to be used for whatever purpose of rights he or she is otherwise entitled.

Section 60. Definition of Full-Time Employee. A regular full-time employee is defined as an employee who has been hired as such or works forty (40) or more hours per week for at least four (4) consecutive weeks, in his home store, except for assignment to a forty (40) hour per week schedule as a result of the employee receiving any hours caused by other employees' absence for any reason. Scheduled hours of work voluntarily vacated by an employee (such as trading of hours) shall not be used for purpose of advancing an employee to full-time status. An employee who fails to maintain full-time status as a result of working less than forty (40) hours per week for reasons other than absence due to an approved leave of absence, or a reduced schedule resulting from an on-the-job injury for twelve (12) consecutive weeks shall be designated as a part-time employee.

BARGAINING NOTE: It is understood that for purposes of this provision, the definition of "absence" shall include such things as absence from work due to vacation, holiday, vacated shift, unexcused absence, funeral leave, jury duty, leave of absence and illness.

Employees may sign the full-time request list during the first fifteen (15) days of January and the first fifteen (15) days of July to be considered for advancement to full-time effective with the first workweek in February and August respectively. Such request shall state the specific store(s) in the bargaining unit that the employee desires advancement to full-time. The Employer will send the Union a copy of the new full-time request list.

Section 61. Voluntary Reduction to Part-Time. A Full-Time employee who has requested and has been assigned a Part-Time schedule shall immediately be classified as Part-Time.

Section 62. Promotions. The Employer agrees to make promotions to non-management jobs to the most senior qualified employee. The employee shall make such desire known to the Employer in writing and shall state the stores to which the employee would be willing to be promoted. Seniority shall prevail throughout the entire number of stores of the Employer in the area covered by this Agreement.

Nothing herein shall be construed to prohibit the Employer from hiring into a Journeyman or top rate position should the Employer deem it necessary.

1. A promotion is an assignment to a classification which has a higher top rate than the classification being vacated.
2. If the promotion list is exhausted for the opening in question, the Employer will post a notice of the opening within the store where the opening exists for seventy-two (72) hours and will offer the promotion to the senior qualified employee of the store in the bargaining unit who signs the notice, before hiring off the street.

Section 63. Probationary Period for Promotions. When any employee is promoted to a higher classification, he shall be on probation for a period of thirty (30) days. An employee disqualified during the probationary period shall be returned to his old classification.

Section 64. Demotions for Just Cause. Except under the layoff provisions, no employee shall be demoted from a higher classification within the bargaining unit without just cause, which includes business need.

Whenever a member of the bargaining unit is demoted, whether voluntary or involuntary, such employee may be returned to the classification and status (i.e., full-time/part-time) held when he/she accepted the current classification being vacated, or the employee may exercise his/her seniority to claim a position in accordance with the current Full-Time or Promotion Request lists.

ARTICLE 28

AVAILABLE HOURS

Section 65. The scheduling of part-time employees or full-time employees working reduced hours shall be by seniority within their department and store schedules up to eight (8) hours per day or forty (40) hours per week. The Employer shall maximize the straight-time daily and weekly work schedules (including Sunday) of each employee based on the hours as determined and scheduled by management, so long as such schedules would not reduce any employee's schedule below the daily or weekly minimum, except to zero. If an employee is zeroed out, he shall have the right to exercise lay off options; however, any bump to another store shall be delayed for one (1) week. The only exception to this would be when a more senior part-time employee has requested to work less hours than their seniority entitles them. This request must be submitted to the department manager in writing. The average of all meat department part-time employees by store and classification shall not be less than twenty (20) scheduled work hours per week (including paid holidays, sick pay, jury pay and funeral pay) exclusive of part-time employees whose availability temporarily limits them to less than the minimum hours as provided above. It is understood that the twenty (20) hours average shall apply only to markets employing two (2) or more part-time employees in any classification.

Section 66. Full-time scheduled vacancies shall be filled as defined elsewhere in this Agreement.

Section 67. The Employer agrees not to schedule two (2) part-time employees in the same classification back to back each day in their weekly schedules within an individual market where it is possible to combine their total posted weekly schedules so that one (1) full-time employee can be used.

Section 68. Employees who have requested additional hours or full-time status, in writing, as set forth above, shall have until noon on the Saturday following posting of the schedule to take issue with that schedule or his right to take issue shall be waived. Should he raise such issue in timely fashion and should it not be resolved, it shall be subject to the grievance procedure set forth elsewhere in this Agreement. It shall be the responsibility of each employee to make himself aware of the schedule and any changes made therein.

Section 69. In the event of errors in the making of schedules, scheduling of additional hours or reductions in hours, the employee must call the error to the attention of management by noon Saturday following the posting of the schedule. Failure by the employee to point out the violation by noon Saturday will limit the remedy to scheduling the affected employee, on the next week's schedule, the number of hours lost. These hours shall not have any effect on the normal schedule for that week.

FLOATERS: See Letter of Understanding

Section 70. Additional Hours. Additional hours are those created by increased schedules, terminations or transfers within the classification which the Employer deems necessary to fill. The Company would use its best efforts to give employees at least one (1) hour notice if an employee is required to work beyond the end of their scheduled shift.

When it is necessary to work additional hours, the additional hours shall be assigned to employees in the same classification in the store who are scheduled for less than forty (40) hours in the week, in the order of seniority, provided the employee possesses the ability and skill to perform the work required and provided the employee is available to work the necessary hours and has notified the Department Head in writing of his desire for additional hours. Such written notification shall be furnished to the Department Head no later than the close of business on Wednesday to be implemented on the following week's schedule. Nothing herein shall be construed to require the scheduling of additional hours for any employee which will provide him more than forty (40) hours in a week, or five (5) days of work.

The employee being assigned the additional hours shall not have the right to accept such hours in part, but shall be obliged to accept the entire weekly schedule as written. It is understood, however, each employee who has made written request for

additional hours may revoke such request by written notice to the Department Head no later than the close of business on Wednesday of the week preceding the week involved.

Written requests shall remain in effect until forty (40) hours is achieved or such request is revoked. Written requests are not transferable from store to store.

It is understood and agreed the Employer retains the right to require hours of work even though an employee has not requested additional hours.

Section 71. The Employer will send the Union a copy of the "full-time request" list, no later than March 1st and September 1st of each calendar year.

Section 72. Assignment to Full-time Status. When a full-time vacancy, other than a four (4) week at forty (40) hour opening defined in Section 60, occurs and the Employer determines that such vacancy shall be filled by a full-time employee, the job vacancy for non-management positions shall be filled by the assignment of the most senior qualified employee of the classification who has signed the current full-time request list as provided for in this Agreement. Should management be unable to fill such vacancy from the list, then such vacancy shall be posted within the affected store for seventy-two (72) hours and management shall offer the full-time assignment to the senior qualified employee of the store and classification who signed the posting before hiring off-the-street.

Four (4) week at forty (40) hour openings shall be filled by the most senior employee within the store and affected classification who has signed the full-time request list as set forth in this Agreement. Should management be unable to fill such vacancy from the list, then such vacancy shall be posted within the affected store for seventy-two (72) hours and management shall offer the full-time assignment to the senior qualified employee of the store and classification who signed the posting before hiring off-the-street.

Notwithstanding the above, the Employer may transfer a full-time employee from another store to fill a vacancy in lieu of advancing an employee to full-time status under this Article.

Employees with three (3) or more years of service may sign the full-time request list during the first fifteen (15) days of January and the first fifteen (15) days of July to be considered for advancement to full-time effective with the first workweek in February and August respectively. Such request shall state the specific store(s) in the bargaining unit the employee desires assignment to. The Employer will send the Union a copy of the new full-time request list.

If an employee is offered assignment to full-time status and accepts or declines the same, his/her request shall be voided.

The Employer shall not make assignments of full-time status to a probationary employee or to an employee on leave of absence.

ARTICLE 29

SCHEDULING OF SHIFTS

Section 73. Each week, the Employer will alternate the schedules within a classification within each store after 6:00 p.m., so that such work may be evenly divided as far as it may be practical. The above shall not apply to employees who, of their own volition, want to work the hours after 6:00 p.m.

Section 74. Sunday Work. Sunday Scheduling shall be on a voluntary basis. Should the Employer be unable to obtain enough volunteers, employees in the reverse order of seniority within the job assignment shall be required to work.

ARTICLE 30

UNSCHEDULED OVERTIME

Section 75. Unscheduled Overtime Hours. Daily overtime not previously scheduled shall be offered in seniority order within the department, the classification, and the store to the employees present when the need for overtime arises. Nothing herein shall be construed to require the scheduling of overtime when another employee's scheduled hours can be extended, or part-time employees may be called in without overtime penalty. Hours unclaimed under this procedure may be assigned in reverse order of seniority among those employees within the department within the classification within the store present when the need for overtime arises.

Overtime assignments of four (4) hours or more may be filled by calling in employees, in seniority order, within the classification and the department on their non-scheduled day without violating this Section.

ARTICLE 31

REDUCTION OF HOURS

Section 76. Full-time employees: Management shall not write a schedule of shifts that would result in a full-time employee being unable to work a forty (40) hour schedule (thirty-two (32) hours in a holiday week) unless the average scheduled hours (including hours scheduled and paid for vacation, unworked holiday, jury, sick, and funeral pay) of all part-time employees within the classification and department is twenty-four (24) hours or less for the involved workweek. A full-time employee who is not scheduled a forty (40) hour schedule, shall in their second consecutive week of such reduced hours, be allowed to exercise his/her seniority to claim the schedule of

the least senior full-time employee in the classification within the bargaining unit who is working a forty (40) hour schedule. It is understood that the employee may exercise his/her seniority to bump any time between the second and eleventh week of reduction. The employee whose schedule is claimed under this procedure shall immediately be assigned the schedule of the claiming employee, or be allowed to step-down to part-time status and displace the least senior part-time employee in their store.

The parties agree that no employee assigned as full-time on May 11, 1996, shall have his hours reduced to less than forty (40) hours as the result of this provision, unless all part-time employees in the classification have had their scheduled hours reduced to twenty-four (24) hours or less. Such full-time employee shall have his hours reduced to twenty-four (24) or less before any other full-time employee protected under this paragraph is reduced.

Full-time employees-Competitive openings: During the first sixty (60) days following a competitive opening, management may elect, in lieu of reducing hours as provided above, to layoff full-time employees to maintain the same proportion of full-time employees to part-time employees the store averaged in the month prior to the competitive opening. In the event of a layoff, the displaced employee shall be given the following options:

- A. Displace the least senior full-time employee in the bargaining unit, or
- B. Step-down to part-time and displace the least senior part-time employee within the classification and store.

Employees displaced by the full-time reduction under this procedure shall be given their layoff options pursuant to the layoff language of this Agreement.

It is understood that the provisions of this section shall apply only to those classifications impacted by a competitive opening.

ARTICLE 32

LAYOFFS

Section 77. Layoff Procedure. When a reduction in the work force is necessary, as opposed to a reduction in hours, the following procedure shall be used:

1. A regular full-time employee being laid off may displace the shortest service regular full-time employee within his classification within the bargaining unit. The regular full-time employee so displaced may displace the shortest service part-time employee in the same classification in the bargaining unit. In the event there is no less senior employee performing work in the same classification, this displaced employee may displace the least senior employee in a lower classification in which he previously performed three (3) months of service in the classification for the Employer.

2. A part-time employee being laid off may displace the shortest service part-time employee within his classification within the bargaining unit.
3. Any employee with displacement rights under the procedures above shall be allowed to take a layoff in lieu of displacing any employee.
4. It is understood that, in any event, only a more senior employee can displace another employee under the procedure.
5. No retail store employee shall displace any employee in the meat plant unless such employee has at least six (6) months' experience in that meat plant classification with King Soopers.
6. It is understood that seafood and specialty meat employees subject to the layoff procedures, as set forth in Section(s) one (1) through five (5) above may exercise their seniority rights only within their department, unless such employee is assigned to a combination department in which event such employee may exercise his seniority over the least senior employee within the butcher block classification.

Laid off employees, and employees who accept a job in a lower classification in lieu of layoff, shall be recalled as needed, in order of seniority, to jobs they are qualified to perform. The Employer shall not hire a new employee or promote an existing employee into a position for which a laid off employee or employee who accepts a job in a lower classification is qualified and available to perform. Journeymen and apprentice meat cutters will be considered one classification for the purpose of layoff.

An employee accepting a layoff rather than accepting a job in a lower classification may inform the Employer in writing at the time of the layoff of his desire to be recalled to a lower classification which was not available at the time of his layoff, and such notification shall be honored when a vacancy occurs. The notice shall specify the lower classification to which the employee desires recall. It is understood that any employee on layoff from the classification where the vacancy occurs shall have preferential rights to such vacancy.

Section 78. Recall Procedure. Laid off employees shall be recalled as needed, in the order of seniority, to jobs in the classification from which they were laid off. The Employer shall not hire a new employee into a classification in which there are laid off employees at that time. The Employer shall offer recall to a job in the classification from which an employee was laid off prior to promoting another employee into that classification.

A full-time employee accepting recall to a part-time position shall immediately be reclassified to part-time status. Similarly, a part-time employee recalled to a full-time position shall be reclassified to full-time status.

ARTICLE 33

TRANSFER FROM STORE TO STORE

Section 79. Transfers from store to store shall not be made or denied for capricious, arbitrary or discriminatory reasons. Full-time employees desiring a transfer to another store within the bargaining unit in order to be nearer their residence may indicate their desire for transfer in writing to the person designated by the Employer. Such transfer requests will be considered at the time an opening occurs within their classification and status.

ARTICLE 34

NEW STORE OPENING

Section 80. In the event of the opening of a new store within the bargaining unit (not a replacement of an existing store) the following procedure shall apply:

1. At least four (4) weeks prior to the opening of a new store, the Employer will post a sheet in each location for interested employees to sign if desirous of a transfer to the new location. The sheet shall remain posted for at least ten (10) days.
2. Job openings either at the new store or created by transferring employees at their former store shall first be filled by employees on layoff in the classification of the vacancy before any new employees are hired or current employees are promoted.
3. Employees who have signed the new store transfer request sheet shall be given consideration based on their qualifications and the requirements of the store. It is understood that the Employer may move employees from its own competitive stores which may be impacted by the new store opening before consideration of other employee desires.
4. In the event the Employer opens new stores within the geographical area of this Agreement, as set forth in Article 1, not less than sixty (60) percent of the initial staffing of the new store shall be made by employees covered by this bargaining agreement, if available.

ARTICLE 35

LEAVES OF ABSENCE

Section 81. Sickness, Injury, or Pregnancy. Leaves of absence shall be granted for up to eighteen (18) months without pay when an employee with three (3) months of continuous service is unable to work because of bona fide sickness,

accident, disability, or pregnancy. However, in the event such an employee is unable to return to work at the end of eighteen (18) months of leave, he shall be entitled to an additional leave of six (6) months if he submits satisfactory medical evidence that he will be able to return to duties within his classification within the said additional period.

Section 82. Personal Leaves of Absence. Leaves of absence without pay for reasonable periods not to exceed thirty (30) days may be granted by the Employer to employees who have completed one (1) year of service for other reasons mutually agreed to between the Employer and the employee. The thirty (30) day period may be extended by an additional thirty (30) days by mutual agreement between the Employer and employee.

Section 83. Military Leave. All seniority granted employees under the terms of this Agreement shall be subject to the rights granted by law to the employees volunteering, called or conscripted for services in the Uniformed Services, as defined by USERRA or any applicable law, and any additions or amendments thereto, or rulings and interpretations thereof by any authorized court or agency. **Eligible employees will be entitled to seniority, and all rights and benefits based on seniority, as provided by law.**

Section 84. Union Leave. Leaves of absence without pay for Union business not to exceed six (6) months shall be granted by the Employer to employees who have completed one (1) year of service. The six (6) months shall be extended by an additional six (6) months upon request by the Union, with three (3) weeks advance notice. Leave shall be limited to one (1) employee per store, at a time.

Section 85. Leave of Absence for Care of Newborn or Adopted Child. For employees with one (1) year of continuous service in the bargaining unit, a Leave of Absence for either parent shall be granted without pay for a period of up to twelve (12) months for the purpose of Newborn or Adopted Child Care. The employee shall be guaranteed reinstatement in accordance with their seniority. An employee who wishes to change his or her date of return to work shall notify the Store Manager two (2) weeks in advance and shall be returned to work as set forth above. The Leave of Absence for either parent must end no later than twelve (12) months from the date of birth or date of adoption. The Employer may require verification of the parent relationship to the newborn or to the adopted child.

Section 86. Leave of Absence for Family Care. A family care leave, without pay, shall be granted, upon request by an employee for a total of up to six (6) consecutive months within a two (2) year period. The employee requesting the leave must have a minimum of one (1) year's continuous service in the bargaining unit at the time of the request. The employee shall be guaranteed reinstatement in accordance with their seniority at the end of their leave. Any employee who wishes to change his or her date to return to work shall notify the Store Manager two (2) weeks in advance of the date they intend to return. The purpose of this leave shall be to care for seriously ill family members or to address issues that arise from the military deployment of a

family member. For the purpose of this leave, "family members" shall be:

1. Spouse and parents of the employee.
2. Biological or adopted unmarried children under nineteen (19) years of age and full-time students up to age twenty-three (23).
3. A child of any age who is incapable of self-support.
4. Any relative residing in the employee's home and dependent upon the employee for care.

The employee shall be required to present satisfactory evidence of serious illness of the family member, the expected duration of the absence and the reason for the employee's involvement.

Section 87. Request for Leave of Absence. All leaves of absence must be requested in writing to the person designated by the Employer, unless the employee is physically disabled to the extent that such advance request is not possible, and shall state: (1) the reasons, (2) date leave is to begin, and (3) expected date of return to work. Leaves of absence shall be granted in writing in advance, and a copy shall be given to the employee.

Section 88. Returning From a Leave of Absence. The employee must be qualified to resume his regular duties upon return to work from an approved leave of absence. A doctor's certificate verifying that the employee is able to resume his normal duties may be required. The employee shall be returned to the job previously held, or to a job comparable with regard to rate of pay no later than on the first weekly schedule made up after the department designated by the Employer has received notice in writing of the employee's availability, provided the Employer received such notice no later than Wednesday immediately prior to the Friday scheduling.

Section 89. Safe Leave. The parties recognize that, in accordance with Colorado law, employees may request and take up to three working days of leave from work in any twelve-month period if the employee is the victim of domestic abuse, stalking, sexual assault or the victim of any other crime. In accordance with law, the employee must give reasonable notice to his or her department manager, when possible.

ARTICLE 36

BEREAVEMENT LEAVE

Section 90. Upon request an employee covered by this Agreement shall be granted the necessary time off with pay at his regular straight-time rate of pay in order to make arrangements for and/or attend a funeral, and/or for grieving, occasioned by a

death in his immediate family. Such time off with pay shall in no event exceed three (3) regularly scheduled working days, and the amount of such paid time off actually granted shall normally depend upon the distance involved. The immediate family is defined as the employee's father, mother, step-parents, grandparents, spouse, **common-law spouse, an individual in a civil union with that employee if recognized by State law**, children, brother, or sister, and father, mother, brother or sister of the then existing spouse, step-child, and grandchildren. Payments shall not be made hereunder where the relative's death occurs while the employee is on vacation or on a leave of absence.

Additional time, without pay, shall be granted as is needed by the employee up to seven (7) days for grieving for the above family members and for grieving the death of aunts, uncles, nieces, nephews, step-brothers, step-sisters, **co-parents, fiancés/fiancées** and grandparents.

If an employee is notified of the death of his spouse, parent, child or grandchild while at work, he shall be granted the remainder of the day off and paid for scheduled work hours that day. This shall not be counted as part of the above three (3) days. Employees must attend the funeral in order to qualify for pay, and the Employer may require satisfactory evidence confirming the relationship to the deceased person.

No schedule shall be changed for the express purpose of making the employee's day off replace a day that otherwise would have been paid for under these provisions.

ARTICLE 37

JURY DUTY

Section 91. Whenever any employee covered by this Agreement is required to serve on a petit jury during his regular working hours, the Employer agrees to pay such employee the difference between what he is paid for serving on the jury and what he would have received from the Employer in straight-time pay had said jury duty not prevented him from being at work. On any scheduled work day, the employee shall promptly report to complete any remaining hours of his scheduled work day; provided, no employee shall be required to so report for work on any day on which he has served and been compensated by the Court for at least eight (8) hours' jury duty, nor shall any employee who reports back to work under this Section be required to work more than ten (10) hours, less the number of hours for which served and was compensated for jury duty by the Court on that day.

When the Employer requests an employee to appear in Court, he shall be compensated at his regular straight-time hourly rate of pay for such time.

The Employer may require a statement from the Court Clerk certifying attendance.

ARTICLE 38

Full-time employees covered by this Agreement who, in their first anniversary year, work two thousand (2,000) hours or more (including vacation and holiday) and who have been continuously employed by their Employer for a period of one (1) year, shall be credited with forty-eight (48) hours of sick leave pay. Employees who in their first anniversary year work one thousand two hundred and forty-eight (1,248) hours or more (but less than two thousand (2,000) hours) and who have been continuously employed by their Employer for a period of one (1) year, shall be credited with hours of sick leave with pay on the basis of the total hours worked in their anniversary year divided by two thousand eighty (2,080) hours times forty-eight (48) hours. It is understood that employees shall not be credited with more than forty-eight (48) hours of sick leave credit per anniversary year. Hours worked includes vacation hours.
- B. Unused sick leave shall be cumulative, and after the first year of continuous employment, full-time employees shall accumulate unused sick leave at the rate of four (4) hours for each month of continuous employment in which they work one hundred sixty (160) hours in a four (4) week month and two hundred (200) hours in a five (5) week month. Employees who work at least one hundred four (104) hours (but less than one hundred sixty [160] hours in a four [4] week month and less than two hundred [200] hours in a five [5] week month) shall accumulate unused sick leave for each month of continuous employment on the basis of total hours worked during the preceding month divided by one hundred sixty (160) hours in a four (4) week month and two hundred (200) hours in a five (5) week month times four (4). Said monthly credit shall not exceed four (4) hours for each month. Unused sick leave shall not exceed a maximum accumulation of six hundred (600) hours. Hours worked includes vacation hours.

The waiting period provided herein shall apply for each illness or non-occupational injury. **Any employees ineligible for first day sick pay under this provision shall be permitted to use up to five (5) days per year of vacation accrued pursuant to Section 47 or unused personal holidays as payment for such employee's first day sick time at the employee's election. Notwithstanding other requirements to use personal holidays**

or unused and accrued vacation, there shall be no management discretion to deny pay for such absence, except that a doctor's certificate or other authoritative verification of illness may be required by the Employer. In order to use personal holidays and/or vacation pay for a sick absence, the employee must provide at least two (2) hours' notice prior to the start of such employee's scheduled shift.

- D. For the purpose of this Article one (1) day of pay shall mean eight (8) hours of pay at the employee's regular classification rate for those days which the employee would have worked had the disability not occurred, calculated at straight-time. No employee shall receive pay, under any combination of sick leave and Worker's Compensation or Weekly Indemnity which exceeds the lesser of his regular pay or eight (8) hours per day or forty (40) hours per week at his straight-time hourly rate of pay. The waiting period herein provided before sick pay commences, shall apply for each illness or injury in case the sick benefit allowance has not been used up in previous illnesses.
- E. Sick leave accrued shall be paid to part-time employees based on hours lost, less waiting days (as set forth in paragraph C) from the most recent work schedule in effect when the absence commenced.
- F. Sick leave benefits are not convertible to cash.

Section 93. Employees hired on or after March 6, 2005 Full-Time employees covered by this Agreement hired after March 6, 2005, who, in their first anniversary year, worked two thousand (2,000) hours or more and who have been continuously employed by their employer for a period of one (1) year, shall be credited with twenty-four (24) hours of sick leave pay. It is understood that employees shall not be credited with more than twenty-four (24) hours of sick leave credit per anniversary year.

For Employees hired after March 6, 2005, unused sick leave shall be cumulative, and after the first (1st) year of continuous employment, full-time employees shall accumulate unused sick leave at the rate of two (2) hours for each month of continuous employment in which they work one hundred sixty (160) hours in a four (4) week month and two hundred (200) hours in a five (5) week month. Employees who work at least ninety-six (96) hours (but less than one hundred sixty (160) hours) in a four (4) week month and one hundred twenty (120) hours (but less than two hundred (200) hours) in a five (5) week month shall accumulate unused sick leave for each month of continuous employment on the basis of total

hours worked during the preceding month divided by one hundred sixty (160) hours in a four (4) week month and two hundred (200) hours in a five (5) week month times two (2). Said monthly credit shall not exceed two (2) hours for each month. Unused sick leave shall not exceed a maximum accumulation of two hundred and forty (240) hours.

A doctor's certificate or other authoritative verification of illness may be required by the Employer. Said sick leave is to commence on the third full workday's absence for sickness or non-occupational injury, on the first workday's absence if the employee is hospitalized, undergoes outpatient surgery, or has accumulated in excess of one hundred and ninety-two (192) hours, and on the second workday's absence if the employee has accumulated in excess of ninety-six (96) hours but less than one hundred ninety-two (192) hours. The waiting period provided herein shall apply for each illness or non-occupational injury. Any employees ineligible for first day sick pay under this provision shall be permitted to use up to five (5) days per year of vacation accrued pursuant to Section 47 or unused personal holidays as payment for such employee's first day sick time at the employee's election. Notwithstanding other requirements to use personal holidays or unused and accrued vacation, there shall be no management discretion to deny pay for such absence, except that a doctor's certificate or other authoritative verification of illness may be required by the Employer. In order to use personal holidays and/or vacation pay for a sick absence, the employee must provide at least two (2) hours' notice prior to the start of such employee's scheduled shift.

Sick leave benefits are not convertible to cash.

ARTICLE 39

INJURY ON THE JOB

Section 94. When an employee is injured on the job, there shall be no deduction from the employee's pay for the day in which the employee was injured and reported for medical care. In no case shall the Employer's obligation exceed eight (8) hours, and there shall be no payment for any overtime hours missed because of the injury.

ARTICLE 40

HEALTH BENEFITS PLAN

Section 95. Trust Fund. The Rocky Mountain UFCW Unions and Employers Health Benefit Trust ("Health Benefit Trust") is a trust fund jointly administered by an equal number of Trustees representing the Employer and the Union. All contributions provided for in this Article will be paid into the Health Benefit Trust. The Trust Fund is

to be jointly administered by an equal number of Trustees representing the Employer and the Union. There shall be three (3) Plans of benefits, Plan A, Plan B and Plan C with contributions as provided herein. As a condition of receiving the contributions provided above, the Trustees of the plan will:

- 1) Establish Plan(s) of benefits, which can be supported by the contributions provided in the Agreement, and
- 2) Maintain the Trust in a fully funded status as provided herein and in the Trust Agreement

The Trustees shall establish a separate accounting of income and expenses for participants of the Fund who agree in their collective bargaining Agreements to a fixed contribution rate. The Trustees are expressly prohibited from using the contributions of the Employer's contributing on fixed contribution rate basis to pay benefits for participants of other employers who have not adopted these fixed contributions.

Employer Contributions and Benefit Levels. The Employer agrees to contribute the following amounts per month for each eligible employee.

	Changes effective June 1	Current	2019 – Hours worked in first month following ratification	January hours payable in February 1/1/2020	January hours payable in February 1/1/2021
	Plan A Hired Before 3/5/2005	\$ 807.14	\$ 863.64	\$ 924.09	\$988.78
	Plan A Hired After 3/5/2005	\$ 694.33	\$ 742.93	\$ 794.94	\$850.59
	Plan B Hired Before 3/5/2005	\$ 645.70	\$ 690.90	\$ 739.26	\$791.01

	Plan C Hired After 3/5/2005	\$ 349.93	\$ 374.43	\$ 400.64	\$428.68

The “up to” rates for 2021 will be determined as follows:

1. Using the latest financial data available as of September 1, 2020, co-consultants will develop a forecast through 12/31/2021.
2. In preparing the forecast, the below trend rates will be used.
3. If the forecast projects an ending balance at 12/31/2021 that is below the target reserve level (average of 1.4 months of expense for the 12 months ending 12/31/2021, plus IBNR at 12/31/2021), then the employer contributions will be increased effective January 2021 so that the ending reserve will be equal to the target reserve.
4. In no event will the increase in the employer contributions rate exceed 7.0%. In no event will the 2021 employer contribution rate be less than the 2020 employer contribution rate.

5. Co-consultants will work together to develop increases that are as close as possible. In the event co-consultants develop materially different estimates, the lowest increase will be implemented while Trustees resolve the differences between the two estimates of the co-consultants. Any arbitration concerning the differences between the two estimates shall be held not more than sixty (60) days following deadlock.

To remain enrolled as a participant eligible for plan coverage, each employee who is currently enrolled, or who initially enrolls during the term of the collective bargaining agreement, must re-enroll prior to the start of each succeeding plan year. Employees must make a positive election to enroll in the Plan. Enrollment is for the entire plan of benefits for the Plan and an employee's failure to make a positive enrollment into the Plan shall result in such employee being ineligible for all benefits of the Plan for the remainder of the

calendar year or until there has been a qualifying life event, as defined herein, whichever occurs first. During the first enrollment, the Plan will allow a 30-day grace period to allow an employee to enroll who missed the deadline for enrollment.

Effective calendar year enrollment period beginning January 1, 2010, the Plan shall conduct an annual enrollment in accordance with the following procedure.

A discontinuation in coverage may be made within sixty (60) days of a special enrollment event as defined by the Plan. Administrative office will need to do semi-annual verification.

Employees must initially make a positive election to enroll in the Plan. Enrollment is for the entire plan of benefits for the Plan and an employee's failure to make an initial positive enrollment into the Plan shall result in such employee being ineligible for all benefits of the Plan for the remainder of the calendar year or until there has been a special enrollment event as provided in the Plan's Rules and Regulations, whichever occurs first.

The administrator of the fund will use the enrollment data in order to establish the eligibility of employees and their dependents for participation in plan coverage. None other than those employees contained on the enrollment report shall receive

benefits from the Trust without the express authorization of the Trustees. The administrator will promptly notify the Trustees in writing of any instances where coverage has been provided to persons who are not included in the enrollment data, or where a claim for payment has been submitted by or on behalf of such person.

The Fund will audit its enrollment and claims records as least once within each twenty-four (24) month period to ensure that no employees of the Employer, or the dependents of such employees, are participating in plan coverage for which they are not eligible and to ascertain that claims and other plan expenses are being paid in accordance with the Plan's provisions.

Initial Eligibility – Part-time employees hired before March 6, 2005 who on March 5, 2005 have met the initial eligibility requirement for benefits under the Trust will continue to be eligible for coverage provided the employee enrolls in the Plan beginning in 2005, and further provided the employee has made the required employee co-premium payment. Such employees shall continue to be eligible for Plan A if such employee was eligible for Plan A on March 5, 2005. Employees who were eligible for and were participating in Plan B on March 5, 2005, shall participate in Plan B until such employee has been covered under such Plan B for twenty-four (24) months. Thereafter, such employee may advance to Plan A provided they continue to enroll and meet the eligibility requirements of the Plan. All part-time employees (excluding Courtesy Clerks) and their eligible dependents hired on or after March 6, 2005 shall, beginning the first of the month following twelve (12) calendar months of employment (but not before January 1, 2010 with regard to their eligible dependents), be eligible to enroll and participate in the Health Plan, under the Health Plan C. Upon completion of the first thirty-six (36) months of eligibility under Plan C, such employee and their eligible dependents may enroll in Plan B for the next thirty-six (36) months of eligibility under Plan B. Thereafter, provided the employee continues to maintain eligibility, such employee and their eligible dependents may enroll and participate in Plan A.

Full-time employees shall on the first of the month following three (3) months of employment, be eligible to enroll with their eligible dependents in Plan B, and after thirty-six (36) months of eligibility under Plan B, shall be allowed to enroll with their eligible dependents in Plan A.

On-going Eligibility – After satisfying initial eligibility requirement provisions and enrollment in the Health Plan, the employee must continue to meet the monthly on-going eligibility requirements as a condition of continued participation in the Health Plan. Enrolled employees who work eighty (80) hours in a four (4) week month or one hundred (100) hours in a five (5) week month shall be eligible for coverage on a lag month basis. For the purpose of this Article, hours worked shall include hours paid

directly by the Company for **overtime**, holiday, vacation, jury duty, funeral leave and sick pay.

2. The Plan shall adopt a fee of one hundred dollars (\$100) per month for a spouse of a covered employee who is eligible to enroll in health coverage at their employer, but fails to do so, as a condition of enrollment in this Plan.
3. Adopt the long term funding policy contained herein.
4. The Parties agree to adopt true managed care approaches to providing mental/nervous and physical benefits under the Plan. The Plan Administrator should not perform such managed care.
5. The Parties will adopt cost control measures that will aid the Fund in managing costs within the contributions provided by the Employers and Participants to this Plan.

Effective January 1, 2010, the Trustees of the Plan shall be directed to adopt the following modifications to the active plan(s) of benefits:

Effective January 1, 2016, increase the disability benefit cap to three hundred dollars (\$300).

Effective January 1, 2020, Plan B's dental benefit shall become identical to the dental benefit for Plan A. Effective January 1, 2020, any employee and their dependents who are enrolled in Plan B shall receive the improved dental benefit.

Health and Care Management

Direct Trustees to Implement Integrated Health and Care Management Programs. The programs shall be designed to progress over the term of the Agreement to "best-in-class" levels with respect to the key characteristics listed below:

- Quality education campaign for all participants
- Superior participant communications, including robust web tools
- Superior participant information tools

- Analytics measuring participation, compliance, and results
 - Very strong comprehensiveness of programs
 - High levels of integration
 - Strong physician behavior change mechanisms
 - Significant levels of medical and drug trend reduction
1. Establish a health risk assessment questionnaire to be completed annually. If employee and spouse complete annually, such employee's co-premium to the Plan shall be reduced five dollars (\$5) per month for each employee and spouse (max ten dollars [\$10]) for that enrollment's calendar year. An HRQ must be completed each year during enrollment to be eligible to receive the HRQ incentive for each year. During the term of this Agreement, the Trustees may, by mutual agreement, reallocate the HRQ incentive amounts provided above.
 2. Establish twenty-four (24)-hour nurse call-in line and/or medical decision support.
 3. Develop a medical management program that targets high-risk participants with chronic diseases such as diabetes, obesity, asthma and cardiovascular disease. In order to encourage participant engagement in such programs and to enhance the goal of improving health status a series of incentives must be developed.

There is recognition that incentives may take various forms and will likely evolve and change over time based on program experience with a goal of maximizing program effectiveness and reducing health costs and medical trend. The initial focus will be a thorough educational campaign in connection with program roll out.

4. Establish free and/or reduced cost educational programs such as:
 - a. Weight management
 - b. Smoking cessation
 - c. High cholesterol
5. Reduce prescription drug co-pays as shown below for participants taking maintenance drugs (and related supplies which require a prescription) for certain disease states which would include categories of drugs such as:
 - a. Hypertension
 - b. High cholesterol
 - c. Diabetes control drugs
 - d. Asthma
 - e. Glaucoma
 - f. Osteoporosis

Drug Class	Co-Pay
Generic	\$2.50

It is understood that the Plan's consultants will continue to evaluate the effectiveness of including these scheduled drug categories on Plan costs and based on their recommendations the Trustees may remove drugs from this list and/or add other categories of drugs consistent with the objective of increasing compliance with prescribed drug therapies which will lower plan costs and trend.

6. Complex/Catastrophic Care Management to provide case management of the entire health care and treatment for participants with high-risk health conditions.
7. Preventive health care at medically appropriate times (see below)

Utilize nationally recognized guidelines as a basis for coverage.

Long Term Funding Policy

1. The parties recommend to the trustees that a Minimum Reserve Requirement be established equal to IBNR reserves plus a lag month reserve. The Fund consultants shall calculate the IBNR and lag month reserve requirement at least once every twelve (12) months beginning on (date) and report these amounts to the Trustees at their next regularly scheduled meeting. Any withdrawing employer shall reimburse the Fund for their participants' claims run off.
2. If the market value of the assets at any twelve (12) month review point is ever below the calculated IBNR level as calculated by the Fund consultants, then the Fund consultants shall prepare recommendations for benefit plan redesign and/or employee co-premium contributions such that the dollar amount of any such deficiency will be fully recovered by the end of the twelve (12) month period beginning after the trustee meeting in which the deficiency is first projected.
3. No changes are permitted that would violate any contractual agreement between the Fund and any third party vendor.

4. If the Fund consultants cannot agree on a recommended plan of benefit redesign and/or employee co-premium contributions, and the Trustees cannot agree to a corrective action plan, by virtue of deadlock motions, then the trustees must act to adopt the recommended corrective action plan that has the least adverse impact on plan participants, however, one set of Trustees may exercise the Fund's dispute resolution procedure on an expedited basis to determine if other corrective actions must be taken.
5. The minimum reserve target defined above is solely meant to be a "floor". It is not also a "ceiling". That is, no Trustee action is required or expected in the event that reserve levels are above the minimum reserve target.
6. The Long Term Funding Policy provisions of this Article are suspended for the period of May 11, 2012 through and including September 12, 2015.

Extended Benefits. An employee who has been eligible for benefits for six (6) months or more immediately prior to becoming physically disabled and thereby unable to work, shall continue to be eligible for benefits during his continuing period of disability, up to a maximum of six (6) months.

Retiree's Benefits. The Employer will contribute eighteen dollars and thirty-four cents (\$18.34) per month per eligible active bargaining unit employee, covered under this Agreement, in the Health Plan to subsidize the self-pay costs of providing Health and Welfare benefits to eligible retirees under the Rocky Mountain UFCW Unions and Employers Health Benefit Plan (the "Retiree's Health Plan").

Effective for employees who retire on or after October 1, 1996, the eligibility requirements for participation in Retiree's Health Plan shall be:

In the event any law or governmental regulation requires any payment from the Employer for benefits which would replace, supplement or modify the Medical, Surgical and Hospital Service, Dental Plan, Pension Plan, Prescription Plan, Vision Plan or other benefit provided under this Agreement, the amount of such payments shall be deducted from the contributions for such benefits required under the terms and conditions of this Agreement.

ARTICLE 42

PENSION FUND

The Trustees shall be directed to merge the Clerk and Meat Pension Plans no later than July 1, 2016.

Section 97. Employer Contributions. For all employees hired before March 6, 2005, covered by this Agreement, the Employer shall pay one dollar and five cents (\$1.05) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid) into the Rocky Mountain UFCW Unions and Employers Pension Plan, which shall be jointly administered by the Union and the Employer by an equal number of trustees as provided in an agreement establishing such Pension Fund.

For all employees hired after March 5, 2005, contributions shall be at a rate of forty-eight cents (\$0.48) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid).

Effective January 1, 2010 (December hours) for all employees covered by this Agreement, the Employer shall pay eighty-two cents (\$0.82) per hour for all hours worked at straight time (including hours worked on Sunday, vacation and holiday hours paid) into the Rocky Mountain UFCW Unions and Employers Pension Plan, which shall be jointly administered by the Union and the Employer by an equal number of trustees as provided in an agreement establishing such Pension Fund. Effective November 30, 2015, the supplemental contribution contained therein shall cease. Effective December 1, 2015, the base pension contribution rate for all contracts shall be increased to one dollar and twenty-five cents (\$1.25) per hour (based on preceding month hours). Effective December 1, 2015 (November hours), the base contribution rate shall be reduced to one dollar and five cents (\$1.05) per hour. Such reduced contribution shall continue through the payment made in November 2018 (October hours). Effective December 1, 2018 (November hours) the base contribution rate shall return to one dollar and twenty-five cents (\$1.25). At the trust meeting set no more than six (6) months prior to the expiration of the 2015-2019 contract, the actuaries are to determine the contribution rate necessary to continue funding current benefits and to maintain PPA green zone status for at least the next ten (10) years. In the event the actuaries determine that a lower contribution rate is sufficient to continue current benefits, the Union and the Employers will share equally the excess funding. The Union may increase the accrual rate and the Employers' contribution rate will be reduced in an equal manner and amount, based on actuarial equivalence. Nothing in this section should be construed as an agreement to increase the pension contribution rate above the agreed upon basis set forth above.

The Trustees shall be directed to modify the Plan's accrual rates effective January 1, 2016 to thirty dollars (\$30.00) per month for future years of service.

Effective February, 2020 (January hours), the Employer contribution rate will be increased by \$0.25 per hour. Effective February, 2021 (January hours), the Employer contribution rate will be increased by an additional \$0.10 per hour.

In addition to those increases, at the time of the completion of the 2020 Pension Protection Act certification, the co-actuaries will calculate the 2019 market return and the Employer shall make a conditional lump sum contribution based on all pension contribution hours, (not to include Courtesy Clerks), worked during the period January through December 2019.

i.If the return is equal to or exceeds 10.25%, no conditional lump sum contribution shall be required.

ii.If the return is equal to or exceeds 9.25%, but is less than 10.25%, a \$0.05 additional contribution per hour shall be required.

iii.If the return is equal to or exceeds 8%, but is less than 9.25%, a \$0.10 additional contribution per hour shall be required.

iv.If the return is less than 8%, a \$0.15 additional contribution per hour shall be required.

The payment will be made within 60 days following completion of the 2020 Pension Protection Act certification.

Section 98. Long-Term Funding Policy. The parties agree to direct the Trustees of the Pension Plan to use their best effort to effect a merger with the Denver Area Meatcutters Pension Fund with the Rocky Mountain UFCW Unions and Employers Pension Plan with the objective of accomplishing the merger on or about July 1, 2016 and give full authority to effectuate such merger to the Board of Trustees of the two pension plans without further approval of the parties of this Agreement.

Section 99. Said Pension Fund shall be used to provide benefit pensions for eligible employees of the Employer as provided in a Pension Plan, the terms and provisions of which are to be agreed upon by the parties hereto; said Pension Plan shall, among other things, provide that all benefits under the Plan and costs, charges and expenses of administering the Plan and all taxes levied or assessed upon or in respect of said Plan or Trust or any income therefrom shall be paid out of the Pension Fund.

Section 100. Said Pension Plan and the Trust Agreement establishing the Pension Fund have been submitted to the United States Treasury Department and the United States Department of Labor for the approval and rulings satisfactory to the Employer, that said Plan is qualified under I.R.C. Section 401, et seq. and that no part of such payments shall be included in the regular rate of pay of any employee.

Section 101. If for any reason, the United States Treasury Department and the United States Department of Labor withholds approval and rulings satisfactory to the Employer, the parties to this Agreement hereto agree to negotiate other fringe benefits or wage increases in the amount equal to the cents per hour provided for in this Article for all hours worked at straight-time in lieu of payments into the Pension Fund.

Section 102. The Employer shall be represented by its employees, or some other representative on the Board of Trustees administering such Pension Plan. A copy of the Trust Agreement and any amendments thereto shall be made a part hereto as if herein at length set forth, when adopted.

ARTICLE 43

HEALTH AND WELFARE OR PENSION DELINQUENCIES

Section 103. If the Employer fails to make monthly health and welfare or pension contributions, as set forth herein, he shall be notified by Certified or Registered Mail of his delinquency, either by the Health and Welfare Administrator or the Pension Plan Administrator, and if said remittance is not paid within ten (10) days, notwithstanding any provision of this Agreement, the Union, without the necessity of giving any other or further notice shall have the right to strike or to take such action as it shall deem necessary until such delinquent payments are made. The Employer hereby waives the requirement of any other notice or notices being given by the Health and Welfare Administrator or the Pension Plan Administrator or by the Union to him or to anyone else other than such notice or notices expressly provided for in this Article.

ARTICLE 44

NO DISCRIMINATION

Section 104. No employee shall be discharged without just and sufficient cause.

Section 105. No employee shall be discharged or threatened for refusing to cross or work behind any primary picket line established by any labor organization at the Employer's premises, nor shall the Union be deemed to be in violation of this Agreement if its members choose to honor any such picket line.

The Employer and the Union agree that each will fully comply with applicable laws and regulations regarding discrimination against any employee, or applicant for employment, because of such person's race, religion, color, national origin, sex or age.

The Employer hereby agrees not to discriminate against any employee or discharge him because of membership in the Union and/or for upholding Union principles.

No employee who because of his religion has conscientious objections to working on his Sabbath will be required to work his Sabbath as a condition of employment. If the rights of the employees under this paragraph operate in conflict with the seniority provisions contained elsewhere in this Agreement, the right of seniority shall prevail.

If requested and in accordance with applicable law, the company will refer to an

employee participating in transgender procedures by the gender of their choice. It is understood that the foregoing provision is not subject to the grievance/arbitration provisions of the labor contract.

Section 106. Wherever the masculine gender is used in this Agreement, it shall be deemed to include the feminine gender.

Section 107. It is recognized that the Employer may sponsor donations to worthy charitable organizations of a non-political nature. However, no employee shall be required to make contributions, nor shall any employee be told a specific amount he must contribute. There shall be no compulsion with regard to contribution.

ARTICLE 45

UNION REPRESENTATIVE VISITATION

Section 108. The Chief Executive Officer of the Union, the Deputy Secretary, or the Business Representative, thereof shall have the right of entering the premises of the Employer for the purpose of interviewing employees in such a way as to not interfere with the service of the Employer. The said representatives shall make their presence known to the supervisory person in charge upon entering the premises. The Employer shall, upon the request of an authorized Union representative, furnish satisfactory evidence to ascertain whether employees are being paid in accordance with the terms of this Agreement. The Chief Executive Officer, or his Deputy, may inspect the dues books of employees during working hours.

ARTICLE 46

JOINT LABOR MANAGEMENT COMMITTEES

Section 109. There shall be established in each store a joint Labor Management Committee whose purpose shall be to investigate, study and discuss mutual solutions to problems affecting Labor-Management relations in the store in a sincere attempt to improve the parties' basic relationship. The Committee in each store shall be made up of an equal number of Union and Employer representatives and shall develop its own guidelines as determined by the participants in the store and as approved by the Union and the Employer. The Committee shall not have the authority to modify this Agreement.

ARTICLE 47

UNION STEWARD

Section 110. The Union shall have the right to designate one (1) Steward per store who shall perform their Steward duties in such a way as not to interfere with the

service of the Employer. Such stewards shall have top seniority for the purpose of layoff within their classification in that store. The designated representative of the Employer must be advised in writing by the Union of the name of the steward in the store before the employee will be recognized as a steward.

The Employer agrees to allow the Stewards to be scheduled off two (2) days, without pay, to attend the Steward's Conference, which will be unscheduled days of work. It is expressly understood and agreed that the Stewards will be scheduled their normal hours during such week.

Where store operations are not adversely affected, the appointed Steward will not be scheduled to work later than 6:00 p.m. on the night (not more than one (1) per month) of the regular Local Union meeting. The Steward must notify his Store Manager in writing by Wednesday prior to the posting of the schedule for the week in which the meeting occurs.

Section 111. Employees' Rights to Union Representation. When an employee is involved in a disciplinary interview where the probable result of such interview will be the imposition of disciplinary action, the Employer shall have Union Representation of the employee's choice if present.

ARTICLE 48

GRIEVANCE AND ARBITRATION PROCEDURE

Section 112. Should any dispute or complaint arise over the interpretation or application of this Agreement, there shall be an earnest effort on the part of the parties to settle such promptly through the following steps, and failure to follow the procedures set forth below shall result in forfeiture of the grievance.

Step 1. By conference during scheduled working hours between the Steward, if requested by the employee, the Employer, and/or the Union's Business Representative and/or the aggrieved employee and the designated Employer representative.

Step 2. If the grievance cannot be satisfactorily resolved under Step 1 above, the grievance shall be reduced to writing and submitted to the representative designated by the Employer to handle such matters. Such submission shall be made within twenty (20) days of the date of the occurrence of the event which gives rise to the grievance and shall clearly set forth the issues and contentions of the aggrieved party or parties and must reasonably allege a specific violation of an express provision of this Agreement. (In the case of a discharge the time limits shall be fourteen (14) days.) The Employer designee and the Union Business Representative shall meet within ten (10) days after receipt of written notice of the grievance and attempt to resolve the grievance. In the event the Employer designee assigned to handle

grievance does not have an office in the area where the grievance arises, this meeting may be discussed by phone; furthermore, the time limits on this meeting may be postponed by mutual agreement of the parties.

In an instance where an employee feels he has not been paid in accordance with the wage progression scales set forth herein, such employee shall have an obligation to bring this to the attention of the Store Manager as soon as the employee first has knowledge of such alleged error. In the event the employee has been improperly paid, said payment error shall be corrected on a retroactive basis but not beyond ninety (90) days prior to the date on which the grievance is presented in writing.

If the issuance of a verbal or written warning is grieved, the Union will notify the Employer of the same. If the grievant is disciplined further, or otherwise adversely affected, and the verbal or written warning is relied upon by the Employer in doing so, the Union shall have the right to submit the grievance protesting the warning to arbitration together with the grievance contesting the disciplinary or adverse action. It is expressly agreed that all such grievances will be consolidated. It is further agreed that said grieved verbal or written warnings shall be removed from all files after a period of two (2) years if not relied upon for further discipline.

Step 3A. If the grievance is not satisfactorily adjusted in Step 2, either party may, with reasonable promptness, but in no event later than thirty (30) days from the date of the Step 2 meeting, in writing, request arbitration and the other party shall be obliged to proceed with arbitration in the manner hereinafter provided. The parties shall forthwith attempt to agree upon an impartial arbitrator.

Step 3B. In the event the parties are unable to reach agreement upon the selection of an arbitrator within fifteen (15) days of the written request for arbitration, the party requesting arbitration may, with reasonable promptness, request a panel of five (5) arbitrators from the Federal Mediation and Conciliation Service. From this panel of five (5) names, each party shall alternately strike two (2) names, the moving party striking first. The remaining arbitrator from the list shall be the impartial arbitrator. A finding or award of the arbitrator shall be final and conclusive upon the parties hereto.

Step 3C. The arbitrator shall have all the rights, power and duties herein given, granted and imposed upon him; but his award shall not change, alter or modify any of the terms and conditions set forth in this Agreement. The expenses of the impartial arbitrator shall be shared equally by the parties. The arbitrator will issue his decision within thirty (30) calendar days after the close of the proceedings. This thirty (30) day calendar time limit may be extended by mutual agreement between both parties.

Step 3D. In the event either party refuses to arbitrate on demand of the other party and an order compelling arbitration is obtained in Federal Court on the basis contended by the moving party, the refusing party will pay to the moving party reasonable legal fees incurred, up to two hundred dollars (\$200.00). Similarly, if the moving party fails to prevail in such an issue, the moving party will pay reasonable legal fees incurred up to two hundred dollars (\$200.00) to the refusing party.

Section 113. Remedies for Errors. If an error is made by management in the application of the provisions of this Agreement resulting in a lost work opportunity for the aggrieved employee such as vendor stocking, scheduling and assignment of hours disputes, classification issues, and work jurisdiction matters and the affected employee immediately files a grievance, the employee shall be made whole by being permitted to work the number of hours lost. Such hours shall be above and beyond the posted schedule. The employee shall advise management any time after the next schedule is finalized for the workweek of their desire to exercise their right to work the hours due during the workweek on the date and time determined by the employee. An aggrieved employee may not demand such remedy on an overtime or premium-pay basis if the alleged violation occurred on what would have been a straight-time day for such employee. The employee must exercise this right to work within four (4) weeks of the settlement of error with the employee or such right shall be forfeited and no further remedy shall be required.

ARTICLE 49

NO STRIKE - NO LOCKOUT

Section 114. During the life of this Agreement, there shall be no lockout, strike, picketing, boycotting, stoppage of work, anti-company publicity or other economic action of whatsoever nature, against the company.

It is understood that it shall be a violation of this Agreement for the Union or its agents to require its members to observe picket lines set up by any labor organization at the premises of the Employer.

ARTICLE 50

STORE OR PLANT CLOSING

Section 115. In the event the Employer closes or sells a store or plant and employees are terminated as a result thereof, such employees are entitled to pay equal to one (1) week's pay for each year of continuous service commencing with the third year of continuous service up to, but not to exceed eight (8) weeks' pay at their regular rate. However, those employees who have an incomplete year of continuous service as an employee will receive pro rata severance pay for that year as follows:

0-3 months equals twenty-five percent (25%) of a week's pay.
3-6 months equals fifty percent (50%) of a week's pay.
6-9 months equal seventy-five percent (75%) of a week's pay.
Over 9 months equal one week's pay.

Severance pay shall be computed on the average hours worked per week for the fifty-two (52) weeks preceding a voluntary layoff or termination.

The Company will not challenge any unemployment claim of employees, provided there is no dispute that employee engaged in conduct prior to the store closure that would have resulted in the employee's termination, even if the Company discovers information leading to the dispute after the store closure.

The Company also agrees to provide employees whose employment is terminated with a letter stating the following:

To Whom It May Concern:

This shall confirm that _____ was employed by King Soopers/City Market in our (city/state) store from _____ to _____, [year] in the position(s) of _____. His /her last straight-time hourly wage rate was \$ _____. Mr. /Ms. _____ employment was terminated effective _____, [year] as a result of the Company's decision to close the (city/state) store for business reasons.

The Employer shall continue contributions to the Pension and Health and Welfare Trust Funds for three (3) full months following termination on an hourly basis in direct relationship to the severance pay received for those employees who secure employment with a contributing Employer in the Pension and Health and Welfare Trust Funds.

All monies due employees, including severance pay, shall be paid in a lump sum upon termination.

An employee who is terminated and who is eligible for severance pay, and accepts severance pay, forfeits his seniority and has no recall rights. However, an employee may elect to accept a voluntary layoff not to exceed ninety (90) days. At the end of the ninety (90) day period, if he has not been recalled, he will be paid severance pay and forfeit his seniority. Any extensions of this ninety (90) day period must be agreed upon in writing and signed by the employee, a representative of the Union and the Employer. In no case will such extension exceed a total of six (6) months from the date the employee accepted the layoff.

If an employee is offered a transfer to other employment with the Employer within forty (40) miles of the store or plant in which he was last working and he refuses to accept the transfer or other employment with the Employer he forfeits his rights to severance pay and Pension and Health and Welfare contributions.

If a store or plant is sold and the successor Employer offers employment to an employee who is otherwise eligible for severance pay under the terms of this Article and the new job is comparable, then no provisions of this Article shall apply.

The Employer agrees to give to the employees and the Union four (4) weeks' notice in advance of a store or plant closing or sale. When such notice is given, an employee shall remain with the Employer until the plant or store closes, or forfeit his rights under this Article, unless mutually agreed to by the employee, Employer and Union.

No benefits shall accrue under the terms of this Article unless the Employer makes a business decision to close or sell a store or plant. If a store or plant closing is caused by fire, flood, storm, land condemnation or remodeling, then this Article shall not apply.

In the event of a store or plant closing, employees shall be allowed to exercise their seniority under their respective layoff procedures. Employees may exercise their seniority rights to bump the least senior employee in their classification in the bargaining unit closest to their home, provided all stores in the effected bargaining unit have closed; however, if they exercise such seniority rights, the provisions of this Article shall be null, void and not applicable.

ARTICLE 51

Section 116. The Employer agrees to furnish a bulletin board for the use of the Union within each store. Material placed upon the bulletin board shall be restricted to the following types of notices:

1. Notices of Union recreational and social affairs.
2. Notices of Union elections, Union appointments, and the results of Union elections.
3. Notice of Union meetings.

The bulletin board is not to be used by the Union or its members for disseminating propaganda of any kind whatsoever, and among other things, it shall not be used for the posting of material of a political or controversial nature or for advertising purposes. Any document placed on the bulletin board must be signed by an officer or official representative of the Union.

ARTICLE 52

UNION STORE CARD

Section 117. The Union Shop Card is the property of the United Food and Commercial Workers, International Union, AFL-CIO, and is loaned to the Employers for display who sign and abide by this Agreement. The Shop Card may be removed from any market by the Chief Executive Officer of Local No. 7 or his deputy for any violation of this Agreement.

ARTICLE 53

UNIFORMS/EQUIPMENT

Section 118. The Employer agrees to furnish all linens or uniforms required by the Employer for use in the markets and to launder same, except for drip dry garments. It is further provided that all hand saw frames and hand saw blades shall be furnished by the Employer. The Employer will also furnish an oil stone in each market for the use of employees in sharpening all hand tools.

Notwithstanding the above, the employee shall be required to meet the dress requirements, at the employee's expense unless otherwise specified, as detailed in the Letter of Understanding, "Dress Requirements," attached to this Agreement.

All Sanitation Chemicals - Employer shall provide proper training in use of chemicals and shall provide proper equipment for use of chemicals as provided by manufacturer. All equipment provided shall be provided to each bargaining unit employee as needed. Copies of MSDS Chemical books shall be in all departments affected.

ARTICLE 54

SAVINGS CLAUSE

Section 119. If, during the term of this Agreement, or during any renewal or extension of the same, any Federal or State Law is enacted, or any rule or regulation is issued under any Federal or State Law, which would make compliance by the Union, the Employer, employees, or any of them, with the terms provisions or conditions of this Agreement a violation of any said laws, rules or regulations, then such terms, provisions or conditions shall become inoperative and of no effect from the effective date of any such law, regulation or rule. The remainder of this Agreement not in conflict with any of said laws, rules or regulations shall continue in full force and effect.

In the event of any such terms, provisions or conditions becoming inoperative and of no effect, either party to this Agreement may open the same for bargaining only as to substitute provisions, if any, for those provisions made inoperative upon a thirty (30) day written notice to the other party.

It is specifically understood that the no-strike and no-lockout provision set forth elsewhere in this Agreement shall remain in effect throughout the term of this Agreement.

ARTICLE 55

MASTER SAFETY COMMITTEE

Section 120. The Employer and the Union will jointly set up a Master Safety Committee to discuss and work towards resolving safety issues in the workplace. The Master Safety Committee shall include at least two (2) Employer officials and at least two (2) Union officials as well as up to five (5) employee participants.

The Employer and the Union agree to seek information relative to ergonomic stresses common in the workplace. The Master Safety Committee will meet periodically to review the information obtained. The parties will discuss and work toward resolving ergonomic safety issues found to be prevalent in the workplace.

The Employer shall pay employee participants their regular hourly rate of pay for all time so spent and mileage for Company authorized joint meetings.

Section 121. The Company and Union agree that the Employer is responsible for maintaining a sound safety program and its employees are responsible for adhering to the safety program by working safely, being continually alert so they may prevent injury to themselves, fellow employees, and our customers. Employees are responsible for reporting any safety hazards immediately to store management so that they may be addressed in accord with the Company safety program.

Section 122. The Company agrees that, when required by its safety program or applicable law, it is obligated to provide the following safety items:

ARTICLE 56 TECHNOLOGICAL CHANGES

Section 126. The parties recognize that a well-trained and technologically proficient workforce is beneficial to employer and employees alike. As technological changes are occurring at a rapid pace, such changes may have a dramatic impact on both employees' careers and the employer's business. In the event the Employer introduces technological changes that impact bargaining unit work, they shall meet to discuss the changes, their anticipated impact on the

COST OF LIVING

Section 128. Effective May 4, 1986, there shall be a cost of living allowance based on the increase in the revised Consumer Price Index for Urban Wage Earners and Clerical workers, published by the Bureau of Labor Statistics, U.S. Department of Labor (1967 = 100) between March, 1985 and March, 1986. For hourly rated employees covered by this Agreement, there shall be a one cent (1¢) per hour adjustment for every full .4 point increase in that index which exceeds an increase of 5.5% in the Index during the period between March, 1985 and March, 1986. APPENDIX "A"

ALL KING SOOPERS MEAT BARGAINING UNITS

The minimum hourly rate of pay for the indicated classifications shall be as set forth below on the dates indicated. The Employer may hire any employee at any rate in the progression schedule at its sole discretion.

Demotions, Step Downs and Layoffs: An employee who is demoted, steps down, or who is laid off in accordance with this Agreement, shall be placed back into the same wage schedule in which the employee was working immediately prior to their assignment into management or promotion into the classification from which they are being demoted, stepping down or laid off. In determining the proper progression level for an employee demoted, stepping down, or laid off from a classification with a higher "thereafter" hourly rate to a classification with a lower "thereafter" hourly rate, such affected employee shall be placed in the appropriate progression level in the rate schedule referenced in this paragraph based on their experience in the newly assigned classification, regardless of whether such assigned rate results in a reduction in hourly rate. In determining prior experience hereunder, the Employer will give recognition to the verified number of hours of actual work experience in the same classification which said employee may have performed for the Employer and the verified number of hours of actual work experience on a comparable job which said employee may have performed within the previous ten (10) years for any other employer in a similar retail grocery operation.

POSTING OFFICIAL UNION NOTICE ARBITRATION. DATED 5/14/84

Re: UFCW - 7 v. King Soopers (Posting Official Union Notice Arbitration)

Dear Mike:

This letter will confirm that we have orally reached an agreement to settle this case on Thursday, May 10. Enclosed with this letter is a draft of the language which we have discussed over the telephone which is part of the settlement.

Outside of the settlement, we have made some other agreements or exchanged ideas. First, it is agreed that the August 29, 1983 notice which caused this grievance to be filed, would be considered proper under the attached language. Second, with respect to management reviewing the notice, we have agreed that such a review cannot unreasonably interfere with the timing of the notice i.e., if it is important that the notice be posted immediately because its content needs to be known before a date arising in the immediate future, it would not be proper for Kings to unreasonably insist that a particular individual review the notice who is not then available. If, however, there is no particular time crunch involved, there is a fair amount of flexibility in terms of who reviews the notice and when.

Finally, with respect to the word inflammatory which is included in the settlement, we discussed two different sets of circumstances, one of which we would agree is inflammatory and one of which we would agree is not inflammatory. We recognize that there may be a fine line between the two and hope that all parties will act reasonably in interpreting the language in the facts of each case. With respect to what is inflammatory, it would be improper for the union in a notice to encourage members to file numerous and multiple grievances in an effort to harass King Soopers. It would not be inflammatory for the union to explain rights and to inform the employees that if they have problems or beliefs that these rights are being violated to discuss the matter with their steward or business agent.

I believe that this settlement is fair and reasonable for all sides and that the problem probably arose because of the heat of the moment. To my knowledge, there had never been any problems in the past with posting of notices and it is my firm hope that there will be none in the future. I appreciate your cooperation in helping reach a prompt and reasonable resolution to this matter. If you have any questions about the language, please feel free to call.

**GRIEVANCES OF DELI CLERKS DOING BUTCHER BLOCK WORK
INVOLVING CHARLIE AMES #43, CASE # 154-86,
AND VIC JENSON #61, CASE # 113-86**

SICK PAY. DATED 12/22/87

The United Food & Commercial Workers' Local No. 7 (hereinafter "the Union") and King Soopers, Inc. (hereinafter "the Employer") hereby agree to resolve the grievance in Case No. 52-84 as follows:

1. The Employer may require employees to complete its sick pay request forms in accordance with the following:
 - a. Part I of the form must be completed for all absences for which the employee is requesting sick pay.
 - b. Part IV of the form may be required to be completed for absences of three or more scheduled work days.
 - c. Completion of Part IV of the form may be requested prior to three scheduled work days if there are suspicious circumstance indicating malingering by the involved employee. Additionally, the Employer may require completion of Part IV where the employee's absenteeism record is excessive. Under the above circumstances, the employee will be notified by a Company representative, while still absent, that the employee will be required to have Part IV completed.
 - d. In lieu of completing Part IV, where necessary, the employee may submit the following, which shall constitute "other authoritative verification", only if date of disability and diagnosis are indicated.
 - (1) Hospital bills
 - (2) Worker Compensation Information
 - (3) Health and Welfare trust fund information
2. The Employer will make every reasonable effort to insure that payments will be received in a timely manner.
3. The Employer will not refuse to allow employees returning from sick leave to report for work because the employee has not completed the sick pay request form or provided other verification of illness. The only exception would be where the employee does not appear physically capable of performing the work or where the illness could remain contagious and therefore dangerous to either product, customers or employees. Where the request for sick leave is denied, the Union may grieve and pursue the same.

4. For absences of one calendar week or more, employees will be required to request a leave of absence in writing.
5. Completion of the sick pay request form will not be required by employees who are not eligible for, or are not requesting sick pay.

Mr. Dwayne Adkins
Secretary-Treasurer
UFCW Local No. 7
7760 West 38th Avenue, Suite 400
Wheat Ridge, Colorado 80033

RE: GRIEVANCE OF IVAN SAINDON #569-89

Dear Dwayne:

In response to our most recent discussion of the above referenced grievance, the Company will accept the Union's offer to resolve the grievance on the following basis:

That during the first two weeks of employment for any employee of the meat plant, the company shall retain the right to restrict the employee from exercising his seniority to move to another job, or prohibit another employee from bumping the newly hired employee out of his position. It is further understood, that during this two week period senior employees may be forced to take work assignments in another area of the plant as a result of this agreement.

As we discussed, in the event that at the end of the probationary period management desires to extend an employee's probationary period that such extension will be considered by the union as provided in the collective bargaining agreement.

If this resolution reflects our understanding, please execute both copies of this letter and return one to me.

RETAIL MEAT FLOATER POOL. DATED 8/9/90

between

King Soopers, Inc.

and

United Food and Commercial Workers Union, Local No. 7

Re: Retail Meat Floater Pool

WHEREAS, during the negotiations for the current meat contract, the parties agreed to language establishing a floater pool for the retail meat department; and

WHEREAS, several matters have arisen which were not contemplated or discussed during said negotiations;

NOW, THEREFORE, in order to resolve these disputes, the parties named above agree as follows:

1. When a full-time, "based" meatcutter is affected by a reduction of hours, as set forth in Article 31, Section 82 (76), the affected employee shall displace the least senior, full-time, "based" meatcutter in the district. The employee being displaced shall then be placed in the district's floater pool and scheduled in accordance with said letter of agreement.
2. In consideration of safety, job knowledge and to assure that first-year apprentices receive adequate training, a first-year apprentice shall be "based" in a store, regardless of seniority. However, they shall be scheduled hours in accordance with their seniority as if they were within the floater pool.
3. If a full-time opening becomes available as set forth in Article 27, Section 66 (60), or Article 28, Section 78 (72), and the most senior, eligible employee is an apprentice, and if such appointment would violate the ratio required under Article 7, Section 15, then the eligible apprentice would be transferred and bump the least senior, full-time meatcutter in the district who would then be placed into the original full-time opening.

PERSONAL CELLPHONES. DATED 9/8/15

The parties agree that bargaining unit employees may carry cellphones on their persons on Company premises during working hours, but only if all of the following conditions are met:

1. The employee notifies the Store Manager in writing that they have a personal cellphone and that they may be carrying it with them on Company premises during working hours.
2. The cellphone must be set so that it does not emit any audible signal. It may be set so that it signals the owner of an incoming call by vibrating.
3. Service to customers is not to be interrupted. The employee may not look at the cellphone at any time while they are on the sales floor and they may only return calls while they are on authorized break periods.

The parties also agree that any violation of the above conditions by any employee may result in progressive discipline up to and including possible discharge in appropriate cases.

Finally, it is expressly understood that the Company may apply different rules in the case of any employee that it wants to wear a cellphone during working hours for its own business reasons. In other words, the three conditions set forth above apply only to bargaining unit employees who carry cellphones for their own personal reasons (i.e. taking pictures of loads and/or displays and being notified of poll times etc.).

The Meat Cutter's request shall be submitted in writing to the Meat Manager of the Store he/she is based or the District Scheduler. The request shall remain in effect until the Meat Cutter voluntarily removes his/her name from the overtime request list.

5. The above understanding resolves the issue of "Assignment of Overtime to Meat Cutters" and settles the language issues of grievances #831-91 and 832-91. The parties agree to submit the "Back-pay" issue of the grievances to arbitration. It is understood that both parties reserve their right to the arguments and positions held throughout the grievance procedure, settlement meetings, and any other discussions or agreements on this issue in the matter of the "Back Pay" arbitration.
6. Either party may cancel this agreement, except for the provisions of #5 above, with 30 days advance written notice, any time after May 1, 1995.

HEALTH AND WELFARE TRUST FUND. DATED 4/28/11

King Soopers and UFCW Local No. 7 are parties to a number of collective bargaining agreements covering meat and clerk employees that provide health coverage for active employees and certain retiree employees under the Rocky Mountain UFCW Employers and Unions Health and Welfare Plan. Consistent with the parties understanding of January 22, 2010 regarding their agreement to direct the Trustees of the Plan to transfer surplus funds from the active account to the retiree account, the parties hereby agree to clarify their understanding with respect to the potential reallocation of funds in January 2012 as follows:

1. Should the Trustees of the Plan make the determination to reallocate all or part of the remaining \$4,000,000 from the active plan to the retiree plan in accordance with the parties understanding of January 22, 2010, then the Employer agrees to temporarily reduce each of the contribution rates to the active plan ("Active Rates") as determined below and to temporarily increase the contribution rate to the retiree plan ("Retiree Rate") by the same amount for the same period of time to effectuate this allocation:
 - a. The Trustees shall determine the amount to be reallocated between the active and the retiree plans in 2012 which reallocation may not exceed \$4,000,000.
 - b. The Co-Consultants to the Plan shall then compute over a 12 month period how much the Active Rates would have to temporarily be reduced for each employer participating in the Plan to effectuate the reallocation. Such amount shall be communicated to each employer along with the time period for making such reduced contribution rates.
 - c. The Employer shall then remit to the Plan for a 12-month period the Active Rates decreased by such reduction amount and shall increase the Retiree Rate by the same amount for the same 12-month period.
2. It is understood and agreed that this transfer shall be on a cost neutral basis with respect to each employer.
3. This agreement shall only be applicable upon certification by the Chairman and Secretary of the Plan's Board of Trustees that all Employers participating in the Plan have entered into a similar agreement.

LETTER OF INTERPRETATION. DATED 3/9/06

City Market, King Soopers and the UFCW Local NO.7 are parties to collective Bargaining Agreements for various meat units in the State of Colorado. A dispute has arisen regarding the interpretation of the following paragraph located in section 48 in the King Soopers Meat Agreements and in section 56 in the City Market Grand Junction Meat Agreement:

"Such vacation shall be paid at straight-time rates. The number of hours for which such employees shall be paid for a vacation week shall be the average number of weekly hours worked during the twelve (12) months immediately preceding the employee's anniversary date of employment, not to exceed 40 hours pay for each week of vacation. Hours paid for vacations, holidays and sick leave shall be considered as hours worked for the purpose of computing vacation amounts. No pro-rata vacation will be paid at termination."

The parties have agreed to resolve the dispute with the following interpretation:

1. The provisions of the referenced paragraph, with the exception of the last sentence, shall apply to all bargaining unit vacation payments regardless of when the employee was hired.
2. With respect to the last sentence of the referenced paragraph, such elimination of pro-rata vacation shall apply only to those employees hired on or after March 6, 2005. Employees hired on or before March 5, 2005 shall continue to be eligible for pro-rata vacation as provided in section 49 of the King Soopers Meat Agreements and section 62 of the City Market Grand Junction Meat Agreement.
3. The parties agree to resolve all pending grievances filed consistent with this interpretation.

ESTABLISHMENT OF ARBITRATION SCHEDULING PROCEDURES: Dated 9/1/15

United Food and Commercial Workers Local 7 (the Union) and King Soopers and City Market (the Company) discussed their mutual desire to improve the efficiency and effectiveness of the parties' administration of the grievance and arbitration process in our labor agreements. These discussions reflected both parties' belief that a well-managed grievance procedure is a cornerstone of any mature collective bargaining relationship and is the responsibility of both labor and management.

Our discussion was open and honest and was forward-looking. Our objective was not to assess blame for why the process had not lived up to expectations in the past, but rather, to use the past as a learning experience for the future. Within this context, the parties have agreed to the following grievance procedure the Company, the Union and the employees who work under the agreements deserve:

1. The leadership of Local 7 has committed to "taking a second look" at the backlog of pending grievances to see whether any can be withdrawn or settled. There is no obligation on Local 7 to withdraw any grievance it believes has merit, only to determine whether each grievance has merit and deserves to move forward. Local 7 believes this process can be accomplished by _____, 2015.
2. Additionally, the parties recognize that the information requests that routinely accompany grievances filed by Local 7 can be burdensome and time consuming for the Company to respond to, which in turn impacts the effective and efficient administration of the grievance procedure. Accordingly, Local 7 has committed to reviewing the information requests it has accompanying pending grievances as well as information requests it may file with future grievances to determine whether the information requests can appropriately be withdrawn or tailored more narrowly in scope.
3. The parties also agree to schedule monthly settlement meetings at which the parties will discuss the possible settlement or withdrawal of grievances pending arbitration.
4. The parties will work from an agenda containing cases pending arbitration ranked in order of date filed with the exception that cases involving termination, demotion, or potential continuing liability shall be moved to the top of the agenda in date order and shall be discussed before any other case. The agenda will be prepared one week from the date of the meeting and may then only be modified by agreement of the parties.

5. The parties will endeavor to discuss as many cases as can reasonably be considered at each monthly settlement meeting.
 - a. Cases that are settled or dropped/withdrawn by the Union shall be removed from the agenda and shall be deemed closed, subject to the Union's appeal process provided such appeal is resolved within sixty (60) days.
 - b. Cases that are continued at the monthly settlement meeting pending further review or investigation shall remain on the agenda for discussion at future monthly settlement meetings.
 - c. Cases that have been discussed but not resolved may, at the option of the grieving party, be scheduled for arbitration as provided below.

5. Grievances referred to arbitration shall be placed in the scheduling queue and scheduled for hearing as follows:
 - a. Cases shall be scheduled from the scheduling queue in order of their respective grievance filing date with the understanding termination or demotion cases shall move to the front of the scheduling queue in date order.
 - b. The party requesting arbitration shall promptly request a panel of arbitrators from FMCS for each case placed in the scheduling queue.
 - c. Within sixty (60) days after a final settlement meeting decision, the parties will select an arbitrator.
 - d. The parties will use best efforts to schedule the hearing in the matter for which an arbitrator has been appointed within six (6) months following a final settlement meeting decision with the understanding that the parties may schedule a hearing date later than six (6) months upon mutual agreement or as the result of 6(e) below.
 - e. Notwithstanding the provisions of 6(d) above, neither party shall be required or obligated to schedule more than three (3) cases per calendar month except by mutual agreement.
 - f. In all disciplinary cases referred to arbitration, as a condition to accepting appointment, the arbitrator must agree to render a decision and award no later than thirty (30) days after receipt of the

parties' post hearing statements. Unless otherwise agreed by the parties, such statements must be filed no later than fourteen (14) days following the close of the hearing (or receipt of transcript where applicable) and must be limited to no more than ten (10) single space letter size pages. It is specifically agreed and understood that any such case resolved under this procedure shall be deemed "non-precedential" and will not be cited by either party in the future proceeding. The provisions of this subsection (f) may be modified on a case-by-case basis by mutual agreement of the parties.

The Company's Director of Labor Relations and the Union President will retain jurisdiction over this letter of understanding and may, by mutual agreement, modify this letter of understanding, as they deem necessary and appropriate to improve the efficiency and effectiveness of the agreements' grievance and arbitration process. Any such modifications must be in writing and signed by both parties.

King Soopers and UFCW Local No. 7 hereby agree that in the event the Employer establishes a tuition reimbursement program for its hourly paid store employees that employees of the bargaining unit shall be allowed to participate in such program with the understanding that the Company retains exclusive rights to interpret, make changes and modification and to terminate such program at its sole discretion. HEALTH AND WELFARE CONTRIBUTIONS RECITALS. Dated 11/13/15

(ATTACHMENT "B")

- A. King Soopers/City Market (the "Employer") and the United Food and Commercial Workers Local 7 (the "Union") are party to various collective bargaining agreements (the "CBAs").
- B. Pursuant to the CBAs, the Employer makes contributions on a monthly basis to the United Food and Commercial Workers Welfare Trust (the "Plan") on behalf of specified bargaining unit employees who work 80 or more hours in a four-week month or 100 or more hours in a five-week month.
- C. The contribution presently required to be made to the Plan by the CBAs is expressed as a monthly dollar amount that commences with hours worked after the employee completes their initial eligibility period (the "Monthly Rate").
- D. The undersigned parties desire to modify the contribution structure to convert the Monthly Rate to an equivalent hourly contribution rate commencing at date of hire (the "Hourly Rate") pursuant to the methodology outlined below, with the express intent of maintaining the overall economic terms of the CBAs by requiring a monthly reconciliation to ensure the amount contributed each month pursuant to the new Hourly Rate structure equals the amount that would have been contributed under the Monthly Rate structure.

AGREEMENTS

The undersigned parties hereby agree as follows:

1. Effective December 1, 2015 (November hours) the Monthly Rate shall be converted to an equivalent Hourly Rate commencing with an employee's first hour of employment pursuant to the methodology outlined below. The undersigned parties agree the Hourly Rate provided for herein shall supplant and replace the Monthly Rate specified in the CBAs, and the Employer shall have no additional obligation to contribute to the Plan beyond the Hourly Rate (subject to the monthly reconciliation provided for herein).
2. The Monthly Rate shall be converted to an equivalent Hourly Rate as follows:
 - (a) The Employer shall calculate the Hourly Rate. Each participating Employer at its option may have the Plan's Consultant calculate the Hourly Rate. The Hourly Rate shall be the amount projected by the Plan's consultant to

provide an equivalent dollar amount of monthly contributions to the Plan as would have been made had the Monthly Rate and contribution rules remained in effect.

- (b) The Employer shall calculate the Hourly Rate to be effective commencing with hours worked November 2015. The Plan's consultant shall thereafter update his calculation of the projected Hourly Rate each January 1 and July 1 (or such other dates as determined as necessary and appropriate by the Plan's Trustees) based on Plan experience for such employer, and such updated Hourly Rate shall become effective when approved by the Plan's Trustees.
- (c) To maintain the overall economic terms of the CBAs, the undersigned parties agree the Employer or Plan Administrator if assigned the task by an Employer shall reconcile contributions on a monthly basis to compare the amount actually contributed by the Employer pursuant to the Hourly Rate each month relative to the amount that the Employer would have contributed had the Monthly Rate remained in effect for such month. The Employer will determine by the last day of each month whether the amount contributed to the Plan in such month pursuant to the Hourly Rate structure was more or less than would have been paid pursuant to the Monthly Rate structure. To the extent the amount of the Employer's actual Hourly Rate contributions for a month exceed the amount the Employer would have contributed had the Monthly Rate remained in effect for such month, then the Employer shall be entitled to a credit in the amount of such excess against contributions due for the following month. EXAMPLE ONE: EMPLOYER CONTRIBUTES \$50,000 TO THE PLAN ON APRIL 10 FOR MARCH HOURS. EMPLOYER OR PLAN ADMINISTRATOR RECONCILES AND IF THE EMPLOYER OR PLAN ADMINISTRATOR DETERMINES EMPLOYER WOULD HAVE PAID \$48,000 HAD MONTHLY RATE STRUCTURE BEEN IN EFFECT FOR THE MONTH, EMPLOYER WILL BE ENTITLED TO \$2,000 CREDIT TO BE TAKEN AGAINST CONTRIBUTION DUE IN MAY FOR APRIL HOURS. Conversely, to the extent the amount of the Employer's actual Hourly Rate contributions for a month are less than the amount the Employer would have contributed had the Monthly Rate remained in effect for such month, then the Employer shall pay the amount of such difference to the Plan as an additional contribution, with such amount due for the following month. EXAMPLE TWO: EMPLOYER CONTRIBUTES \$50,000 TO THE PLAN ON APRIL 10 FOR MARCH HOURS. EMPLOYER OR PLAN ADMINISTRATOR RECONCILES AND IF THE EMPLOYER OR PLAN ADMINISTRATOR DETERMINES EMPLOYER WOULD HAVE PAID \$54,000 HAD MONTHLY RATE STRUCTURE BEEN IN EFFECT FOR THE MONTH, EMPLOYER WILL CONTRIBUTE AN ADDITIONAL \$4,000 WITH THE CONTRIBUTION DUE IN MAY FOR APRIL HOURS.

- (d) Notwithstanding the foregoing, all other terms of the CBAs with respect to the amount of the Employer and employee contributions payable to the Plan shall remain in effect.
3. The Employer shall pay the Hourly Rate to the Plan on behalf of those employees covered by the CBAs (even if such employees have not yet satisfied the eligibility requirements to qualify for initial Plan eligibility) beginning with the first hour worked with the Employer in such an eligible position. The hours for which the Employer shall be obligated to contribute the Hourly Rate to the Plan shall be the same hours that are credited under the CBAs for purposes of determining whether employees satisfy the 80-hour, or 100-hour, qualifiers for receiving the prior Monthly Rate contributions. However, employees shall not be required to work such 80 hours, or 100 hours, to qualify for the Hourly Rate contribution. The Employer shall continue to report credited hours to the Plan on a monthly basis, and the contribution amount shall continue to be payable each month by the deadline required under the CBAs.
 4. The Employer agrees that its contributions tendered pursuant to this Agreement are subject to audit by the Fund's auditor. The Employer further agrees to reimburse the Fund Administrator for any administrative expense it incurs in the processing of these contributions with the understanding that there shall be no reimbursement of the Fund auditor by the Employer for audits conducted pursuant to this provision.

The original document was signed by Stephen DiCroce and Kim Cordova on 11/13/15 and is on file at the King Soopers Labor Relations Department.

LETTER OF AGREEMENT

ACQ BUCKET HOURS. DATED 3/24/19

When an employee (not at the "thereafter" rate) is promoted from a lower classification to a higher classification, the employee's wage shall remain the same or be advanced to the next higher wage rate if the rate does not exist in their new classification. At this point, the employee will receive credit for all hours worked with the company and those hours will determine their pay level in the new classification. The employee will then work the necessary hours in that step before receiving their next pay increase.

When an employee (at the "thereafter" rate) is promoted from a lower classification to a higher classification, the employee's wage shall remain the same or be advanced to the step below the "thereafter" rate in their new job class, whichever is higher. At this point, the employee will receive credit for all hours worked with the company. The employee will then be required to work the last progression step of hours before moving into the "thereafter" rate in their new role.

Similarly, an employee that moves from a higher classification to a lower classification will receive credit for all hours worked with the company and those hours will determine their pay level in the new classification (even if this results in a decrease in pay).

Bargaining Note: The parties intend this letter to apply in all circumstances where an employee changes job classification within the Company, including lateral transfers (for example, Nutrition Clerk to Produce Clerk), step-downs (for example, Assistant Deli Manager to Deli Clerk), and transfers between bargaining units (for example, Coffee Clerk to Customer Service Clerk).
